a long time ago in a galaxy not so far from here....

Stars, the title, followed by the roll-up.

SUPPOSED TO BE STAR WARS

EPISODE 2

ATTACK OF THE EFFECTS - DON'T TAKE THIS TOO SERIOUSLY

There is unrest in the Galactic Senate.
Several thousand solar systems have declared their intentions to secede from the Republic, so no doubt somewhere in this movie we will find out why, because we didn't see any sign of this in Episode 1.

The seperatist movement, under the leadership of the mysterious Count Dooku - who is mysterious because we've never heard from this obviously important character in the set-up episode - has made it difficult for the limited number of Jedi Knights to maintain peace and order in the galaxy - we don't know why or how, but i'm sure we'll find out.

Senator Amidala, the former Queen of Naboo - but that was boring and pointless - is returning (from what, where?) to the Galactic Senate to vote on the critical issue of creating an ARMY OF THE REPUBLIC (oh, you mean stormtroopers) to assist the overwhelmed Jedi (overwhelmed by what, who?)...

Pan UP to the planet Coruscant.

AUDIANCE

What's going on? It's supposed to be a Pan DOWN!!

GEORGE LUCAS

This is my way of saying: Things are going to be different this time.

AUDIANCE

Oh dear...

EXT. SPACE, CORUSCANT

A stealth bomber flies towards Coruscant and flies through the fog and stuff.

INT. STEALTH BOMBER

Some guy talks to some girl.

MISTER EXPOSITION

We're approaching Coruscant, SENATOR AMIDALA. Yes, you are supposed to be SENATOR, no longer queen, AMIDALA!!!

SOME GIRL

Ok, thank you Mister Exposition. I already thought that planet looked familiar.

EXT. CORUSCANT, LANDING PLATFORM (FAKE FOG) - DAWN

The stealth bomber lands.

Naboo fighters land. A guy gets out of one and takes off his helmet. He's a Kiwi with an eyepatch. A girl about the size and shape of Natalie Portman gets out the other fighter, together with R2-D2. She keeps her helmet on. We wonder who this can be...

EYEPATCH KIWI

We made it, there was no danger at all. Unless somebody planted a bomb on the landing platform, but i'm sure local security checked it out.

Suddenly, the stealth bomber blows up in an explosion, and another explosion, and another explosion, untill....another explosion blows it up real good.

EYEPATCH KIWI (CONT'D)

Oh crap!

Natalie Portman's character reveals herself. The other

EYEPATCH KIWI

Former queen and now Senator Amidala,
we've got to get out of here and get
the movie going!!

PADME

I should not have come back. I should
have quit my job.

AUDIANCE

Damn right!!

INT. CORUSCANT, CHANCELLOR'S OFFICE - DAY

Chancellor Palpatine sits in the Emperor's chair with
Imperial Royal Guards guarding the door. We wonder if he
will one day be the Emperor....
Some Jedi are also present, including a digital being
who looks a bit like Yoda, only more pixelated. Samuel
L. Jackson is also present.

PALPATINE

I don't know how much longer i can
hold off the vote, my arch enem...i
mean my friends.

SAM JACKSON

Vote? Hold off? What are you talking
about?

PALPATINE

Oh, that was in a cutscene. I will not
let this Republic, that has stood for
a thousand years, be split in two!!

SAM JACKSON

A thousand years? In A New Hope,
Obi-Wan talked about a thousand
GENERATIONS!!

PALPATINE

Whatever.
Will it come to war? The fans want
those clone wars.

YODA'S CG BROTHER

Clone wars! Interesting name for a
war. Remember this, i must.
Hmmm, clouded everything, the Dark
Side has. The future I can see not.
A mystery, this is.

SAM JACKSON

You mean the future is always in
motion?

YODA'S CG BROTHER

No, no. Limiting our powers, the Dark Side is this time. Very convenient this is.

SAM JACKSON

You mean like Kryptonite with Superman?! That's weak!
In The Empire Strikes Back, you said the future was difficult to see, because it's always in motion! That was cool, because it implied we all decide our own fate! It was deep!!

YODA'S CG BROTHER

Deep, for the Matrix that is. There is no spoon and stuff like that. Computer graphics, is what we are all about.

A hologram of an alien appears.

HOLO ALIEN

(something in Huttees)

PALPATINE

Why do you talk in an alien language?
Talk 'standard' in the government center of the Republic!!

Padmé and some other people walk in. Jar Jar is with

SAM JACKSON

No way, he was once a Jedi.

PADME

A FORMER Jedi! Now i'm sure he's the bad guy!! I bet he's turned to the dark side.

YODA'S CG BROTHER

Difficult to see, the dark side...

PADME

Shut up!!!!

SAM JACKSON

But in the Senate scene you said you suspected somebody in the senate was behind the attack!

PADME

That scene was cut, so that doesn't count.

PALPATINE

Let's put your old friend Obi-Wan and his emotional wreck of an apprentice in charge of your protection.

SAM JACKSON

That is possible. They have just returned from an adventure in a spin-off novel.

PALPATINE

Padmé, you must remember Obi-Wan from ten years ago.

PADME

Uhm, Obi...Wan. No...not really. Oh wait, was he that guy who stood in the background behind that tall guy all the time? We hardly exchanged two words!

INT. APARTMENT BUILDING, ELEVATOR - DAY

Obi-Wan and Anakin are in an elevator.

OBI-WAN

You're nervous.

ANAKIN

OBI-WAN

Remember when you fell into that nest of Gundarks, my good friend?

ANAKIN

No. What's a Gundark anyway? They were also mentioned in TESB.

OBI-WAN

Yes, that was the point. It's a link with the Original Trilogy. You see, this is really a Star Wars movie!

ANAKIN

Hey, you fell into that nest! And who are you calling friend? I hate you!!

They arrive at Padmé's apartment.

INT. APARTMENT BUILDING, PADME'S APARTMENT - DAY

Obi and Ani are greeted by JAR JAR BINKS.

BOTH JEDI

Not a word, you miserably waste of processing time!!!!!!!

They meet Padmé.

ANAKIN

At last, we meet again. Now, the circle is complete.

OBI-WAN

Shut up, my young padawan learner apprentice flunky. You suck and i'm your boss!!

PADME

Whatever. Wow Ani, you're so big and yummy. At least now it won't be so creepy like with little Jake!

ANAKIN

I want to bone you.

PADME

Ok, i was wrong.

EXT. CORUSCANT, LEDGE OF A BUILDING - NIGHT

Some guy who looks like BOBA FETT gives some Australian girl some worms.

ANOTHER FETT

Here, put these worms in a droid and send the droid to kill that bitch.

AUSTRALIAN GIRL

Can't you do that yourself, you lazy bastard?!

ANOTHER FETT

No. You'll make a fine action figure and comic book character. Together we will have many adventures.

AUSTRALIAN GIRL

Oh yeah, i already saw those comics. They were in stores months ago! I'm gonna be bigger than Aura Sing!!

ANOTHER FETT

Who?

AUSTRALIAN GIRL

Exactly!!

INT. PADME'S BEDROOM - NIGHT

Padmé is asleep with R2-D2 asleep nearby. A floating droid opens the window and unleashes the wormlike things. They approach Padmé. This looks a lot like a scene from one of the comic books.

ANAKIN (V.O.)

She covered the camera!

OBI-WAN (V.O.)

Ok, back to those Live WebCamGirl

OBI-WAN

Your thoughts betray you...and your words. You simply can't do it with real girls, just like millions of fanboys! And don't trust politicians, they suck.

ANAKIN

I trust Palpatine. He's not bad at all.

OBI-WAN

Oh dear...wait, we sense something!!!

Anakin and Obi-Wan burst into Padmé's room. Anakin wacks the worms in half and somehow miraculously misses Padmé's face. Obi-Wan somehow flies straight through the blinds without getting stuck and crashes through the window and hangs on to the floating droid.

ANAKIN

I don't care what universe you're from, that's gotta hurt!

EXT. CORUSCANT SKYLINE - NIGHT

The droid flies through traffic with Obi hanging on.

The Aussie girl shoots the droid, Obi falls and Anakin catches him in a piss-yellow open speeder.

OBI-WAN

What took you so long?

ANAKIN

I had to get a speeder that looked stupid. I'm just as good with a lightsaber as Yoda's CG brother!!

OBI-WAN

Yoda's CG brother fights with a lightsaber?! Wow, that must look ridiculous, my very young apprentice learner padawan bitch!!!

They pass flying cars left and right, like in The Fifth Element -

GEORGE LUCAS

Homage! Homage!

OBI-WAN

Actually, the whole Coruscant concept is taken from Alexandro Jodorowsky's and Moebius' "The Incal" - which was later used by the Fifth Element - right down to the "lava look" hundreds of levels below.

GEORGE LUCAS
Even deeper homage! Homage!

AUDIANCE
- Cough, rip-off, cough -

- only these flying cars are driven by cartoon characters...
The Australian girl shoots at them with a gun that has the sound of a TIE-Fighter cannon.
The speeders fly around flame-spewing towers, taken from the movie Blade Runner.

GEORGE LUCAS
Homage! Homage!

They go through some purple lightning.

OBI-WAN (CONT'D)
How many times have i told you to watch out for those power couplings!

ANAKIN
Never! This is the first time i've done that!

They lose the australian girl, but Anakin spots her and jumps like 50 stories down and drops right on top of her speeder using his superman-powers.

OBI-WAN
I hate it when he does that!

ANAKIN
I've never done that befooooooore!!!!

They crash in a street and the girl runs inside a nightclub.

OBI-WAN
Wait! She went in there to hide, not to run!

ANAKIN
Are you sure?! If i was running away from two Jedi i would run straight out the back door!!

OBI-WAN
Here is your lightsaber, you lost it. Never lose your lightsaber, you should always keep it with you!! It is your LIFE!!!!

ANAKIN
But what about the scene in TESB, where Yoda basically says you don't need weapons to confront the Dark Side? That was deep!

OBI-WAN

Whatever. That was totally different.
Why do i think you're going to be the
death of me?

ANAKIN

Because you have already seen the

AUSTRALIAN GIRL

Aaarch! So this entire set was just here to show a recycled mindtrick turned into a pointless gag and to pointlessly recycle the chopping off of an arm in a bar!!!
It's all part of George Lucas' plan to recycle stuff from the Original Trilogy in a weak attempt to lure back the fans who were pissed off because of The Phantom Menace! How stupid does he think we are?!

GEORGE LUCAS

It's working!! It's working!!!

They drag the sheila outside.

ANAKIN

Who hired you?

AUSTRALIAN GIRL

The casting director. It's just a jobaaarch!!!

She is hit by some kind of dart. A figure who looks like Boba Fett flies away.

ANAKIN

Look! It's Boba Fett!!

OBI-WAN

No. It could be someone totally different.

ANAKIN

Oh, come on! It's Boba Fett!!
Everybody knows what he looks like. He looks cool!

The girl dies and shapeshifts into an alien.

ANAKIN (CONT'D)

Master, what was the point of this shapeshifting stuff? She didn't use this very useful ability to disguise herself in an attempt to escape us. It's just a tired cliché!

OBI-WAN

Perhaps....
Or it was a clever example of the recurring theme of dual identities and to point out that things are not always as they seem, something we will find out in these movies.

GEORGE LUCAS

Nah, it just looked cool...
No wait!!!! You're right! It's
SYMBOLIC. It goes all the way back to
the ancient mythological stories
of...

AUDIANCE

Oh, shut up!!

INT. JEDI TEMPLE, COUNCIL CHAMBER -DAY

Obi-Wan and Anakin stand in front of the Jedi Council.

YODA'S CG BROTHER

A mystery, this is.

SAM JACKSON

Anakin, take Padmé away from here,
were she would be surrounded by many
highly trained Jedi Knights. Take her
to her homeworld where everyone knows
her, visit people she knows and use
public transportation. That way,
nobody will suspect where she is.

ANAKIN

Whatever....It will be difficult to
convince her to leave.

SAM JACKSON

Go to Palpatine, so he can seduce you
to the Dark Side. You are dismissed.

INT. CHANCELLOR'S OFFICE - DAY

Anakin and Palpatine are in Palpy's office.

PALPATINE

Your patience has paid off.

ANAKIN

I thought i was impatient! Besides, it
was more your guidance.

PALPATINE

When did i ever guide you? Why should
i, the president of the Galaxy, guide
a Jedi apprentice?!

ANAKIN

It happened in between episodes.

PALPATINE

Whatever. You don't need guidance.
Trust your instincts and join the Dark
Side.

ANAKIN

I wonder who this Darth Sidious is...

INT. JEDI TEMPLE, FAKE BACKGROUND - DAY

Obi-Wan, Yoda's CG brother and Sam Jackson are walking in front of a fake background.

OBI-WAN

I am concerned for my padawan.

YODA'S CG BROTHER

Confident, we are. Very good, he is. Did the right thing, we have, by letting you train him, even if only barely finished your training yourself, you had at the time.

OBI-WAN

So it won't be my fault if he turns to the Dark Side! Phew! Looking at the Original Trilogy, i thought i was to blame!

SAM JACKSON

Remember the prophecy. Anakin can bring balance to the Force.

OBI-WAN

What does that crap mean anyway?

YODA'S CG BROTHER

A mystery, this is.

INT. APARTMENT BUILDING, PADME'S APARTMENT - DAY

Padmé and her handmaiden Dormé are packing suitcases. Jar Jar is there. Anakin looks on.

PADME

You must take my place in the senate, Jar Jar. I know i can count on you.

JAR JAR

Wassa? Are youssa stupid?! Mesa an idiot!!

PADME

(gushing)

That's the point. You are a symbolic representation of naive, stupid politicians. But don't worry, in the previous episode you completed a hero's journey, going from a bumbling idiot to a wise hero who brought two populations together. I'm sure you will continue on this noble path.

JAR JAR

Mesa never did anysing like thata!!!
Have youssa watched da movie or
what??!!

PADME

Shut up and go away. You suck.

Jar Jar leaves. Thank goodness.

ANAKIN

What the hell is Jar Jar doing in this
movie anyway? Shouldn't he have been
left in some swamp?

PADME

Do not underestimate his powers. His
tongue is very powerful!

ANAKIN

I don't get it.

PADME

(giggling)

As long as i get it, i'm keeping Jar
Jar close!

Ok, sorry about that ;)

ANAKIN

Obi-Wan sucks.
He.does.not.let.me.move.on.

PADME

That.must.suck.
This.acting.is.difficult.

ANAKIN

Can't.we.have.some.cg-crap?

GEORGE LUCAS

Patience. Just wait untill you see the
last 45 minutes! You're doing great!

PADME

Don't look at me like that. It's
creepy.

GEORGE LUCAS

Sorry. Later i will have you wear a

PADME

You have issues.

EXT. SPACE DOCKS - DAY

Padmé, Anakin and R2-D2 are about to leave.

DORME

At last, i have a few lines.

They leave.

INT. AMERICAN GRAFFITY, 50'S DINER - DAY

Obi-Wan visits his old CG friend Dex in a galaxy not so far from here.

AUDIANCE

What the...!

GEORGE LUCAS

Homage! Homage!

OBI-WAN

I need to know where this dart came from. The droids in the temple didn't recognise it and i didn't bother to ask some experienced Jedi Masters.

DEX

Droids focus on symbols. It's a Kamino Saberdart. I recognise these cuts on the side, they're like symbols. Do you want some Jawa juice?

OBI-WAN

Ew, that's disgusting!

A cg alien recycled from the previous movie gets up from it's seat and walk towards Obi-Wan's table.

OBI-WAN (CONT'D)

Yes, can i help you?

The cg character simply walks on, taking up half the screen.

OBI-WAN (CONT'D)

Hello?!

GEORGE LUCAS

Never mind him! It's just a cool looking CG alien! Carry on!

INT. JEDI TEMPLE, ARCHIVES - DAY

ANAKIN

You still look 14 years old, just like
in my wet dreams.

PADME

Ugh.

INT. JEDI TEMPLE, MAIN HALLWAY - DAY

Obi-Wan walks through the Jedi Temple, where Jedi of all
types go around their business. One of them is Howard
the Duck.

AUDIANCE

WTF!

GEORGE LUCAS

Homage! Homage!

INT. JEDI TEMPLE, ANOTHER SET - DAY

Yoda's CG brother is teaching some children how to use a
lightsaber.

OBI-WAN

That looks lame. These kids stand so
close together that they can easily
hit each other! And why are they
wearing blast-helmets? In A New Hope,
i simply picked a helmet that was
available on board the ship! And their
saber techniques are a joke. Couldn't
you get some young Shaolin Kung Fu
students for this scene?

YODA'S CG BROTHER

Shut up. Lost a planet, you have. A
mystery, this is. I will be funny. An
Original Trilogy moment, for only a
second. Win back the old fans, we
must.

GEORGE LUCAS

It's working! It's working!

Obi-Wan activates a lame holomap.

OBI-WAN

Gravity is pulling the stars to this
point, but the planet is not there. I
don't get it.

CHILD

What, are you stupid?! Somebody erased
the planet! It's OBVIOUS!!

OBI-WAN

That's not possible. Only a Jedi can
erase stuff from the files.

CHILD

Wasn't there a former Jedi who has
become the leader of separatists?
Hello!!!

YODA'S CG BROTHER

A mystery, this is. An investigation,
there will not be. Meditate on this, i
will.

CHILD

Oh please!! Come on guys. Let's go
watch Harry Potter!

CHILDREN

Yippeeeeeee!!!!!!

EXT. SPAIN, PALACE - DAY

Anakin and Padmé and Artoo have arrived in Spain and are
walking towards the palace.

ANAKIN

The Republic needs you. You're cool.
Hé, R2-D2 can walk stairs!

PADME

I could say a lot about my past and
how i got into politics -

Suddenly, they have magically transported 300 meters.

PADME (CONT'D)

- but i'll save that for the cutscene
section on the DVD.

INT. PALACE, THRONE ROOM - DAY

Queen Jamillia sits on her throne. Sio Bible and other
extras are also present. Anakin and Padmé are there
too.

PADME

Boy, i'm glad i'm no longer queen. You
look like a frigging clown!

QUEEN JAMILLIA

I know! And this is supposed to be my
big break!

SIO

Let's talk politics. What's the deal with these seperatists and this possible war and how does everything in this movie fit in?

PADME

Nobody knows, but it doesn't really matter. As soon as you see countless CG thingies fighting each other, you know war has broken out.

GEORGE LUCAS

Actually, it's much like how the Vietnam war started, with elements of the American Civil War thrown in. Also, the political scheming in this movie is somewhat like the political plot in the movie Spartacus...

PADME

What?!

GEORGE LUCAS

Never mind. Carry on!

QUEEN JAMILLIA

Were are you going now?

PADME

I was going to visit my Australian family - which would explain my American accent - and have my dad Bruce throw some Gungans on the barby, but that would suck too much even for this movie, so we'll save it for the DVD.

We're going to Italy!

INT. KAMINO (RAIN AND FAKE WAVES) - DAY

Using his Jedi Starfighter with impractical hyperspace transport ring, Obi-Wan has arrived on Kamino. He is greeted by typical Sci-Fi aliens.

SCI-FI ALIEN

Tell your master Sifo-Dyas that the copy-and-paste cg army will be ready on time.

OBI-WAN

Who's Sifo-Dyas?

SCI-FI ALIEN

Is he not a Jedi master?

OBI-WAN

I don't know. Never heard of him,
never seen him in the previous
episode...

SCI-FI ALIEN

Whatever. Let's look at that army. Two
hundred thousand units are ready, with
a million on the way.

OBI-WAN

That's not so much when you consider
the vastness of the galaxy. Nobody can
take over the galaxy with such a small
army, so it's not much of a threat.

SCI-FI ALIEN

Whatever.

EXT. ITALY, SUMMERHOUSE - DAY

The scenes with the Sci-fi aliens were way too cool, so
now we quickly switch to some not so cool scenes.
Anakin and Padmé have arrived in Italy. There is a lake
nearby.

PADME

When i was a schoolgirl, we used to
come here and swim in the nude, then
we used to lie down in the sand and
let the sun dry us. George Lucas has
issues.

ANAKIN

Sand is rough, unlike your skin.

He touches Padmé's bare back.

PADME

You're such a creep.

They kiss.

PADME (CONT'D)

Oops, i should not have done that.
It's just that creeps turn me on.
Maybe i should walk away quickly now
for extra effect...No, wait, i'll just
stand here and do nothing. That works
for me in every scene.

INT. KAMINO, COPY-AND-PASTE CENTER - DAY

The aliens show Obi-Wan clones and stuff.

OBI-WAN

PADME

He got arrested. I had to do public service.

(beat)

You don't like politicians, do you?

ANAKIN

Democracy sucks. I want a dictatorship.

PADME

(laughing)

You're making fun of me!

ANAKIN

Whatever.

EXT. ITALY, SOUND OF MUSIC SETTING - LATE AFTERNOON

Padmé does a pointless homage to The Sound Of Music.

GEORGE LUCAS

Homage! Homage!

Anakin rides a stupid CG animal. He falls and appears hurt, Padmé runs to him.

They roll around in the grass - something they've obviously practiced several times before.

GEORGE LUCAS

Isn't this romantic?

AUDIANCE

Aaarch! Get on with it!!

INT. KAMINO, FETT APARTMENT - DAY

Obi-Wan and a CG sci-fi alien are visiting Jango Fett and his clone son Boba Fett.

OBI-WAN

Hey, little Boba Fett! Are you going to do something interesting in this movie?

BOBA FETT

No.

JANGO FETT

I'm just a simple man trying to make his way through the universe.

OBI-WAN

So what?

JANGO FETT

I was recruited by someone called
Tyranus.

OBI-WAN

Hmmm. Sounds like the name of a
Transformer.

(thinks)

Hmmm, transformers...destroyer droids
are transformers; they're used by the
Trade Federation; Padmé and the Trade
Federation don't get along....wait!!!
Perhaps Jango is the assassin i'm
looking for!!!

Obi-Wan spots the familiar armor laying out in the
open.

OBI-WAN (CONT'D)

Hmm, perhaps for once, i've figured
something out myself!

INT. ITALY, SUMMERHOUSE, DINING ROOM - EVENING

Padmé and Anakin are having diner.

ANAKIN

I'm going to say something witty.

PADME

Hahahaha!

Anakin uses the Force to levitate some fruit and he cuts
it in mid-air.

ANAKIN

I'm not supposed to do this.

PADME

Does it make Obi-Wan grumpy?

ANAKIN

No, it just looks stupid.

INT. ITALY, SUMMERHOUSE, FIREPLACE ALCOVE - NIGHT

Padmé is sitting in a low-cut outfit that lifts up her
tiny pleasure-bumpies. Anakin likes the view.

GEORGE LUCAS

I designed that outfit myself!
Rrrrrmmmpf!

PADME

Sicko.

ANAKIN

SAM JACKSON (CONT'D)
that droid with your front. How can he
make a hologram of your backside?

YODA'S CG BROTHER
A mystery, this is.

SAM JACKSON
I think we should inform the senate
that the Kryptonite...i mean the Dark
Side, is limiting our powers. Wait a
second! It was never established that
we could see everything everywhere!

YODA'S CG BROTHER
A mystery, this is.

INT. ITALY, SUMMER HOUSE, ANAKIN'S BEDROOM - NIGHT

Anakin is naked in bed, tossing (and turning).

ANAKIN
No, mom, no, don't!

EXT. ITALY, SUMMER HOUSE, BALCONY - MORNING

Padmé, in her nightgown, finds Anakin on the balcony.

PADME
You had another masturbating session
last night. You sick bastard, you were
fantasizing about your mother!

ANAKIN
Jedi don't masturbate, they levitate.

PADME
I guess it was another nightmare
then.

ANAKIN
What do you mean, 'another nightmare'?
This was the first one i had in the
movie!

PADME
Oh yeah, the first one was cut.

ANAKIN
I have to go to Tatooine and find my
mom. These nightmares i've not been
having during this movie are getting
worse.

PADME

Ok, i'll come with you. I'd love to
visit that boring desert planet again.
It has not been shown enough in other
Star Wars movies.

WATTO

Your mother was sold and freed and she got married to this Lars guy who lives in the homestead from the Original Trilogy.

ANAKIN

Well, that saves some screentime.

EXT. SPACE, GEONOSIS RINGS

In their ship, the Slave-1, Jango and Boba notice that they are being followed by Obi-Wan. They go into an asteroid field and an asteroid chase follows.

OBI-WAN

Ha! An asteroid chase! Just like in The Empire Strikes Back!

GEORGE LUCAS

No, no! This one is totally different! You see, in TESB, the asteroid field played a mayor part in the narrative. It not only allowed for a more exciting chase, it also provided the characters with an environment to hide in and expand their characters and their relationships with each other. The asteroid chase in this movie is just there for cheap thrills.

Finally, Jango thinks he has destroyed Obi-Wan's ship -

BOBA FETT

Yippeee!!!

- but Obi-Wan is hiding on the backside of an asteroid.

OBI-WAN

Ha! Just like Han Solo hid on the backside of a Star Destroyer in The Empire Strikes Back!

GEORGE LUCAS

No, no! This is totally different!

Obi-Wan follows the ship to the planet.

EXT. GEONOSIS, LANDING AREA - NIGHT

Obi-Wan flies his starfighter straight over an area where a bunch of ships are parked.

INT. STARFIGHTER, COCKPIT - NIGHT

Obi-Wan observes the ships.

OBI-WAN

Boy, i sure hope those Geonosians
don't look up or else they'll see us!
And they better not have radar
either!

EXT. GEONOSIS, ROCKS AND STUFF - NIGHT.

Obi-Wan lands and sets out on foot.
Geonosis looks like Tatooine...

EXT. TATOOINE, HOMESTEAD - DAY

Anakin and Padmé have arrived at the homestead from A
New Hope (that's the first Star Wars movie). They meet
C-3PO.

C-3PO

Master Anakin, my creator! And miss
Padmé! How good to see you again.
Isn't it amazing that i'm here at the
homestead and two episodes later i
have no recollection of this place and
Owen doesn't recognize me?

ANAKIN

No, it makes perfect sense.
You see, in the next episode your
memory will be whiped, so you don't
remember a thing. And Owen didn't
recognize you because you look
different in that movie and you never
mentioned your name to him.

AUDIANCE

Oh, yeah...

Anakin meets his half-brother Owen Lars.

OWEN

Hi, i guess i'm your halfbrother.

ANAKIN

I thought you were Obi-Wan's brother?

OWEN

No, that was just in the novelisation
of Return of the Jedi. That doesn't
count.

AUDIANCE

Oh, yeah...

Beru, Owen's girlfriend is there too.

BERU

Hello.

PADME

Hi, i'm Padmé. Was that your only line...your only WORD in this movie?

BERU

...

PADME

Ah, i see.

ANAKIN

I'm looking for my mother.

CLIEGG

Too late, she's been kidnapped by Tusken Raiders.

ANAKIN

Why?

CLIEGG

I don't know.

ANAKIN

I'm going to find her.

CLIEGG

Give it up, she's been gone for a month. She must be dead.

(beat)

If i hadn't lost a leg i would search for her myself.

ANAKIN

But you just said to give it up.

CLIEGG

Whatever.

They came at dawn, out of nowhere...

ANAKIN

Isn't that line from Apocalypse Now?

GEORGE LUCAS

Homage! Hom...

ANAKIN

Shut up!!

He notices Padmé taking her coat off and revealing her bare shoulders.

CLIEGG (CONT'D)

Rrrrrrrr, baby!!!!

Anakin takes a bike and goes looking for his mom.

EXT. TATOOINE, FAKE LANDSCAPES - TWILIGHT

Anakin races his speeder on a soundstage against a weak windmachine in front of a fake background.

EXT. GEONOSIS, MORE ROCKS AND STUFF - MORNING

GEORGE LUCAS

Ho...

AUDIANCE

Don't even try it!!!

CHRIS LEE (CONT'D)

When we combine our cartoon armies,
nothing in the universe will be able
to stop us!

CARTOON ALIEN

Why should we do that?

CHRIS LEE

Who cares?

CARTOON ALIEN

Ok. My organisation, that nobody has
ever heard of, will join you.

The others follow. Obi-Wan has heard enough.

EXT. TATOOINE, TUSKEN CAMP - NIGHT

Anakin finally finds a Tusken Raider camp in a homage to
the classic western The Searchers. The camp is located
in an oasis.

Anakin approaches one of the huts and cuts it open, just
like in the Searchers.

GEORGE LUCAS

Homage! Homage! Homage! Homage!
Homage! Homage!

AUDIANCE

Huh, The Searchers? Haven't seen it.

INT. TATOOINE, TUSKEN HUT - NIGHT

Anakin creeps inside a hut where he finds his mother
beaten up and barely alive.

ANAKIN

Mom, what are you doing here?

SHMI

SHMI

I don't know, let's ask them. No wait,
i....i.....have
earned...my....paycheck....aaaarchh.

She dies.
Anakin goes Dark Side.

AUDIANCE

It was about time!

Anakin goes outside and finds some Tusksens guarding the hut.

ANAKIN

Why did you kidnap my mom? Where, on a desert planet, did you find the wood beam you tied her up to? How come there is an oasis here, but moisture farmers have to use vaporators to get water from the atmosphere?

TUSKENS

It's in the script.

ANAKIN

I see. Now you shall die!

Anakin decapitates two Tusksens, while a child watches. Their heads roll with a comical sound. CG dogs run towards him.

AUDIANCE

At last, violence!!

GEORGE LUCAS

Ok, that's enough. I'm going for a PG rating and i need screentime to show slapstick stuff with a digital C-3PO.

AUDIANCE

No, Lucas, no! Don't, Noooooo!!!!

INT. JEDI TEMPLE, YODA'S CG BROTHER'S & SAM JACKSON'S QUARTERS - TWILIGHT

Yoda's CG brother is meditating when he hears the cries from the audience.

YODA'S CG BROTHER

Hmm, a voice from beyond...How possible, this is? Importan

YODA'S CG BROTHER

In pain, Skywalker is. A mystery, this is.

SAM JACKSON

And?

YODA'S CG BROTHER

And nothing.

SAM JACKSON

Whatever.

EXT. GEONOSIS, OBI'S FIGHTER - DAY

Obi-Wan tries to contact his bosses, but Coruscant is too far away. He tries to contact Anakin, but he's not on Naboo, in Spain or Italy!! Anakin is on Tatooine!

OBI-WAN

Why is he on Tatooine? Tatooine, the planet where we found him, where we left his mother behind in slavery, the mother he's been having bad dreams about lately...
Why oh why did Anakin go to Tatooine?!!

Obi-Wan starts transmitting.

OBI-WAN

Obi-Wan calling Ork...uhm...Anakin.
Come in, Anakin...

INT. TATOOINE, PADME'S SHIP

R2-D2 receives the message, but decides to keep it to himself untill the following few scenes are done.

EXT. TATOOINE, HOMESTEAD - DAY

Anakin returns with his mother's body.

INT. TATOOINE, GARAGE - DAY

A cutscene later. Anakin is in the garage, Padmé brings him some blue milk.

ANAKIN

This sucks. Obi-Wan sucks. I suck.
Some day i'll be the most powerful Jedi ever. Even if i have to join the Dark Side to get there!

PADME

Hmm, that was subtle...
What's wrong Ani?

ANAKIN

What do you think 'What's wrong'?
I come here looking for my mother and
find her beaten to a pulp by a bunch
of aliens, then she dies in my arms!
What do you think is wrong?!!

PADME

No, i mean, there is something more
wrong, isn't there? It's in the
script.

ANAKIN

I shouldn't be telling you this. It
makes no sense telling you this.
You'll think i'm a psycho. You'll run
away screaming and call the cops,
but....I killed them all, the men,
women and children. I hate them!
They're animals! I killed them all
untill they were all dead!!!

PADME

Ok, whatever.

ANAKIN

Wow, you took that well. Perhaps i
should now say that i know that what i
did was wrong. That, as a Jedi, i know
better....but i'll save it for the DVD
version.

PADME

So the DVD version is different than
the theatrical version? How many
versions of this movie are there going
to be?

GEORGE LUCAS

Let's see...the normal theatrical
version, the digital theatrical
version, the DVD version...that's
three - untill the improved
re-releases of course!

EXT. TATOOINE, HOMESTEAD, GRAVESITE - DAY

They've burried Shmi. Two more headstones stand besides
Shmi's headstone - which they must have had in storage
or something...

PADME

Who are in these other graves?

CLIEGG

Padmé pushes the same single magic button again.

PADME (CONT'D)

Look, Geonosis is only a parsec away!

ANAKIN

What's a parsec anyway? That was also mentioned in ANH.

PADME

You see, this is a Star Wars movie!

C-3PO enters the cockpit and they take off.

EXT. TATOOINE, HOMESTEAD - DAY

Owen, Beru and Cliegg see the ship suddenly take off.

OWEN

Hé, they're leaving without even saying goodbye!! By the way, has anyone seen C-3PO?

CLIEGG

They took C-3PO!! Stop! Thieves!!!

INT. CORUSCANT, PALPATINE'S OFFICE - DAY

In the office, the movie continues.

PALPATINE'S FLUNKY

We need that cg copy-and-paste army now and we need to make Palpatine a dictator!

JIMMY SMITS

What am i doing here? Nobody has even mentioned my character's name!

PALPATINE'S FLUNKY

What complete idiot can convince the senate to give Palpatine the power to take over the galaxy?

Jar Jar thinks, but thank goodness his lines are cut.

INT. GEONOSIS, PRISON CELL - DAY

Obi-Wan has been captured off screen and hangs in a blue special effect. Chris Lee comes in.

CHRIS LEE

Whoops, sorry guys. Forgot to put on my beard!

GEORGE LUCAS

No, no. This is the Star Wars set, not the Lord of the Rings set!

CHRIS LEE

Oh, yes. Lord of the Rings has real sets instead of just blue and green walls and floors!

He turns to Obi-Wan.

CHRIS LEE (CONT'D)

Qui-Gon Jinn, the tall guy from the previous episode, was once my apprentice, just like you were once his apprentice.

OBI-WAN

So what?

CHRIS LEE

Nothing, but isn't it cool that we are all connected?

OBI-WAN

No.

CHRIS LEE

Whatever. Time for some exposition: The senate is under the control of the Sith. Those fake looking Federation aliens were working with this Sith Lord named Darth Sidious. The Jedi Council would not believe them.

OBI-WAN

So let me get this straight. In Episode 1, we discovered that this guy with the tattoos was a Sith Lord, who was obviously working with the Trade Federation. We also somehow knew there are always two Sith lords.... So then these Federation aliens tell us everything, and we don't believe them??!!! That's stupid! By the way, i wonder who the second Sith Lord is now. Since there are always two and one of them i killed ten years ago...around the time you left the Jedi order....

CHRIS LEE

Join me, Obi-Wan, and together we can destroy the Sith!!

OBI-WAN

Ok, that may be a good idea! I'll join you!

CHRIS LEE

Uhm, no. You're supposed to say no.
I was just trying to sound cool and
dramatic. You see, i'm the bad guy and
i want to kill you all.

OBI-WAN

Oh, ok.

(beat)

I will never join you, Christopher
Lee.

CHRIS LEE

Whatever.

EXT. GEONOSIS, STEAM AND STUFF - DAY

Anakin, Padmé and the droids arrive on Geonosis unseen.
They fly into some hole with steam in it and land on a
platform that just happens to be there.
They get out and open a CG door that goes through
Anakin's head - just like Darth Vader walked with his
head through a shuttle in Return of the Jedi.

GEORGE LUCAS

Blooper! Blooper!
No wait!!! Homage! Homage!

INT. GEONOSIS, CG CORRIDOR - DAY

Anakin and Padmé are walking through a corridor. Behind
them the walls start to pulsate. CG cartoon aliens
detach themselves from the wall, like the Clay People
from an old Flash Gordon episode.

GEORGE LUCAS

Homag...oh whatever. Carry on!

The aliens walk behind them, making silly noises that
even a deaf person could hear. Anakin and Padmé don't
notice anything untill the cartoon characters are right
behind them!

Anakin starts slashing them in half with his
lightsaber.

AUDIANCE

Violence! Violence!

INT. GEONOSIS, VIDEOGAME - DAY

Anakin and Padmé arrive on a ledge overlooking a massive
videogame taking place in the life-size action figure
factory.

The ledge starts retracting!

PADME

I have to use this CG rope to swing to safety, just like my children swing on a rope in A New Hope!

GEORGE LUCAS

No wait! I think i may be overdoing this homage thing. Let's just cut that.

AUDIANCE

Phew!

A videogame follows.

C-3PO and R2-D2 have followed their masters and are bickering like two old friends, even if they're only on their first adventure together.

R2 has had enough of this crap and pushes C-3PO into the factory. C-3PO gets his head swapped. Now he has his head on the body of a battledroid and his body has the head of a battledroid.

C-3PO

I'm gay.

GEORGE LUCAS

Isn't this great? I'm so funny!

AUDIANCE

Nooooo!!!!

Anakin does some fake jumps untill he gets his arm trapped in a machine.

ANAKIN

I'll just wait here untill the others have finished their scenes.

R2-D2 can fly!

PADME

Hmm, that could change a lot of things in the Original Trilogy!

GEORGE LUCAS

Funny you should say that. In the Extra Special Edition...

AUDIANCE

Nooooo!!!!

Finally, it's game over and Anakin and Padmé are captured.

INT. SENATE - DAY

Yoda's CG brother and Sam Jackson watch the going ons in the senate.

JAR JAR

Mesa am stupid. Now maka da chansalar dictator.

GEORGE LUCAS

This is a symbolic representation of naive politicians...

AUDIANCE

Oh shut up!

The other senators cheer.

PALPATINE

Cool. I will now be a dictator and we will use this army and start a war.

Everybody in the senate loves this, which makes you wonder why the senate would ever not instantly agree with the creation of an army.

SAM JACKSON

It is done then. Palpatine now has complete control over the Galactic Republic, just like George Lucas has complete control over the Star Wars

PADME (CONT'D)
 senator and a diplomat? Shouldn't
 there have been a trial before they
 execute us?

ANAKIN
 Nah. Cutscenes are cool.

PADME
 I've been dying a little bit each day
 since i agreed to be in these prequel
 movies.
 I love you.

ANAKIN
 I don't get it.

PADME
 I can't explain it, because it isn't
 in the script, but i love you,
 Anakin.

ANAKIN
 No, i mean we are going to die and i
 didn't get any, and now you tell me
 you love me!!! That's a little late,
 bitch!

They kiss.

GEORGE LUCAS
 A tender moment. Time for some fun.

The silly cartoon alien in the front of the cart makes a
 silly noise and whips the silly animal in front of him.

EXT. ARENA - DAY

They are taken into an arena filled with cartoon aliens.
 Obi-Wan is chained to a pole. Anakin and Padmé are also
 chained to poles.

ANAKIN
 We decided to come and rescue you, but
 we got sucked into this videogame...

Three big, fake animals enter the arena, in a homage to
 Ray Harryhausen's work in fantasy movies.

GEORGE LUCAS
 Homa...no, let's just move on.

From a VIP box, Chris Lee, Jango, Boba and the aliens
 look on.

CHRIS LEE
 Three monsters? Is one not enough?
 Isn't this all a bit over the top?

GEORGE LUCAS

Look, i am the CREATOR, i am the master, i decide what i want in my movies! I now have the power, technology and money to do what i want. So if i want action sequence after action sequence, i'll do that. If i want three monsters instead of one, i'll do that. If i want to show off effect after effect, i'll do that! Got it?!! Geez!!!!

ANAKIN

I've got a bad feeling about this.

OBI-WAN

I've heard that line before...

PADME

I expect them to release us now, so we can try to fight the animals and provide entertainment for those cartoon aliens.

But no, they remain chained up.

ANAKIN

Shouldn't we use the Force to open these handcuffs?

OBI-WAN

No, we'll let those monsters do it. That looks cooler.

Padmé uses a pin to get free from one handcuff, but doesn't bother to open the other. She climbs on top of her phallus-like pole.

The animals attack and free the Jedi. Anakin does a fake Jedi jump.

A cat-like animal attacks Padmé - who is chained up on top of the phallus symbol - and rips off a piece of her outfit, exposing her yummy tummy.

GEORGE LUCAS

Yeah, baby, yeah!

PADME

Sicko.

Padmé does a fake jump and lands crotch-first behind Anakin on some alien bull without even flinching.

ANAKIN

Didn't that hurt?!

PADME

No, my high-tech intergalactic tampon
absorbed the impact!!

Obi-Wan jumps behind her.

EXT. ARENA VIP BOX - DAY

Sam Jackson appears not so suddenly in the box with
Chris Lee. He's holding Jango at bay with a PURPLE
lightsaber!
Around the arena, Jedi Knights with (blue and green)
lightsabers reveal themselves!!

AUDIANCE

Jedi with lightsabers! Cool! Surely
this cannot suck!

CHRIS LEE

Why do you get to have a purple
lightsaber?

SAM JACKSON

Because i'm Sam Jackson and i asked
Lucas.

The Jedi fight special effects in the form of cartoon
droids and aliens.
The aliens fire with ray-guns, like the ray-guns used in
the old Flash Gordon serials.

GEORGE LUCAS

Homa..

AUDIANCE

We know! We know!

Many Jedi fight in the Ancient Style Of The Old Woman:
like crap.

PADME

I think it's time for a funny line.

ANAKIN

Hahahaha! Wait, there is more!!

Indeed, there is more funny stuff coming our way. Two
C-3PO's enter the arena: One with his head on the body
of a battledroid, the other with the battledroid head on
his body.

GEORGE LUCAS

This fighting and dying and stuff is
getting too serious. Time for some
slapstick comedy!

AUDIANCE

No, Lucas, no!! Don't, nooooo!!!!

C-3PO

I'm still gay.

AUDIANCE

This sucks!

A CG Jedi master and council member - obviously a highly trained warrior - jumps into the VIP-box to attack Christopher Lee.

Jango fires at the Jedi with his blaster and hits him - obviously the council member master had also studied the Style Of The Old Woman.

The CG Jedi then miraculously lifts up in the air and falls over the ledge, which would have otherwise prevented him from falling down.

AUDIANCE

What the...

GEORGE LUCAS

And now for the cool part...

Jango twirls his blaster and puts it back in the holster.

AUDIANCE

Oh yeah, that was cool.

Jango decides his character has lived long enough and - instead of just shooting him from the VIP box - flies down into the arena to attack Sam Jackson. Obviously, Sam is cooler and he chops off Jango's head.

OBI-WAN

Hé, that's not fair! I should have finished off Jango! We were going at each other throughout the movie and now i'm not allowed to complete this story-arc!

SAM JACKSON

That's because i'm Sam Jackson and i'm cooler than you.

INT. LONDON, RECORDING STUDIO - DAY

In London, the brave John Williams leads his orchestra to new hights and fights relentlessly to protect the score and his honor.

It is hopeless. Led by George Lucas himself a squad of SuperBattleCartoons bursts into the recording studio and blows the score to pieces.

JOHN WILLIAMS

I'm hit! Aaaaaaaaarch!!!!!!!!!!!!

EXT. ARENA - DAY

This has gone on long enough. We still have many more effects to see. Now the few surviving Jedi are surrounded by hords of cartoons.

ANAKIN

We're losing this, they even blew up the score!

GEORGE LUCAS

No, no! We didn't score anything for these battle scenes, because they were still in an early stage of development when the score was done!

ANAKIN

So? How many years did you have to think about these battle scenes?! That's weak!

OBI-WAN

We've got to get out of here!

SAM JACKSON

But how?

OBI-WAN

We can be picked up by the transports that brought you here!

SAM JACKSON

What transports?

OBI-WAN

Then how did you get here?

SAM JACKSON

We beamed in.

OBI-WAN

What?!! More Star Trek stuff?

SAM JACKSON

No, just kidding. We got here because the script said so.

GEORGE LUCAS

About that Star Trek stuff - during the battle that follows...

AUDIANCE

Nooooo!!!!

But wait! The Jedi are rescued by transports!!!

PADME

Look! Helicopters!!

CG clonetroopers, led by Yoda's CG Brother, rescue the group.

On the terrain outside the arena, huge Star Destroyer like ships land.

6-legged CG walkers, CG clonetroopers, and CG helicopters start fighting CG droids on a CG battleground around CG ships.

INT. GEONOSIS, CG WARROOM - DAY

Christopher Lee enters the warroom where cartoons observe the action on a holographic display. The holograms are big enough for the audience to make out from a distance, so it's impossible for the characters to actually see a tactical display of the entire battlefield.

CHRIS LEE

How is this possible? Where did they get all that military hardware? The only thing we saw in this movie was were the clones came from!

EPISODE 1 ALIEN

(fake Japanese accent)

Perhaps the script created them!!

CHRIS LEE

My master will not let them get away with this!

EPISODE 1 ALIEN

(fake Japanese accent)

What, you have a master? Wait, you're not a Sith lord, are you?! They betrayed us in the previous episode! You said so yourself! Darth Sidious is not your master is he?!

CHRIS LEE

Whoops.

CARTOON ALIEN

Here are the plans for our secret ultimate weapon. We kept it here on display for everyone to see.

AUDIANCE

Hé, it's the Death Star!

GEORGE LUCAS

Homage! Homage!

CARTOON ALIEN

Cool, huh?

CHRIS LEE

Actually, no, it's not. You see, in the Original Trilogy the Death Star was the ultimate weapon of the tyrannical Empire - the ultimate symbol of it's technological and military might and it's arrogance - as displayed in Tarkin's confidence that nothing could destroy it - only to have it then destroyed by a single person in a small fighter. It was individual and faith versus mass technology and oppression. Now it's just a weapon designed by silly aliens who are in it for a profit. Now it simply fell in the hands of the bad guy... All just to have a cameo from the Original Trilogy in an attempt to win back the old fans!

GEORGE LUCAS

It's working! It's working!

CG EXPOSITION TROOPER
Good idea. That bitch Captain Janeway
might be on board.

EXT. GEONOSIS, BATTLEFIELD - DAY

CG tanks open fire with their PHASERS on a FEDERATION
STARSHIP.

GEORGE LUCAS
No, actually, this is a homage to old
Godzilla movies, where they used
similar tracked cannons with energy
beams against a larger opponent!

AUDIANCE
Whatever.

Lucas continues to play with his digital toys.

GEORGE LUCAS
Look! A quick digital zoom!
Hold on! Shaky cam!! whoohoo!!

In their helicopter, our heroes spot someone familiar.

OBI-WAN
Look, over there! It's Christopher Lee
on a scooter!

ANAKIN
Damn, that looks stupid!

PADME

OBI-WAN

No, you must learn a lesson. What would she do?

ANAKIN

She would try to get out from under her contract.

They fly on.

On the ground, the copy-and-paste trooper approaches Padmé.

PADME

Aaaarch!!! All my bones are broken!
I'm going to die!!

COPY-AND-PASTE TROOPER

Are you ok?

Padmé jumps up.

PADME

Yeah, sure.

COPY-AND-PASTE TROOPER

That was ridiculous!!

PADME

Don't worry! It will get fixed in the DVD version, which will be treated as the only version that ever existed!

GEORGE LUCAS

Untill we make another improved version!

PADME

We've got to go to that hangar!!

COPY-AND-PASTE TROOPER

What hangar?

PADME

The hangar over there, the one we can't possibly see, behind those hills. Christopher Lee is going there!

COPY-AND-PASTE TROOPER

How do you know?

PADME

It's in the script.

EXT. GEONOSIS, CG COMMAND CENTER PLATFORM - DAY

Yoda's CG Brother continues to direct the battle.

YODA'S CG BROTHER

Christopher Lee shoots blue lightning from his hand!!!

ANAKIN

That's not fair! Only the emperor in ROTJ should be able to do that! He was supposed to be the main bad guy with special powers!

CHRIS LEE

Harharhar! Never underestimate the power of recycling stuff from the Original Trilogy!!!

GEORGE LUCAS

It's working! It's working!

Anakin is out for a moment. Christopher Lee shoots blue lightning at Obi-Wan!

CHRIS LEE

Harharhar! I'm better than you!

Obi-Wan absorbs the lightning with his lightsaber!

OBI-WAN

Perhaps i should teach this trick to a future apprentice, in case he ever faces a Sith Lord and wants to throw his lightsaber away!
Or not.

A lame lightsaber fight follows.

OBI-WAN

You fight like an old man, Christopher Lee!

CHRIS LEE

So do you!

Christopher Lee beats Obi-Wan.

CHRIS LEE

Harharhar! I'm better than you!

He is about to kill Obi-Wan - and destroy the franchise

-

- when Anakin fake-jumps in between them and blocks Christopher Lee's saber with his own!!

CHRIS LEE (CONT'D)

That's brave of you boy, but foolish.
This franchise is not worth saving.

ANAKIN

No, Obi-Wan still has to turn up in more episodes!!

Anakin fights Chris Lee with two lightsabers for a few seconds, but quickly loses one of them!

OBI-WAN

That was weak.

CHRIS LEE

Harharhar! I'm better than you!

Anakin cuts a cable and the lights go out. The glow of the lightsabers reflects on their faces...

CHRIS LEE

What's going on?

GEORGE LUCAS

This is art!

Anakin has had enough and holds out his arm so Chris Lee can cut it off.

Chris Lee cuts off Anakin's arm and Force-Throws Anakin aside!!!

CHRIS LEE

Harharhar! I'm better than you!

OBI-WAN

Christopher Lee, you have just literally thrown the main character aside! Why did you do that?

CHRIS LEE

Ask Lucas.

GEORGE LUCAS

It's so that...

(drumroll)

we can have a pointless fight with Yoda's CG Brother!!!

Yoda's CG Brother enters the hangar.

CHRIS LEE

You have interfered with our plans for the last time.

YODA'S CG BROTHER

The previous times, when were??!!
By the way, my padawan, you once were,
Christopher Lee.

CHRIS LEE

So?

YODA'S CG BROTHER

Interesting, is that not?

CHRIS LEE

No. In fact, i believe 'padawan' isn't even a real word!

YODA'S CG BROTHER

Whatever.

Yoda's CG Brother takes a Kung-Fu stance! Fake stuff is Force-thrown around!

CHRIS LEE

Harharhar! I'm better than you!

Christopher Lee does his blue lightning trick again, but Yoda's CG Brother deflects and absorbs it!

YODA'S CG BROTHER

Many ridiculous things, you still have to learn.

CHRIS LEE

It is obvious this contest will not be decided by our knowledge of the Force, but by our skills with a lightsaber.

YODA'S CG BROTHER

Try a little more with the Force, we could!! Only just got started, we have! Oh, whatever.

Yoda's CG Brother grabs his mini-lightsaber, yells in a silly way and jumps up like Jar Jar and attacks Christopher Lee's stuntdouble!!!
An awesome display of ridiculous action follows as Yoda's CG Brother demonstrates just how many stupid things you can do with digital technology!

GEORGE LUCAS

Look, i know this is all a big joke, but who cares? Star Wars has become a joke and i don't care anymore. So why should you?

The fight suddenly ends as the effects budget is almost used up.

YODA'S CG BROTHER

Fought well, you have.

CHRIS LEE

What? I just stood here while you wasted all you energy by twirling and bouncing around like a silly videogame character!!

YODA'S CG BROTHER

Whatever. Stand here, i will now, while you use the Force to distract me
(MORE)

YODA'S CG BROTHER (CONT'D)
and run away. Swing at you, with my
lightsaber, i will not.

While Yoda's CG Brother just stands there, Christopher

YODA'S CG BROTHER (CONT'D)

Herculoids; Detour (1945); etcetera...
I sense much...
Mean, does this anything?
Or simply try to enjoy what is
presented to us, we should?
A mystery, this is.

SAM JACKSON

Either way, i think we should keep a
closer eye on George Lucas from now
on.
Now kids, did we learn any lessons
from this episode?

OBI-WAN

Yes. I learned that Yoda's CG Brother
was Christopher Lee's master. Also
Qui-Gon Jinn from Episode 1 was
Christopher Lee's apprentice, just
like i was Qui-Gon's apprentice. And
Anakin is my apprentice!
Since Christopher Lee was once a Jedi
but still somehow turned to the Dark
Side and Yoda's CG Brother fights like
an idiot, it is clear that Yoda's CG
Brother is not such a great master as

YODA'S CG BROTHER

No. Simply sounded dramatic, that line did.
Begun, the Clone War has.

OBI-WAN

Hé, you can't do that! You can't just name a war that has only just started! That's stupid!

YODA'S CG BROTHER

Looked, sounded and acted different in every Star Wars movie i have.
Earned the right to name wars i have.

EXT. CORUSCANT, MILITARY STAGING AREA, BALCONY - SUNSET

Palpatine, some aliens and Jimmy Smits oversee thousands of CG copy-and-paste troops entering CG star destroyer like ships.
Jimmy Smits balls up his hand and hits the balcony in frustration.

JIMMY SMITS

No, no, no!!!! I thought it would be great, starring in a Star Wars movie, but i hardly had any lines at all and nobody even mentioned my character's name! Oh, the horror!

EXT. ITALY, BALCONY - LATE AFTERNOON

Padmé and Anakin and C-3PO and R2-D2 are on a balcony with some kind of priest. They're getting married.

PADME

Woah, hold on! Where does this marriage come from?! I never said i wanted to get married! We never talked about this! Why are we getting married?!!

ANAKIN

Because it's in the script.

C-3PO and R2-D2 also get married.

C-3PO

We're gay.

Anakin and Padmé kiss each other, and then they kiss each other again...and again...and again...

GEORGE LUCAS

Isn't this romantic?

AUDIANCE

Get on with it!!!

GEORGE LUCAS

Please watch both the normal theatrical version and the digital version. You'll notice some subtle differences!

AUDIANCE

We'll just wait for the DVD, thank you very much.

GEORGE LUCAS

That's another different version.

EXT. SKYWALKER RANCH, PARKING LOT - EVENING

An expensive car drives into the highly guarded parking lot of Skywalker Ranch, George Lucas' mighty headquarters.

The car is parked and an overweight guy gets out. It is RICK McCALLUM, the producer.

Rick approaches a bearded man dressed in a flannel shirt. Rick bows before his master.

RICK MCCALLUM

I bring you good news, master Lucas. The movie is finished.

GEORGE LUCAS

Excellent. Everything is going as planned, except for all the stuff i changed in post-production.

RICK MCCALLUM

You have created a masterpiece, my lord.

GEORGE LUCAS

This time no force in the universe will be able to stop us! At last the critics will love me, at last i will have my revenge!

PETER JACKSON

Sorry, but i made this epic film adaptation of Lord of the Rings and i'm getting all the awards.

GEORGE LUCAS

Damn! Aah, it doesn't matter! At least we will rule the box office! No other franchise will ever come close!!
MWUHAHAHAHAHAHA!!!

SPIDERMAN

I don't think so, suckers.

RICK MCCALLUM

Huh, what happened? We always ruled
the box office! It was meant to be
that way! What's going on?

GEORGE LUCAS

How can this be?

YODA'S CG BROTHER

A mystery, this is NOT.

- The End -
