## *Generation No. 1*

**1. Shmuel<sup>1</sup> Wieder** was born Abt. 1845. He married **Hana Bile**.

Notes for Shmuel Wieder:

Israel Vider: "the family name is "Wieder," and it means ram. It is a reference to the mazal telah.

When my Grandfather (Meshel) was niftar at age 36 in 1922, he left his wife an almanah of 28 years old with 4 children. 3 under 3, 1 aged 9. She could not cope, and the family lived a very difficult life. Out of their entire youth, the only good memories they have are of the years they spent in Shmuel Wieders home in Seben. He was poor and had very little food or wealth to share. But he opened his heart to the family and they enjoyed their stay with him. A close bond was created between the 2 families."

Tapuach: lived in Teshet at the 2nd half of the 19th century

Notes for Moshe Meshel Wieder:

Israel Vider:" My grandfather was called Meshel. According to books on names in gittin, Meshel is a kinui of Moshe. My Grandfathers death certificate lists " Mihali" as his 1st name. Meshel was 1.96m tall and when he was about 17 the Astro Hungarian Empire sent in soldiers to bring in youth into the army against their will. Usually it was possible to bribe them. But they took no bribes, because my grandfather was so tall and muscular the kept him in the army. He was promoted and had 2 stars on his collar. He also became one of the personal bodyguards of The Emperor Franz Yosef.

My grandfather was Meir Menachem Wieder's brother. He was niftar in 1922 (I have a copy of his death certificate.) He was 36 years old when he was niftar. (he apparently died of food poisoning.)

All of the above I heard directly from Shmuel Vider (my grandfathers nephew.)
