

Dedication page

First off, I would like to thank my writing coach, Kim Trutane. Thank you for helping me understand what I was looking at and thank you for pointing out the mistakes from biggest to the smallest in my writing. Your impact on my project and writing is more than I could ever imagine. Thank you. Secondly, I would like to thank my family and friends for showing me the ropes and helping me push through these two months. Finally, to anyone that I forgot, who helped me in any way, thank you too.
