This is a humour rewrite of the Star Wars Prequels!  
Don't take this seriously! I didn't!

These are the first 3 episodes of six episodes which make up the entire CRAPTACULAR SAGA!!!

The other 3 episodes are Rewrites of the Original Trilogy. Those have been rewritten to 'tie into' the Prequels...from a certain point of view...

The set-up of those rewrites is a bit different than the prequel rewrites, which are more 'critical-funny'.

The OT rewrites are more 'silly-funny'...and shorter.

They have received critical acclaim by fans on Star Wars message-boards!!!!

This Prequel Craptacular Trilogy (or CRAPUELS) is pretty long, more than 100 pages. I just couldn't stop, and it's an easy read.

So don't worry and hang in there!

**With exciting characters like:**

Obi-Wan Kenobi  
Qui-Gon Jinn  
Anakiddie Skywalker  
Queen PetMe ImADalek Of Nabooty  
Jar Jar Stinks  
Shmut Skywalker  
Boss Nass  
Captain Obvious  
Captain Boring  
Captain Pointless  
Sio Biblical  
Fake Aliens  
Cartoon characters  
Darth Silent  
ROTJ Emperor  
Supreme Chancellor Valium  
Senator E.T.  
Samuel L. Jackson  
Conehead

FADE IN:

EXT. SPACE

A vast sea of stars serves as the background for the title  
and the roll-up, which crawls into infinity; the empty void  
where this movie was created...

STAR WARS

EPISODE I

THE PERILS OF QUEEN IMADALEK OF NABOOTY  
(TPOQION)

The galaxy is in turmoil. The Galactic Senate has put a tax  
on trade-routes and the greedy Licensing Federation has  
blockaded the planet Nabooty.

Sounds boring, but maybe we can fit some lightsaber action in  
there somewhere.

While everybody debates this alarming chain of events, the  
Supreme Chancellor has secretly dispatched two Jedi Knights,  
guardians of bad taste in the Galaxy, to debate this alarming  
chain of events...

PAN DOWN

Through a vast sea of stars to reveal nothing very exciting.  
Just some spaceships.

INT. FEDERATION SHIP, CONFERENCE ROOM

Two Jedi Knights are led into a conference room by a protocol  
droid - NOT C-3PO.

OBI-WAN

I've got a bad feeling about this.

QUI-GON

It's just a conference room. You'll  
have to get used to conference  
rooms in this Trilogy, Obi-Wan.

(CONTINUED)

OBI-WAN

Not about this room, master. It's something else...more digital. Floppy eared...with a silly voice...

QUI-GON

Don't worry. George Lucas will not let us down after all these years.

OBI-WAN

But Master Yoda says I should be mindful of overuse of CGI.

QUI-GON

Yoda didn't train you. I did.

OBI-WAN

Isn't that inconsistent?

QUI-GON

No. Yoda instructed you, remember? He simply gave you some instructions at some point.

OBI-WAN

That's a bit weak.

QUI-GON

Get used to it.

OBI-WAN

Do you think this Licensing guy will agree with the Chancellor's demands?

QUI-GON

I don't know. I haven't got the faintest idea what the hell is going on. Something with taxes or something?

INT. FEDERATION SHIP, BRIDGE

On the bridge a bunch of aliens and CG droids are creating turmoil for the galaxy.

ROTJ EMPEROR

(hologram)

Kill those Jedi, and invade Nabooty. I will make it legal.

FAKE ALIEN #1

(insulting accent)

Won't anyone come looking for the Jedi? And how can you make an invasion legal?

(CONTINUED)

ROTJ EMPEROR

Silence! I will deal with any plot-holes myself!

INT. FEDERATION SHIP, CONFERENCE ROOM

Obi and Qui are drinking.

OBI-WAN

I hope they won't try to kill us. These drinks could have been poisoned!

QUI-GON

Those guys are cowards, and besides, this is just a trivial trade dispute. Nothing serious.

OBI-WAN

Then why is the galaxy in turmoil and why is the Senate endlessly debating this alarming chain of events?

QUI-GON

You talk too much, Obi-Wan. From now on you will let me do most of the talking, and you will stay off screen most of the time, my inexperienced apprentice!

OBI-WAN

Yes, master...

Then turmoil engulfs the scene! The Jedi start kicking CG droid booty with their glowing sticks!

OBI-WAN (cont'd)

Aha! The good stuff!

CG DROID

Roger, roger!

OBI-WAN

Who?

INT. FEDERATION SHIP, BRIDGE

The Federation guys receive a message from Queen ImADalek of Nabooty herself.

FAKE ALIEN #1

At last Queen ImADalek herself speaks to us. You look like a clown, Your Highness.

(CONTINUED)

QUEEN IMADALEK

I have only instigated this booty-call to inform you that this blockade will end now. Senator Palpatine says so.

FAKE ALIEN #1

Palpatine? Wasn't that the name of the evil Emperor in the Original Trilogy? That's the guy we've been talking to! We figured that secret out fast!

QUEEN IMADALEK

Whatever. I will never agree to your demands, even if you spank my booty all night long.

FAKE ALIEN #1

Fine, we won't try that then.

QUEEN IMADALEK

No, it's okay to try. You can always try!

FAKE ALIEN #1

Oh, come on. We only want the merchandizing rights to your franchise.

QUEEN IMADALEK

I will never allow you to take over our action figure business. There isn't a fiber in my tight booty that would even consider it!

INT. FEDERATION SHIP, HALLWAY

Obi and Qui encounter transforming droids!

OBI-WAN

Transformers!

QUI-GON

There is more than meets the eye to this conflict!

INT. FEDERATION SHIP, HANGAR

Obi and Qui watch thousands of CG droids getting put in transports.

QUI-GON

It's a digital army. We must warn the **Model Makers Of Nabooty**.

(CONTINUED)

OBI-WAN  
You were right about one thing,  
master. Lucas has not let us down!

QUI-GON  
(forboding)  
Not yet...

They stow away on the ships that are going to invade Nabooty.

EXT. NABOOTY, SWAMP - DAY

Once on the planet's surface, Qui and Obi meet a digital,  
floppy eared alien with a silly voice.

QUI-GON  
Your instincts have served you  
well, Obi-Wan.

JAR JAR  
Hellodioo!

Obi-Wan, disgusted by this horrible thing, whips out his  
glowing stick and CUTS the creature in half!

OBI-WAN  
I've always wanted to do that!

But oh dear...the creature is digital, and is soon cut-and-  
pasted back together.

OBI-WAN (cont'd)  
What is this digital menace?

JAR JAR  
Mesa am Jar Jar Stinks. Mesa am  
annoying!

OBI-WAN  
Master, this thing looks and acts  
like a cross between Daffy Duck and  
Goofy. What's it doing in a Star  
Wars movie?

QUI-GON  
We must get to the bottom of this  
mystery.

JAR JAR  
Bottom youssa say? Follow me!

Jar Jar leads them to the bottom of a lake, where they find  
an underwater city.

INT. CG UNDERWATER CITY

Obi, Qui, and Jar are brought before more silly CG aliens: the Dungans. They meet Boss Nass. Nass means 'wet' in German, and Boss Nass lives under water, which is wet, and he spits a lot, so he's wet, so that's pretty funny.

QUI-GON

No, it's not.

BOSS NASS

Youssa suck.

QUI-GON

How do you know that? Have we met before?!

OBI-WAN

The Dungans and the Nabooties form a symbiotic circle. Whatever happens to one affects the other. You must work together and stuff.

BOSS NASS

Wasse this? Unne After School Special?!

QUI-GON

Yes Obi-Wan, really! Just cut the 'important message' stuff. It's annoying.

BOSS NASS

Wesa no like da Nabooty. They think their booties are so fine.

QUI-GON

I'll just do a mindtrick.

OBI-WAN

What's a mindtrick?

QUI-GON

Wait three episodes and you'll find out.

The mindtrick works, and the three guys are on their way through the planet's core!

INT. SUB (UNDERWATER)

The three heroes navigate the salty seas.

OBI-WAN

Why did we bring Jar Jar with us? He sucks!

(CONTINUED)

QUI-GON

He could be important for the plot later.

OBI-WAN

I seriously doubt that!

QUI-GON

The Force will lead us to the next scenes.

JAR JAR

Wasse is da Force anyways?

QUI-GON

Wait three episodes and Obi-Wan will tell us.

Oh no! The sub is attacked by a monster!  
Then the monster is attacked by another monster!  
Then another monster attacks the sub!  
Then that monster is attacked by the second monster!

QUI-GON (cont'd)

There's always room for more pointless digital effects.

EXT. NABOOTY, THONG CITY, PALACE - DAY

The Licensing Federation has taken over Thong City, the capital of Nabooty!

INT. NABOOTY PALACE - DAY

Queen ImADalek and her naughty handmaidens and guards are captured!

QUEEN IMADALEK

Captain Boring! You have failed to protect me! Your booty must be spanked!

HANDMAIDENS

Yes! Yes! Spank him! Spank him!

CAPTAIN BORING

I should have never agreed to work for these Nabooty freaks...

FAKE ALIEN #1

Now you will sign a treaty that will make all this legal, and you will hand your action figure empire over to us!

(CONTINUED)

QUEEN IMADALEK

You would have to savagely abuse me  
and my handmaidens to achieve that!

FAKE ALIEN #1

We can't do that! You are underage.

QUEEN IMADALEK

I'm fourteen. That's old enough in  
many places.

FAKE ALIEN #1

But not to show it on screen. It's  
illegal.

QUEEN IMADALEK

I will make it legal. I am the  
queen after all.

FAKE ALIEN #1

No, really, we can't.

QUEEN IMADALEK

We can pretend I'm a petite  
eighteen year old.

FAKE ALIEN #1

No, seriously. Stop it. You'll get  
us in trouble!

QUEEN IMADALEK

Come on! You can tackle us single  
handedly!

HANDMAIDENS

Yes! Yes! Let him tackle us single  
handedly!

FAKE ALIEN #1

No way. This movie is for all ages.

QUEEN IMADALEK

Ah, sith!

Deprived of booty action, the Nabooty queen and her entourage  
are led away by CG droids.

EXT. NABOOTY, THONG CITY, PALACE - DAY

Qui and Obi attack the CG droids and cut them in half!  
The queen and her friends are safe!

JAR JAR

Muy, muy, wesa have seen da droid-  
cutting before in earlier scenes!

(CONTINUED)

QUEEN IMADALEK

Wow! Those Jedi sure know how to handle their sabers! Our booties may get lucky!

HANDMAIDENS

Hurray!!

QUI-GON

Be mindful of the here and now, Obi-Wan. These Nabooty girls are naughty. I sense they may want to get freaky with us.

OBI-WAN

So?

QUI-GON

You can't let that happen. It is not the way of the Jedi.

OBI-WAN

Now you tell me!

QUI-GON

Make sure to tell this to any future apprentice of yours. Should a Jedi apprentice be seduced by the **Power Of Booty** the galaxy will be drenched in evil!

OBI-WAN

I'll remember, but is it okay to pinch their booties?

QUI-GON

Yes, that is the traditional Nabooty greeting.

Obi-Wan pinches Captain Boring's booty.

CAPTAIN BORING

I knew it.

QUEEN IMADALEK

Oh brave Jedi Knights, we are grateful and turned on! I am Queen ImADalek of Nabooty, and these are my **Naughty Royal Handmaidens**: PetMé, UseMé, SpankMé, SlapMé, HurtMé, WhipMé, ChokeMé, DoMé, and Ginger. Whatever your plans are, their services are at your disposal, day and night, for only 19 Republic Credits 95 a month, for both dial-up and broad-band connections.

(CONTINUED)

QUI-GON

We are honored to serve and protect you, Your Highness.

QUEEN IMADALEK

Excellent. I expect you to throw yourself at me and cover me with your big, masculine body.

QUI-GON

Should anything dangerous happen, I will.

QUEEN IMADALEK

No, I just expect you to throw yourself at me and cover me with your big, masculine body! Screw danger!

SIO BIBLICAL

I guess the negotiations have failed.

QUI-GON

What negotiations? I thought we were sent here to settle the conflict, not to negotiate!

SIO BIBLICAL

Go to the CG capital, my Bootyliscious Queen. I will handle things here.

QUEEN IMADALEK

How? They're probably just going to execute you. Oh well...

Remarkably, and to Qui-Gon's surprise, ImADalek seems unsure what to do in this time of crisis...hmm... She turns to PetMÉ, her most boring handmaiden, seeking advice.

PETME

We are horny, Your Bootylisciousness.

QUEEN IMADALEK

You're right. We must leave and somehow get some booty-action.

INT. NABOOTY PALACE, HANGAR - DAY

Qui-Gon and the others enter the hangar, where the queen's ship is parked. A bunch of pilots is being guarded by CG droids.

(CONTINUED)

OBI-WAN

That ship looks like a spy plane  
from a galaxy not so far away, from  
a time not so long ago...

CG DROID

Stop. Do. You. Wish. To. Engage.  
In. Stilted. Dialogue. Question.  
Mark.

QUI-GON

I'm taking these people to  
Metropolis, our CG capital.

CG DROID

Where. Are. You. Taking. Them.  
Question. Mark.

QUI-GON

To Metropolis. I just said that.  
Pay attention, stupid!

CG DROID

Uhm. Metropolis. Not. Coruscant.  
That. Does. Not. Compute. Uhm. You.  
Are. Under. Arrest. Exclamation.  
Mark.

The CG droid looks around, but the place is empty (except for some droids that have been cut in half - again). Our heroes have already flown away in their SR-71 Nabooty Star Cruiser.

EXT. SPACE

The SR-71 Nabooty Star Cruiser speeds away from Nabooty!

INT. SR-71, COCKPIT

Captain Obvious pilots the ship straight towards a bunch of Licensing Federation ships.

QUI-GON

Are you stupid? You can fly  
anywhere, and instead of flying  
through a piece of empty space,  
you're heading straight towards  
those ships!

CAPTAIN OBVIOUS

And look, there are the laserbeams!

The ship is hit by laserbeams!

OBI-WAN

We're losing fans fast!

(CONTINUED)

Then the shields are fixed.

CAPTAIN OBVIOUS  
And look, that little droid did it!

They're safe!

CAPTAIN OBVIOUS (cont'd)  
And look, the hyperdrive is  
leaking!

QUI-GON  
We can go to Tatooine. I know it  
well. I have seen it many times in  
the Original Trilogy.

OBI-WAN  
Can't we go to some totally new and  
interesting location? Tatooine is  
so unoriginal.

QUI-GON  
Get used to it.

CAPTAIN BORING  
You can't take her Royal Booty to  
Tatooine! The gangsters who live  
there could enslave her and do  
wicked, depraved things to her and  
her handmaidens!

QUEEN IMADALEK (O.S.)  
Full speed to Tatooine!!!

INT. SR-71, MAIN ROOM

Queen ImADalek sits on her throne. Captain Boring and the  
Jedi and the handmaidens stand around the place. A familiar  
looking droid is also present.

CAPTAIN BORING  
An extremely well put together  
little droid.

QUEEN IMADALEK  
What's your name?

Artoo whistles.

CAPTAIN BORING  
He can only speak in beeps and  
whistles.

QUEEN IMADALEK  
The same way your men speak to my  
handmaidens.

(CONTINUED)

Captain Boring checks the droid's serial-number.

CAPTAIN BORING  
It's name is Artoo-Detoo (R2-D2).

QUEEN IMADALEK  
Sounds familiar. Are you the same  
R2-D2 who was in the Original  
Trilogy?

Artoo beeps 'yes'.

QUEEN IMADALEK (cont'd)  
What a coincidence!  
PetMe, you boring bitch, be a good  
servant and clean this droid. Spit-  
shine his knobs and wipe him clean  
by rubbing your booty furiously  
against him.

PetMe, the most inexperienced and boring of the Naughty Royal  
Handmaidens, moves forward with a submissive expression on  
her face.

PETME  
Yes, my mistress.

PetMe and Artoo go away to get some privacy.

QUI-GON  
Now that your most boring  
handmaiden has left the room  
perhaps we can get down to  
business.

QUEEN IMADALEK  
I thought you'd never say that!  
Handmaidens: Music!

Music starts playing and the remaining handmaidens start  
gyrating their booties and bouncing up and down to the  
hypnotic tune.

QUEEN IMADALEK (cont'd)  
Yeah baby, yeah! Shake that booty!  
Booty! Shake ya booty!

Just as the girls start taking off their clothes, Qui-Gon  
uses the **Awesome Power Of The Force** to stop the music!

QUI-GON  
In the name of all that is holy,  
please stop! We Jedi must not be  
seduced by the Power of Booty!  
Control your sensual teenage girls  
before all is lost!

(CONTINUED)

OBI-WAN

Too late!

Obi-Wan throws himself onto Captain Boring.

QUI-GON

Down, boy! Down!

Obi-Wan relaxes.

CAPTAIN BORING

Phew. That was close.

QUI-GON

Now that we have successfully withstood the **Seduction Of Booty** we can concentrate our powers on this merchandizing crisis. We're going to Tatooine.

QUEEN IMADALEK

What's Tatooine like?

QUI-GON

Haven't you seen the Original Trilogy?

QUEEN IMADALEK

Oh yes, of course. The ones with that green alien that tried to shoot that guy, and then horribly missed, and then got shot himself.

QUI-GON

No. I mean the ORIGINAL original Trilogy. The ones where the alien didn't get a chance to shoot first.

QUEEN IMADALEK

How many versions of this fabled Trilogy exist, oh wise Master Jedi?

QUI-GON

How many alternate universes are there in this multiverse of ours?

QUEEN IMADALEK

An infinite number perhaps.

QUI-GON

Then you have your answer...

INT. SR-71, ANOTHER ROOM

PetMe is cleaning Artoo when Jar Jar scares the bejeezus out of her!

(CONTINUED)

JAR JAR

Booo!!!

PETME

Aaah!! Are you a Dungan?

JAR JAR

Yes, of course. Stupid girl. Youssa live on Nabooty and youssa don't even know was unne Dungan looks like?!

PETME

How did you get here?

JAR JAR

Funny story. Mesa was scrounging for some mushrooms and boomsa! Da Jedi and da CG droids runna me over!

PETME

You got any of those mushrooms with you? Can I have some?

JAR JAR

Sure thinga! Why elsa do youssa think mesa talka so weirdo?

The trip to Tatooine and pure bliss continues...

INT. FEDERATION SHIP, BRIDGE

Meanwhile the Licensing Federation guys are discussing the alarming chain of events with the holographic guy from an earlier scene.

FAKE ALIEN #1

The queen is gone! Her booty is firmer than we thought!

ROTJ EMPEROR

Not for a mysterious evil guy with a red glowing stick.

A new figure enters the hologram.

ROTJ EMPEROR (cont'd)

This is Lord Silent. He will find your missing ship.

FAKE ALIEN #1

How are you, mister Silent?

DARTH SILENT

...

(CONTINUED)

FAKE ALIEN #1

Uhm...

ROTJ EMPEROR

Lord Silent is silent, but deadly.

The hologram fades.

FAKE ALIEN #1

Now there are two of them!

FAKE ALIEN #2

We should have just spanked those  
teen girls.

EXT. TATOOINE, DESERT - DAY

The SR-71 Nabooty Star Cruiser lands on Tatooine.

INT. SR-71, ENGINE ROOM

Qui-Gon checks on Obi-Wan, who is fiddling with the  
Hyperdrive.

OBI-WAN

The Hyperdrive is leaking. We need  
a new one.

QUI-GON

This should make the plot more  
interesting.

OBI-WAN

Be mindful, I sense a disturbance.

QUI-GON

Is it the Dark Side?

OBI-WAN

No, it's disturbing that our quest  
for a space-ship part will take up  
a big portion of the first Star  
Wars movie in many years!

QUI-GON

Get used to it.

OBI-WAN

So I'll go with you on an adventure  
then?

QUI-GON

No, I'm the star. Get used to it.  
Besides, you have to stay here and  
protect the queen and her  
handmaidens.

(CONTINUED)

They are all luscious, ludicrously attractive, scantily clad, bisexual virgin girls in the ages 14 to 16; blossoming like wild flowers; flying through the rocky years of puberty at the speed of light; craving attention and booty-action. Protect them with all you've got. Throw your body on top of them if you have to. Stay awake and vigilant. The hours will be long and the mission will be hard, but you must persevere and never let down your guard. If they try anything that could endanger the mission, be sure to give them a proper spanking. That is their tradition. This is a great responsibility, Obi-Wan. Obi-Wan? Obi-Wan?!

Obi-Wan lies passed-out on the floor.

EXT. TATOOINE, DESERT - DAY

Qui-Gon, Jar Jar, and Artoo set out towards a settlement. Captain Boring and PetMe stop them.

CAPTAIN BORING

Wait! Her Royal Booty commands that this boring and stiff handmaiden comes with you. She is interested in the mating habits of the local population. Besides, PetMe was spoiling the atmosphere on board the ship with her monotone whining.

QUI-GON

This is a bad idea. The aliens out there are weird and dangerous.

PETME

Don't worry. I like tentacle porn.

JAR JAR

Dissen suns do murder to da skin. Mesa am gonna die!

QUI-GON

That's the plan.

EXT. TATOOINE, TUNESIA - DAY

The group arrives in a town.

QUI-GON

Cut-Scene Farmers and some Original Trilogy tribes for the most part.

(CONTINUED)

Places like these are a save-haven  
for those who don't want to be  
found.

PETME

Why don't they just hide in a  
deleted scene?

They enter a used parts shop.

INT. WATTO'S SHOP

Watto, a flying CG alien, greets the new visitors.

WATTO

How can I be of service to the  
plot?

QUI-GON

I need an ultra-super-duper-  
sophisticated-modern-high-tech  
hyperdrive engine.

WATTO

I think I've got one outside  
rusting in the suns, together with  
the other junk. And I'm the only  
one who has the parts you need!

PETME

Wow. This is the first shop we  
check out, and this is the only one  
who has what we need. What a  
coincidence!

While Watto and Qui-Gon go outside, a young boy observes  
PetMe.

ANAKIDDIE

Are you dead?

PETME

Why do you say that?

ANAKIDDIE

You're so stiff and lifeless and  
boring.

PETME

You're a dirty little slave.

ANAKIDDIE

I'm an important character, and my  
name is Anakiddie!

PETME

I'm sorry, I'm new to all this. I'm  
only used to hanging out with

(CONTINUED)

luscious, ludicrously attractive,  
scantily clad, bisexual virgin  
girls in the ages 14 to 16, who  
blossom like wild flowers, and who  
fly through the rocky years of  
puberty at the speed of light,  
craving attention and booty-action.

ANAKIDDIE

Sounds wizard! Can I get some booty-  
action?

PETME

You're too young. Wait ten years  
and we'll see.

ANAKIDDIE

Damn.

Meanwhile Jar Jar tries some slapstick.

ANAKIDDIE (cont'd)

Give it up, dude. It requires  
talent.

EXT. WATTO'S SHOP - DAY

Qui-Gon and Watto haggle over the hyperdrive.

QUI-GON

I'll give you ten thousand Republic  
Credits.

WATTO

Republic Credits are no good out  
here. I need something more real,  
like local currency.  
Go to a bank or something and  
exchange it, then come back.

QUI-GON

That would be too difficult.  
(mindtricking)  
But Republic Credits will do fine.

WATTO

No, they won't! What are you doing?

QUI-GON

It's a mindtrick.

WATTO

What's that?

QUI-GON

It's explained in Episode 4.

(CONTINUED)

WATTO

Whatever. Those kinds of things don't work on Toydarrians like me.

QUI-GON

I thought they only didn't work on strong-minded individuals. I guess you learn something new every day.

WATTO

Whatever. Only toy sales figures work with Toydarrians.

Unable to strike a deal, Qui-Gon and the others leave.

WATTO (cont'd)

What a bunch of idiots. They need a better writer.

ANAKIDDIE

The girl was nice.

(foreshadowing)

If only I could have her booty... the galaxy would never be the same again...

EXT. TATOOINE, TUNESIA - DAY

Qui-Gon contacts Obi-Wan to see if they've got anything to trade.

OBI-WAN (V.O.)

Just some of the queen's wardrobe perhaps. Some whips and toys...

QUI-GON

That won't be enough.

OBI-WAN (V.O.)

What if we just sell all those nameless guards, pilots and handmaidens as slaves? It's not like they're doing anything.

QUI-GON

The plot may require them later in some action scenes near the end of the movie.

OBI-WAN (V.O.)

Then what are they doing here now, tagging along with the important characters?

QUI-GON

I don't know. Get used to it.

(CONTINUED)

OBI-WAN (V.O.)

Is there anything I can do? I am the legendary Obi-Wan Kenobi after all!

QUI-GON

No. I'm the star, remember? Get used to it.

Meanwhile Jar Jar gets into trouble with another CG alien! Anakiddie saves him!

QUI-GON (cont'd)

Stupid boy! We had almost gotten rid of that annoying character!

ANAKIDDIE

Come home with me. Sandstorms are very dangerous, plus it's been a while since I invited strange old guys over to my place.

INT. SKYWALKER HOME, MAIN ROOM - DAY

Anakiddie has invited the heroes over to his place, where they meet his mother: Shmut Skywalker.

SHMUT

Anakiddie! How many times have I told you: Do not invite strange old men over without my approval!

QUI-GON

You have a very special son. He gives without taking.

SHMUT

Well this time we're charging by the hour!

INT. SKYWALKER HOME, ANAKIDDIE'S ROOM - DAY

Anakiddie shows PetMe his bedroom and his droid.

ANAKIDDIE

I built my own droid. His name is See-Threepio (C-3PO).

PETME

That name sounds familiar. Are you the same C-3PO who was in the Original Trilogy?

C-3PO

Yes.

(CONTINUED)

PETME

What an amazing coincidence! So what are you doing in this episode?

C-3PO

Nothing really. I'm just here.

PETME

Oh, okay...

INT. SKYWALKER HOME, MAIN ROOM - EVENING

They're all having diner.

ANAKIDDIE

Are you a Jedi? Only a Jedi is stupid enough to use a glowing stick instead of something more effective like a blaster-repeater rifle.

QUI-GON

I see there is no kidding you. We are on a special super secret mission, but I guess we can tell you. After all, we don't really know you. We need some money so we can fly away and save the galaxy from evil.

SHMUT

Have you tried putting your glowing stick at Watto's throat and forcing him to give up the parts you need?

QUI-GON

No. That would be unethical.

PETME

I only see one solution. The naughty handmaidens must set up business near the spaceship docks and pleasure the needy space travelers for money.

QUI-GON

No. That would be immoral. If only I could bet a slave on a podrace...

ANAKIDDIE

I made the fastest podracer in the galaxy from spare parts and junk! I could fly it and you could bet on me!

SHMUT

Anakiddie, no! It's too dangerous!

(CONTINUED)

ANAKIDDIE

Please, mom. You always say that the biggest problem in this galaxy is that nobody helps each other. There is a lesson to be learnt here.

QUI-GON

Oh no, the After-School-Special stuff again...

SHMUT

Yeah, okay. My nine year old slave-son was meant to help a bunch of strangers earn some money, because he's a half-god or something.

PETME

Wow! That's stupid! You need help!

QUI-GON

I think we are all forgetting something important. This house is pretty small. We'll have to share rooms tonight. Who's going to sleep with who?

ANAKIDDIE

Can't you just go back to your ship? The sandstorm has died down!

QUI-GON

Shut up kid. I was thinking I could sleep with your mom. She's a bit worn out, but still acceptable.

Then Jar Jar sticks out his mighty long tongue to grab some food. Everybody is amazed.

PETME

You're sleeping with me tonight!!

SHMUT

You're sleeping with me tonight!!

PETME

I said it first!!

SHMUT

Damn.

JAR JAR

Muy, muy! Mesa gonna get lucky!

QUI-GON

Don't do that again. You make me feel inferior.

INT. SR-71, ANOTHER ROOM

Obi-Wan receives a call from Qui-Gon.

QUI-GON (V.O.)

Obi-Wan, I need a midichlorian count.

OBI-WAN

What's that?

QUI-GON (V.O.)

I'm not sure. It probably has something to do with the Force. Let's just do it. I have activated the **Ladyshave Of Transmission** and I'm sending the data to you.

OBI-WAN

How do I measure those midiwhattians?

QUI-GON (V.O.)

Every space ship has standard equipment to test for this kind of stuff.

OBI-WAN

That's very convenient. Okay...here it comes. Wow! That's a high count! What does it mean?

QUI-GON (V.O.)

I have absolutely no idea. First we have to figure out what those midichlorians are. If only we could track down the writer of this stuff...

EXT. METROPOLIS, SECRET EVIL PLACE - NIGHT

The ROTJ Emperor and Darth Silent discuss their strategy.

ROTJ EMPEROR

How are you going to find them?

DARTH SILENT

...

ROTJ EMPEROR

It's just us now. It's okay to talk. Don't be shy.

DARTH SILENT

Oh, okay. I will use the SSSTTT: the **Super Secret Sith Transmission Tracking Trick**.

(CONTINUED)

It involves an early draft,  
rewriting, and forgetting to fix it  
all. Possibly some delete scenes  
here and there as well.

ROTJ EMPEROR

Excellent. Nobody will notice. Kill  
the Jedi first, then go after the  
queen. Concentrate on her booty,  
she will not be able to resist.

DARTH SILENT

At last we will reveal our new  
merchandize to the fanboys, at last  
we will make another billion  
dollars!

EXT. TATOOINE, SKYWALKER HOME - MORNING

Anakiddie; Jar Jar; a tired, but satisfied PetMe; Artoo; and  
Threepio are working on Anakiddie's podracer.

JAR JAR

My tongue is numb...

PETME

(tired, but satisfied)

It was worth it.

Qui-Gon joins Shmut.

QUI-GON

Good morning, sleepy head. You were  
so tired after last night.

SHMUT

Do you love me now? Will you free  
me and take me away from here?

QUI-GON

Hell no!

SHMUT

Damn! They all say that!

QUI-GON

Who was Anakiddie's father?

SHMUT

I'm not sure. I was so drunk that  
night, and Watto had loaned me out  
to those space pirates...I have no  
idea what happened!

QUI-GON

Hmm, this could be mythological...

INT. SR-71, MAIN ROOM

Meanwhile, the people on board the Royal Nabooty Star Ship receive an urgent message from Sio Biblical.

SIO BIBLICAL (V.O.)

(hologram)

We need your help! The Licensing Federation is depriving us of booty-action. The frustration toll is catastrophic. You must contact us with a webcam and voice-chat, My Bootyliscious Queen!

QUEEN IMADALEK

Spank me silly and call me Bang-Bang! We must do something!

OBI-WAN

It's a trick. Do not respond. Do not dress up like a webcam girl and engage in virtual booty-action, or all may be lost.

EXT. TATOOINE, PODRACE PLACE - DAY

Everybody is preparing for the podrace.

ANAKIDDIE

This time I will not only finish a race, I will even win!

PETME

He's never even finished a race?! And we're betting on this kid?

QUI-GON

No, of course not. I'm betting AGAINST him. He's going to be splattered against a rock when this is over.

EXT. TATOOINE, PODRACE PLACE - LATER

Jabba the Hutt and Bib Fortuna are there to start the race.

PETME

Are you the same Jabba and Bib from the Original Trilogy?

BIB

Yes.

PETME

What a coincidence.

(CONTINUED)

JABBA

Hohoho! My cameo is a success!

SHMUT

I'm a bit concerned about Anakiddie's chances. There are many talented cartoon characters participating in this race.

TWO-HEADED CARTOON CHARACTER

And the race has started!

EXT. TATOOINE, PODRACE PLACE - 20 MINUTES LATER

The race is over. Anakiddie has won!

ANAKIDDIE

Hey! Wake up everybody! I've won!

QUI-GON

Oh, damn! I've lost!

Thankfully Qui-Gon let Jar Jar place the bet, and Jar Jar is a complete idiot, so he actually bet on Anakiddie winning the race, so they've won a lot of money after all!

QUI-GON (cont'd)

The Force is with us.

JAR JAR

More lika da luck.

QUI-GON

The Force, luck... It's all the same.

SHMUT

Oh, Anakiddie! You gave hope to those who have none!

PETME

Please! Nobody talks to their nine year old son like that! Get some help!

PetMe turns to Anakiddie.

PETME (cont'd)

Oh, Anakiddie! We owe you everything!

ANAKIDDIE

Can I play with your booty now?

PETME

No. It's too bad you're so young. If you were, say...

(CONTINUED)

fourteen, we could actually have some real chemistry. Now it's all pretty pointless and worthless.

ANAKIDDIE

Damn.

QUI-GON

Pack your things, Anakiddie. We're leaving. I placed a bet and now you're free. Your mother will have to stay here, because a pod is only worth one slave. I've also sold the pod, so your mom will have some money.

ANAKIDDIE

Can't we buy my mom's freedom with the money you got for the pod? After all, a pod is worth a slave.

QUI-GON

That would be too complicated. Let's just leave your mother behind and never look back. That is the way of the Jedi.

ANAKIDDIE

This is going to haunt me for the rest of my life, but okay. Bye mom! Bye Threepio!

PETME

Don't worry, Shmut! As soon as this crisis is over, we'll send someone over with some money to free you...unless we're too busy with booty-action of course.

INT. SR-71, ENGINE ROOM

Qui-Gon has delivered the new hyperdrive to Obi-Wan.

QUI-GON

Does it work?

OBI-WAN

No! It's the wrong one! We need a THX-1138 engine. The one you got is a DB-327!

QUI-GON

Oh, damn.

EXT. TATOOINE, DESERT

Many days and many bargains, deals, bets, mindtricks and discussions later, the correct hyperdrive is finally installed and Qui-Gon and Anakiddie are running towards the SR-71 Nabooty Star Cruiser.

ANAKIDDIE

Master Qui-Gon, wait! Why are we running?!

QUI-GON

We're running away from a deleted scene!

Then Darth Silent ATTACKS!

QUI-GON (cont'd)

You cheat! You use plot-holes to find us!

DARTH SILENT

...

QUI-GON

You want to say something?

DARTH SILENT

...

Confused, Qui-Gon gets on board the ship and flies away.

INT. SR-71, MAIN ROOM

OBI-WAN

What was that?

QUI-GON

Something silent and deadly. Obi-Wan Kenobi, meet Anakiddie Skywalker. I want this boy to be a Jedi, so I'm going to train him.

OBI-WAN

Hang on! I was supposed to find him and train him! This isn't fair!

QUI-GON

Get used to it.

INT. SR-71, ANOTHER ROOM

While the shiny Nabooty cruiser is heading towards Metropolis, PetMe checks on little Anakiddie, who sits in a corner, quietly weeping...

(CONTINUED)

PETME

What's wrong little Anakiddie?

ANAKIDDIE

I want booty-action...and oh yeah,  
I miss my mother.

PETME

Get used to it.

ANAKIDDIE

What about your parents? Aren't you  
worried about them? After all, the  
Licensing Federation has taken over  
your planet.

PETME

I have parents?! I didn't know  
that! I thought I was an orphan or  
something.

ANAKIDDIE

I think they're supposed to show up  
in the next episode, or else in the  
episode after that.

PETME

Wow! I'd love to meet them some  
day.

ANAKIDDIE

Here, I made you this necklace from  
a piece of wood. It's very  
valuable, because there isn't a lot  
of wood on Tatooine. It's a desert  
planet and all. I hope you will  
wear it and remember me.

PETME

Thanks, but I don't like the color,  
so I'll just throw it away later.

DISSOLVE TO:

EXT. METROPOLIS - LATER

At last the SR-71 Nabooty Star Cruiser has reached  
Metropolis.

INT. SR-71, COCKPIT

Captain Obvious and Anakiddie are in the cockpit.

CAPTAIN OBVIOUS

And look, there is Metropolis, the  
CG capital of the galaxy!

(CONTINUED)

The entire planet is one big digital effect! And look, there is the Supreme Chancellor's shuttle! And look, there is senator Palpatine! And look, there are some speeders and spaceships! And look, there are some clouds! And look, there are some more digital effects!

ANAKIDDIE

Wow! It's so digital!

EXT. METROPOLIS, LANDING PLATFORM - DAY

Queen ImADalek meets Palpatine and Supreme Chancellor Valium.

VALIUM

I'm so happy to see you in person, Your Bootyliscious Highness, after downloading your nude pictures from the internet.

QUEEN IMADALEK

Perhaps we can get some booty-action going on later, Supreme Chancellor. First I must get my booty waxed and then we must deal with this Merchandizing crisis.

PALPATINE

What's all this trade and tax stuff about anyway?

QUEEN IMADALEK

I hope we will find that out in some of the upcoming scenes.

INT. JEDI TEMPLE, COUNCIL CHAMBER - TWILIGHT

Qui-Gon and Obi-Wan stand before the Jedi Council, which consists of weird aliens and Samuel L. Jackson.

QUI-GON

...My only conclusion can be that it was a Sith Lord.

LITTLE GREEN ALIEN

A Sith what is?

CONEHEAD

Didn't they go extinct a thousand years ago?

LITTLE GREEN ALIEN

An extinct species it is then? Animals or something?

(CONTINUED)

SAMUEL L. JACKSON

We will use all our resources to uncover this mystery of just what the hell a Sith is.

QUI-GON

I've also encountered a vergence in the Force.

LITTLE GREEN ALIEN

A vergence you say?

CONEHEAD

What's a vergence?

SAMUEL L. JACKSON

We will use all our dictionaries to uncover this mystery of just what the hell a vergence is.

QUI-GON

It's got to do with this annoying boy. He has the highest midichlorian count ever.

LITTLE GREEN ALIEN

Midichlorians what are?

SAMUEL L. JACKSON

We will use a bunch of resources to uncover this mystery of those midichlorians.

QUI-GON

Good. I think these midichlorians are his father or something.

CONEHEAD

That's just stupid.

SAMUEL L. JACKSON

You refer to the prophecy of the **Chosen One** who will bring **Balance** to the Force?

QUI-GON

Uhm, no, but that's actually much better than what I had come up with. Okay, yeah, it's that prophecy thing!

OBI-WAN

If Anakiddie is some kind of chosen one, why didn't we get any of that in the Original Trilogy?

(CONTINUED)

SAMUEL L. JACKSON  
We will have to use at least part  
of our resources to uncover this  
mystery of inconsistency.

QUI-GON  
I want to train Anakiddie as my  
Padawan.

LITTLE GREEN ALIEN  
A Padawan, what is?

SAMUEL L. JACKSON  
Dictionary!

LITTLE GREEN ALIEN  
Besides, Qui-Gon... Obi-Wan was  
supposed to want to train  
Anakiddie, was he not?

CONEHEAD  
The Original Trilogy says so.

OBI-WAN  
That's what I told him!

QUI-GON  
The Force works in mysterious ways,  
my Masters...

SAMUEL L. JACKSON  
(sighs)  
Bring him before us then.

LITTLE GREEN ALIEN  
Yes, yes! Before us you will bring  
him, before tired of this crap we  
will be.

INT. THE QUEEN'S HOTEL ROOM - TWILIGHT

Anakiddie enters the queen's hotel room, where he finds the  
handmaidens doing some depraved fanboy's fantasy stuff with  
the queen's booty.

ANAKIDDIE  
No! You can't do that! It's  
unnatural!

QUEEN IMADALEK  
Yeah bitches! More! More!  
Hey! Who is that peeking?

SPANKME  
Eet ees Aanaakeen Skyewolker,  
Yooaar Hainness.

(CONTINUED)

ANAKIDDIE

Aren't you Sophia Copola, who is already a more talented filmmaker than George Lucas has ever been?

SPANKME

Noo. Ai eem juusst ae haindmeeden.

ANAKIDDIE

Why do you talk so funny?

SPANKME

Soo eevereebody weel remeember mee.

QUEEN IMADALEK

What do you want, Anakiddie? My booty is busy.

ANAKIDDIE

I've come to say goodbye to PetMe.

QUEEN IMADALEK

I've send her out to get some booty-wax, but I'll tell her, and then I'll spank her silly for not taking the time to say goodbye to you.

EXT. JEDI TEMPLE, BALCONY - LATER

Obi-Wan and Qui-Gon look at a CG sunset.

OBI-WAN

This episode will not get the approval of the fans, Master. It's just not good enough.

QUI-GON

You still have much to learn about fanboy delusion, my young apprentice.

INT. JEDI TEMPLE, COUNCIL CHAMBER - EVENING

Anakiddie is being tested by the Jedi Council.

LITTLE GREEN ALIEN

Displayed on Sam's little screen what is?

ANAKIDDIE

A ship, a speeder, a cup, another ship...

LITTLE GREEN ALIEN

Very good.

(CONTINUED)

ANAKIDDIE

Yeah. I could see it reflected in the window behind you.

LITTLE GREEN ALIEN

Oh, damn. On to next test we shall go then. How feel you?

ANAKIDDIE

Cold. Could you turn the heat up?

LITTLE GREEN ALIEN

Not good this is. Miss your mother, you do?

ANAKIDDIE

Yeah, I mean... I left her behind in slavery. That's not so cool.

LITTLE GREEN ALIEN

Not good at all this is! Much fear I sense in you.

ANAKIDDIE

Well, all those weird aliens are pretty scary to a nine year old boy.

LITTLE GREEN ALIEN

Nine you say? Nine years old you are?!

ANAKIDDIE

Yeah. So what?

LITTLE GREEN ALIEN

Too old he is! Yes! Too damn old!

ANAKIDDIE

What are you talking about?

LITTLE GREEN ALIEN

Train you we can not. Go back home you can. Waisted your time, you have here.

ANAKIDDIE

(angry)

What the...!

LITTLE GREEN ALIEN

Much anger I sense in you.

ANAKIDDIE

(angry)

I'm not surprised!

(CONTINUED)

You guys take me away from my mother, bring me here to the other side of the galaxy, test me, give me loads of hope, and then you tell me I'm too old?! Couldn't you have asked my age first?! That would have saved a lot of time!

LITTLE GREEN ALIEN

A bad feeling, I have about this one...

INT. METROPOLIS, GALACTIC SENATE

A freshly booty-waxed Queen ImADalek and senator Palpatine visit the awesome digital galactic senate.

QUEEN IMADALEK

Hey! That senator looks like E.T. Are you the same E.T. as from that movie?

SENATOR E.T.

Yes.

QUEEN IMADALEK

Wow. What a coincidence.

PALPATINE

Be careful, this Senate is corrupt and the bureaucrats are on the payroll of the Licensing Federation.

QUEEN IMADALEK

Okay. Should we ever capture those Federation guys who have invaded my planet we will send them here to receive the punishment they deserve.

PALPATINE

Stupid bitch.

VALIUM

This Senate is now in session. The chair recognizes the senator from Nabooty: the secretly evil and manipulative Palpatine; and his naive, stupid bitch of a horny queen ImADalek.

(CONTINUED)

PALPATINE

Honorable delegates, we come before you to find out what the hell all this stuff about trade-routes and taxes and merchandizing deals is all about, because we haven't got a clue!

FAKE ALIEN #3

This is outrageous! They have no right to demand an understandable plot!

QUEEN IMADALEK

The Licensing Federation is depriving my people of booty-action! I'll loan out my naughty handmaidens to who-ever supports me in my vote against the forces of commerce and licensing and other evil stuff!

ASSEMBLY

Vote now! Vote Now!

INT. PALPATINE'S APPARTMENT - LATER

Palpatine has good news.

PALPATINE

I'm going to be Supreme Chancellor and I promise I will take over the galaxy by whatever means it takes.

QUEEN IMADALEK

Whatever. I must go back to Nabooty, and help my people before more die of frustration.

PALPATINE

But the Federation will capture you and throw you in a dungeon and chain you up and spank you and abuse you and hurt you and torture you in ways unimaginable!

QUEEN IMADALEK

If only I could be so lucky.

PALPATINE

Please, Your Bootylisciousness, stay here, where it's safe and where booty-wax and massage oil are much cheaper!

(CONTINUED)

QUEEN IMADALEK

This is your arena, senator. Now I must return to mine, because I'm an exhibitionist and the thought of being in an arena with thousands of spectators watching me really turns me on.

The queen turns to leave.

QUEEN IMADALEK (cont'd)

I pray you will bring excitement back to the Star Wars Saga. It's about bloody time!

EXT. METROPOLIS, LANDING PLATFORM - NIGHT

They're all about to enter the SR-71 again.

OBI-WAN

These Prequels are dangerous to the dignity of the Star Wars Saga! They all sense it, why can't you?

QUI-GON

They're good enough for Lucas, so they should be good enough for you!

ANAKIDDIE

Master Qui-Gon, sir, I've been meaning to ask...what are midichlorians?

QUI-GON

Never mind those. They'll never get mentioned again.

ANAKIDDIE

Okay, but what's a Sith?

QUI-GON

I think they're supposed to be the bad guys.

ANAKIDDIE

Cool, but what's this stuff about me being a Chosen One, born from a virgin, who will bring Balance to the Force?

QUI-GON

It's something mythological.

ANAKIDDIE

I don't understand.

(CONTINUED)

QUI-GON

In time, you will understand that you shouldn't worry about those things. Just ignore it and enjoy the digital effects.

ANAKIDDIE

So what's with all this talk about naughty handmaidens and their booties and booty-action?

QUI-GON

It's probably just the fantasy of some sexually frustrated fanboy.

QUEEN IMADALEK

Master Qui-Gon, our booties are waxed and ready to go, and senator Palpatine fears the Federation guys will want to take advantage of us.

QUI-GON

I assure you we will not allow that to happen.

QUEEN IMADALEK

Damn!

CAPTAIN OBVIOUS

And look, there we go again!

There they go again, flying away into the night's sky, on to adventure and excitement...hopefully...

INT. FEDERATION SHIP, BRIDGE

The holographic guy once again contacts the evil aliens.

ROTJ EMPEROR

(hologram)

Kill the queen.

FAKE ALIEN #1

Didn't we need her to sign something?

ROTJ EMPEROR

(hologram)

Yeah, but that wasn't very exciting.

FAKE ALIEN #2

What about her booty? Does it still need spanking?

(CONTINUED)

ROTJ EMPEROR  
 (hologram)  
 Spank her to death. Spank all of  
 them to death! Then wipe your  
 hands...all of them!

INT. SR-71, COCKPIT

Our friends have reached Nabooty, but where did all the  
 Licensing Federation ships go?

CAPTAIN OBVIOUS  
 And look, the blockade is gone!

CAPTAIN BORING  
 There's only one of their ships  
 left in orbit of Nabooty! What's  
 going on?

OBI-WAN  
 I just explained that.

CAPTAIN BORING  
 No, you didn't!

OBI-WAN  
 Yes, I did. It was in a deleted  
 scene.

Anakiddie is studying the controls of the mighty star ship.  
 He catches on pretty quick.

ANAKIDDIE  
 ...So this is the file-sharing  
 program activator, and this is the  
 cable-porn de-scrambler...

CAPTAIN OBVIOUS  
 And look, you catch on pretty  
 quick, kid!

INT. SR-71, MAIN ROOM

Meanwhile, Qui-Gon is puzzled as to what Queen ImADalek has  
 planned.

QUI-GON  
 Remember, as Jedi Knights we are  
 not allowed to fight a war for you;  
 use our special powers in any way  
 to help your cause; spank your  
 booty; or engage in any kind of  
 booty-action with underage girls.

(CONTINUED)

QUEEN IMADALEK

That's okay. You'll cave in and help us later anyway. Jar Jar Stinks, I need your help.

JAR JAR

Mesa, Youssa Bootylisciousness?

QUEEN IMADALEK

Yes. PetMe has sampled you and reports satisfactory results. I wish to form an alliance with the Dungans, so we can finally get some booty-action. I need you to take us to the super-secret ultra-sacred Dungans-only hideout deep within your no-trespassers swamp.

JAR JAR

No problemo.

EXT. NABOOTY, DUNGAN SACRED PLACE - AFTERNOON

After landing far away from any Licensing Federation troops, Jar Jar Stinks leads our friends to the sacred Dungan place deep within the swamp.

BOSS NASS

Jar Jar, youssa stupid traitor! Youssa have revealed ousa secret sacred place to da Nabooty!

QUEEN IMADALEK

Oh great and powerful Boss of the Dungans, I come before you with an aching booty, desperate for action. We need your mighty amphibian bodies and awesome tongues to quench our thirst for booty-action. And, oh yeah, our two people are in a symbiotic relationship and we must join forces to defeat the Licensing Federation, or something like that.

BOSS NASS

Mesa have da betta idea. Wesa gonna spank youssa till youssa bleed!

QUEEN IMADALEK

Cool.

PETME

No, wait! Oh great and powerful Boss of the Dungans, we don't have time for booty stuff!

(CONTINUED)

I come to you in our darkest hour  
of need and stuff like that!

BOSS NASS

Whosse diss?

PETME

I am PetMe ImADalek, the real Queen  
of Nabooty!

Everybody is shocked, but not much.

PETME (cont'd)

This nasty fake queen is BangMé, my  
most experienced handmaiden; my  
insatiable booty-napper decoy; my  
booty-action craving bodyguard; my  
worthless servant girl; a mere  
naughty fanboy's fantasy. I  
apologize for the deception, but it  
was needed, because I'm such a  
boring girl myself.

BANGME

Bitch. You didn't complain when I  
made you wax my booty and spit-  
shine my boots!

PETME

Boss Nass, we need your help, and  
to achieve that we will offer  
ourselves to you as your  
submissive, obedient, do-it-all  
booty-action slaves. We shall cater  
to your every whim and pleasure  
your booties every way you want.

PetMe gets down on her knees and the other handmaidens follow  
quickly and eagerly. The guys follow their example rather  
reluctantly.

BOSS NASS

Ha, ha, ha! Youssa think youssa  
booties are no finer than ours?

PETME

Now I didn't say that! I mean, just  
look at our booties. They don't  
come any finer!

BOSS NASS

Whassever. Wesa Dungans only lika  
da CG booty-action. Maybe wesa can  
just have platonic friendship  
instead.

BANGME

Damned! Damned! Damned!

EXT. NABOOTY, SWAMP - LATER

Now that the Nabooty and the Dungans have joined forces, CG action cannot be far away!

PETME

Artoo, come over here. I need your holo-thingee.

Artoo is so happy! Finally he gets to do something!

PETME (cont'd)

Okay, that's enough. Go away.

Aw...

PETME (cont'd)

Here's the plan: While the Dungans create a pointless diversion and get slaughtered like the dim-witted fools they are, the rest of us will enter Thong City and sneak into the palace through a secret passageway - used often by my handmaidens to go get some secret booty-action. It will probably be guarded by some CG droids anyway, so we'll just go in shooting. We will then jog through the palace hallways, shoot more CG droids, and capture the evil fake aliens who no doubt will be in the Throne Room and won't attempt to run away.

OBI-WAN

What if we fail and they do run away?

PETME

That is why we must not fail.

OBI-WAN

Huh?

QUI-GON

Many Dungans may die.

PETME

That's the plan.

OBI-WAN

Are we going to get some space action or what?

(CONTINUED)

PETME

Oh yeah, we can send some fighters up to the Federation ship and fire some shots at their mighty impenetrable shield. The effects should be cool.

QUI-GON

It is a well conceived plan, for someone with the brain capacity of a peanut.

OBI-WAN

Remember Master, we are not allowed to join her in this war.

QUI-GON

Yeah, but come on! I mean, really, who cares? The fans want to see us in action!

OBI-WAN

Oh, okay, but we'd better leave Anakiddie behind where it's safe, because he's supposed to be this savior of the galaxy some day.

QUI-GON

No, we'll just take him with us. If he is a savior of the galaxy, he can't die in this episode anyway.

OBI-WAN

Oh, okay, but at least we should make sure the queen will stay hidden in a safe place.

PETME

No way! I'm going to lead the commando-jog on the palace! I know that place better than anyone!

QUI-GON

Which crack commandos have you recruited for this incredibly dangerous assault?

PETME

My handmaidens, some inexperienced security guards, and the two of you of course.

OBI-WAN

What about Jar Jar?

(CONTINUED)

PETME

No, he's going to be a general in the Dungan army.

OBI-WAN

Wasn't he supposed to be important to the plot?

QUI-GON

Obi-Wan, you forget: Jar Jar has brought the Nabooty and Dungans together as a people!

OBI-WAN

No, he didn't! He just showed us where the Dungans were hiding!

QUI-GON

If it's good enough for Lucas...

OBI-WAN

Okay, okay! I get it! Geez!

INT. NABOOTY PALACE, HANGAR - LATER

While the Dungans create a pointless diversion and get slaughtered like the dim-witted fools they are, the others have entered Thong City and have snuck into the palace through a secret passageway - used often by ImADalek's handmaidens to go get some secret booty-action. It was guarded by some CG droids, so they went in shooting. Before they are going to jog through the palace hallways, shoot more CG droids, and capture the evil fake aliens who no doubt will be in the Throne Room and won't attempt to run away, they first enter the hangar to get the pilots to their fighters, so those can fire some shots at the mighty impenetrable shield of the Federation ship.

PETME

Get to your ships! And with ships I mean fighters!

QUI-GON

Anakiddie, hide in one of those fighters with Artoo-Detoo! Stay there, even if you accidentally activate the controls, take off, fly into space, and engage the CG droid fighters in combat!

ANAKIDDIE

Okay.

They open a door...  
Darth Silent stands there!

(CONTINUED)

PETME  
Who are you?

DARTH SILENT  
...

PETME  
I asked you a question!

DARTH SILENT  
...

QUI-GON  
We'll handle this.

PETME  
We will jog the long route. We  
better take something to drink with  
us.

While PetMe and the others go jogging, Qui-Gon and Obi-Wan  
fight Darth Silent, who has a double-bladed glowing stick!

OBI-WAN  
We can't defeat him! He's a fan  
favorite!

EXT. SPACE

Meanwhile Anakiddie has accidentally activated the controls  
of his fighter, taken off, flown into space, and has engaged  
the CG droid fighters in combat!

INT. ANAKIDDIE'S FIGHTER, COCKPIT

ANAKIDDIE  
This is tense!

INT. CAPTAIN OBVIOUS' FIGHTER, COCKPIT

CAPTAIN OBVIOUS  
And look, it's not tense at all!

INT. NABOOTY PALACE, HALLWAY - DAY

PetMe and her friends jog through the hallways of the palace.  
Things are going well, until...

PALACE SPEAKER SYSTEM (V.O.)  
Attention! All teenage girls who  
crave booty-action: please report  
to the throne room immediately!

HANDMAIDENS  
Hurray!!!

The handmaidens run like crazy into the throne room!

(CONTINUED)

PETME

No, wait! It could be a trap!

PetMe and the guards follow, but it's too late.  
The evil fake aliens and their CG droids surround them.

HANDMAIDENS

Hey! Where's the booty-action?!

FAKE ALIEN #1

Harharhar! Got you!

CAPTAIN BORING

Stupid bitches.

FAKE ALIEN #1

Now, Queen ImADalek, you will sign  
your action figure empire over to  
us!

FAKE ALIEN #2

I thought we were supposed to kill  
her?

FAKE ALIEN #1

Oh, yeah. Well, we can make her  
sign the deal, and then kill her.

FAKE ALIEN #2

What about just killing her and  
faking her signature?

FAKE ALIEN #1

Uhm... Let me think about that.  
This is all very complicated.

Suddenly ANOTHER queen stands in the doorway! It is really  
BangMé, the nasty fake queen!

BANGME

Spank me if you can, fakers!

FAKE ALIEN #1

After her! That must be the real  
queen. This one here is just a  
decoy.

FAKE ALIEN #2

How do you know? This one here  
could be the real queen, or maybe  
they are all fake and the real  
queen is somewhere else?

FAKE ALIEN #1

Just go!

(CONTINUED)

The CG droids go after the fake queen.  
 PetMe takes advantage of the confusion and opens the **Queen's Super Secret Throne Compartment** and takes out a whip. Not just any whip - it's the **Royal Nabooty Metal Pins Covered Whip Of Spank!**

PETME

Now, fake alien, we will spank your booty until you sign a new deal, one that will ensure the release of the Original Original Trilogy on DVD!

EXT. SPACE

Meanwhile Anakiddie and Artoo are in trouble. Their fighter is hit!

INT. ANAKIDDIE'S FIGHTER, COCKPIT

ANAKIDDIE

Oops, we're hit!

EXT. SPACE

Their fighter accidentally flies into the hangar of the Federation ship!

INT. ANAKIDDIE'S FIGHTER, COCKPIT

ANAKIDDIE

Oops, we've accidentally flown into the hangar of the Federation ship!

INT. FEDERATION SHIP, HANGAR

The fighter comes to a stop, but everything's overheated!

INT. ANAKIDDIE'S FIGHTER, COCKPIT

ANAKIDDIE

Oops, everything's overheated!

Anakiddie punches some buttons and a torpedo shoots away and hits a generator, that was conveniently placed inside the hangar.

ANAKIDDIE (cont'd)

Oops, I punched some buttons and now a torpedo has shot away and hit a generator, that was conveniently placed inside the hangar!

INT. FEDERATION SHIP, HANGAR

While the mighty Federation ship blows up, Anakiddie and Artoo fly away to safety. Now this is just like pod-racing!

INT. ANAKIDDIE'S FIGHTER, COCKPIT

ANAKIDDIE  
Now this is pod-racing!

INT. CAPTAIN OBVIOUS' FIGHTER, COCKPIT

CAPTAIN OBVIOUS  
And look, it's not really like pod-  
racing, but more like flying  
through the hangar of a big space  
ship!

EXT. SPACE

The Licensing Federation ship blows up!

INT. CAPTAIN OBVIOUS' FIGHTER, COCKPIT

CAPTAIN OBVIOUS  
And look, the Licensing Federation  
ship blows up!

EXT. NABOOTY, BATTLEFIELD - DAY

Jar Jar has not led the Dungans to victory, so we didn't show  
any fighting, but now the CG droids are instantly deleted,  
because the servers were on board the Federation ship!

JAR JAR  
Wesa won anyways!

INT. NABOOTY PALACE, SUPER HIGH TECH AREA

Meanwhile Qui-Gon, Obi-Wan and Darth Silent have moved into a  
super high tech area that doesn't really seem to be a part of  
the ancient Nabooty palace.

They encounter the deadly **Laser Shield Doors Of Pacing!**  
They are all trapped and can't reach each other!

OBI-WAN  
How long does this last?

QUI-GON  
Until the other scenes are done!

Because the other scenes are already done, the Doors open and  
the action continues.

OBI-WAN  
Nooooo!

QUI-GON  
What is it?

(CONTINUED)

OBI-WAN

I still haven't had a chance to be  
really cool and heroic!

Darth Silent takes advantage of the situation and hacks into  
the distracted Qui-Gon!

OBI-WAN (cont'd)

Cool. Now I finally get my chance.

Obi-Wan and Darth Silent fight.  
Darth Silent is cooler and Obi-Wan ends up hanging over the  
**Bottomless Pit Of Unoriginal Ideas!**

DARTH SILENT

...!

Obi-Wan concentrates, flies up, Force-grabs Qui-Gon's glowing  
stick, lands in front of Darth Silent, waves his stick, and  
cuts the **Dark Lord Of Merchandizing** in half!

OBI-WAN

Phew! I got lucky! That idiot  
totally forgot to move this time!

But for Qui-Gon it is too late. He dies in Obi-Wan's arms.

QUI-GON

Train...the...boy...  
He..is...an...important...  
character...

EXT. NABOOTY, THONG CITY, PALACE - THE NEXT DAY

Palpatine and the Jedi Masters visit a free Nabooty!  
Palpatine walks up to Anakiddie.

PALPATINE

And you, young Skywalker, I shall  
follow your journey to the Dark  
Side with great interest.

ANAKIDDIE

Huh?

PetMe and Captain Boring say goodbye to the fake aliens.

CAPTAIN BORING

Now we will let you mass murdering,  
booty-action depriving thieves and  
liars go, so you can explain all  
this to the very corrupt senate  
which you obviously have in your  
pocket!

(CONTINUED)

FAKE ALIEN #1

Phew! Thanks! See you in the next episode!

INT. NABOOTY PALACE, TOWER - NIGHT

Obi-Wan and the little green alien discuss Anakiddie's future.

LITTLE GREEN ALIEN

Defeated bad guy after he forgot to move, you did. Promoted to rank of Jedi Knight you are.

OBI-WAN

What about Anakiddie? He is the Chosen One...maybe... He did fly super fast through a narrow passageway and avoided obstacles!

LITTLE GREEN ALIEN

Same thing with podrace already, he did that! Not good enough for us that was then. Why good enough for us this should be now?

OBI-WAN

Qui-Gon asked me when he died.

LITTLE GREEN ALIEN

Oh, okay. Your apprentice, Skywalker, will be.

OBI-WAN

My apprentice?! But Master Yoda, if Anakiddie is the most important person in the entire history of the Jedi Order and the Galaxy, shouldn't he be trained by a highly experienced Jedi Master, instead of by me? I mean, I've only just been promoted to Jedi Knight for goodness sake!

LITTLE GREEN ALIEN

A second, wait! Yoda, my name is?! Knew that, we did not! Found out finally, we did! Now what on your mind is, Obi-Wan?

OBI-WAN

Never mind.

EXT. NABOOTY, THONG CITY, NABOOTY PALACE, BARBEQUE - NIGHT

Our friends have gathered to burn Qui-Gon to a crisp.

(CONTINUED)

ANAKIDDIE

Why didn't Qui-Gon disappear, like the Jedi in the Original Trilogy?

OBI-WAN

Perhaps one day we will uncover this mystery, if anybody still cares by then...

SAMUEL L. JACKSON

There is no doubt that the evil looking guy was a bad guy, but how many of those are there?

YODA

Sith, they are called. Always two there are. No more, no less. When defeated they were, a long time ago, one survived and started Rule Of Two, in deepest secret.

SAMUEL L. JACKSON

Then how can you know about it?

YODA

Damn! Got me, you have. Just made that up, I did, to sound interesting.

EXT. NABOOTY, THONG CITY, NABOOTY PALACE, PLAZA - DAY

The Nabooty people cheer as Queen PetMe ImADalek and the Jedi and the Dungans wave at them.

PetMe gives Boss Nass a glowing orb.

BOSS NASS

Whasse isse that?

PETME

It's the **Glowing Orb Of Unlikelihood**.

BOSS NASS

Whasse does disse do?

PETME

I don't know. We will find that out in Episode 6. \*

*\*(See Episode 6: The Sixth Episode)*

BOSS NASS

Isse bombad pretty!

(CONTINUED)

PETME

Yes. It's bright and shiny and pretty, and apparently meaningless. The perfect symbol for this Episode!

OBI-WAN

Where are all the handmaidens and the guards?

YODA

Celebration, time for it has come. Booty-Action, part of that can be.

HANDMAIDENS (O.S.)

Hurray!!

ANAKIDDIE

When can I get some booty-action?

PETME

We will meet again in ten years, Anakiddie. Then you will be old enough for booty-action and we will see what we can do.

ANAKIDDIE

Yippee!!!

FADE OUT.

THE END

(OR ACTUALLY: TO BE CONTINUED IN EPISODE 2: STOP! OR MY CLONE WILL SHOOT!)

Every Episode needs a sequel...  
Every Saga needs a second chance...  
Every Hope needs a dashing...

A time ago not long enough, in a galaxy firmly etched into our minds...

FADE IN:

EXT. SPACE

A vast sea of stars serves as the backdrop to the title and a roll-up, which crawls slowly and painfully into the infinity where it was spawned in the first place...

**STAR WARS**

**EPISODE II**

**STOP! OR MY CLONE WILL SHOOT!  
(SOMCWS)**

Turmoil has once again engulfed the galaxy. This time there is a mysterious Count Dooku who leads some separatists who have declared their intentions to leave the Republic and mind their own booties.

The limited number of Jedi Knights is having trouble to maintain peace, order, and bad taste in the galaxy, because they are so inept and stupid.

Senator PetMe, the former queen of Nabooty, returns to the CG capital to vote on the critical issue of higher taxes on booty-wax, and also to find out just what is going on with all this separatist and army stuff she's been hearing about...

PAN UP

Through the vast sea of stars to reveal a B-2 NABOOTY SPACE CRUISER flying towards Metropolis, the CG capital of the Republic.

Then

PAN DOWN

Through the same vast sea of stars to reveal the B-2 Nabooty Space Cruiser turning around its axis and flying towards Metropolis the proper way this time.

INT. B-2, COCKPIT

PetMe debates this alarming chain of events with the captain of the ship.

PETME

Don't you know how to fly, you idiot?!

(CONTINUED)

CAPTAIN OBVIOUS

And look, we are approaching  
Metropolis, Senator ImADalek,  
former queen of Nabooty!

PETME

Yes, I can see that! Shouldn't I be  
queen for life or something? What's  
with this senator stuff?

CAPTAIN OBVIOUS

And look, the stupid bitch doesn't  
even know that queens are elected  
on Nabooty!

PETME

They elected a fourteen year old  
girl as their temporary queen? The  
people of Nabooty are so stupid,  
they deserve to have their booties  
spanked!

EXT. METROPOLIS, LANDING PLATFORM - MORNING

The Nabooty Cruiser lands. Nearby two Nabooty N-1 CG fighters  
also land.

From one of the fighters appears CAPTAIN POINTLESS, a  
pointless character with an eyepatch over one eye.

From the other appears a petite female pilot who keeps her  
helmet on...who can this be?  
Our old friend Artoo-Detoo is also there!

Then PetMe and a bunch of guards exit the B-2.

PETME

Where's the welcoming committee?  
Cheap lazy bastards!

CAPTAIN POINTLESS

I guess I was wrong. There was no  
danger at all. Unless someone  
forgot to check the landing  
platform for any bombs of course.

KABOOM!!!!

A bomb explodes on the landing platform!  
Dead and wounded are everywhere.

The female pilot takes off her helmet. It's the REAL PETME!

The other was just her naughty handmaiden CHOKEME!

PetMe runs over to her dying double.

(CONTINUED)

PETME

ChokeMe! No! She's dead!

CHOKEME

Actually, I'm still alive.

PETME

No! My brave decoy has been mortally injured!

CHOKEME

Actually, I think I might pull through.

PETME

No! My naughty servant girl will forever be scarred and handicapped!

CHOKEME

Actually, I think I'm fine. Just a bit scratched really. Sorry that I have failed you, senator.

PETME

Die bitch! Do your duty!

PetMe starts choking ChokeMe.

CHOKEME

Gargl...ugh...arch...

ChokeMe dies.

PETME

Sweet submissive ChokeMe. She died the way she always wanted to go.

INT. PALPATINE'S OFFICE - DAY

A bunch of Jedi are having a meeting with Supreme Chancellor Palpatine. Yoda and Samuel L. Jackson are among them.

PALPATINE

I don't know how much longer I can hold off the vote, my friends.

SAMUEL L. JACKSON

What vote?

PALPATINE

I'm not sure, but I don't know how much longer I can hold it off. Master Yoda, do you really think it will come to war?

(CONTINUED)

YODA

To war what will come? Talk about what you are?

PALPATINE

It's all a bit complicated. Can't you use the Force to look into deleted scenes and novelizations?

Yoda concentrates.

YODA

Ugh. Difficult to see, deleted scenes are. The Dark Side clouds everything.

SAMUEL L. JACKSON

I find that very racist.

YODA

Huh?

PALPATINE

So I guess the future is in motion as always.

YODA

No. Clouding everything, the Dark Side is this time.

SAMUEL L. JACKSON

What does that mean?

YODA

Inconsistent, it appears to be. A mystery this is. Meditate on this we must.

Then PetMe, her handmaiden DoMe, Captain Pointless, Jar Jar Stinks, some other aliens and Jimmy Smits walk in.

SAMUEL L. JACKSON

Wow! Jimmy Smits! Such a fan! What are you doing here?

JIMMY SMITS

I'm not sure. Isn't this the set of L.A. Law: Another Reunion?

YODA

Senator PetMe, seeing you alive brings warm feelings to my loins, after salivating over your nude pictures for so long.

(CONTINUED)

PETME

Do you have any idea what is going on with all this separatist stuff and this army stuff and that explosion and everything?

YODA

You could have first said 'thank you', you ungrateful bitch.

PETME

I think Count Dooku was behind the attack.

SAMUEL L. JACKSON

Who's Count Dooku?

PETME

He appears as the mysterious leader of the separatists in the opening scroll. That's very suspicious.

YODA

A former Jedi, Dooku supposedly is. Peaceful he has always been in that case.

PETME

Now I'm sure he's the bad guy!

PALPATINE

PetMe, you need more protection.

PETME

But I'm already using Factor 1138 sun-block; Always Mega-Ultra Intergalactic tampons; Quadruple Strength Super Sensitive Ribbed Curry-Flavoured condoms; and a squad of highly trained, well hung Nabooty Guards, armed with Omega-Mega Nuclear Fission Supernova Planet Buster Assault Launchers for my personal protection!

PALPATINE

Perhaps a few Jedi could be helpful.

JIMMY SMITS

Is that a wise use of manpower, what with all this turmoil and stuff?

(CONTINUED)

SAMUEL L. JACKSON

It's not like we're doing anything important. We haven't even got a clue what is going on anyway!

PALPATINE

Get Obi-Wan Kenobi and his emotionally unstable apprentice to guard PetMe.

SAMUEL L. JACKSON

That is possible. They have just returned from an adventure in a spin-off novel.

PALPATINE

PetMe, you must remember Obi-Wan!

PETME

Obi-Wan? No, not really, no. Oh wait! Was that the guy who hardly did anything in the previous Episode?

INT. PETME'S APARTMENT, LIVINGROOM - DAY

A bearded Obi-Wan Kenobi and a young man of about 20 years old visit PetMe in her apartment.

Jar Jar Stinks, DoMe, and Captain Pointless are there too.

JAR JAR

Oh! Obi, Obi, Obi!

OBI-WAN

Jar Jar? What are you doing here?

JAR JAR

Mesa now politician!

OBI-WAN

They couldn't find anyone dumber, huh?

JAR JAR

Obi, youssa forget: at end of da previous episode mesa completed da journey of dessen hero! Mesa now grown up and wise.

OBI-WAN

That never happened!

JAR JAR

Hey! If good enough for da Lucas, shoulda be good enough for youssa!

(CONTINUED)

Obi-Wan bows before PetMe, and pinches her booty - which is the traditional Nabooty greeting. \*

\* (See *Episode 1: The Perils Of Queen ImADalek Of Nabooty*)

OBI-WAN

It's a pleasure to see your booty again, PetMe.

PETME

Uhm, Obi-Wan, wasn't it? Yeah, okay. My booty is fine, how is yours?

(notices the other guy)  
Anakiddie? Is that you? My goodness you've grown!

It is indeed **Anakiddie Skywalker**, the annoying kid from the previous episode!

ANAKID

So have you. Well, your booty and boobies have grown anyway. Not much, but still...

PETME

Oh, Anakiddie! You'll always be that little dirty boy who tried to cop a feel!

They all sit down to discuss the plot.

CAPTAIN POINTLESS

I'm Captain Pointless. Queen JamItInYa has been informed of the start of this new episode.

OBI-WAN

I see you only have one eye. What happened to the other?

CAPTAIN POINTLESS

The senator poked it out with one of her hard, pointy...

PETME

It was your own fault! You shouldn't have bent over! Especially when it was so cold, but no, the brave captain needed to take a closer look!

OBI-WAN

We'll make sure no more nasty accidents happen, Milady.

(CONTINUED)

PETME

First of all, the next person who calls me 'Milady' will be torn a new anus. Second, I don't need more episodes, I want to know what the plot of this episode is all about!

ANAKID

We will find out just what the hell is going on, PetMe.

OBI-WAN

Our mission is to protect her booty, not to start an investigation, my very young and inexperienced and worthless apprentice padawan flunky!

ANAKID

So there was this terrorist attack, and people got killed, and there isn't even going to be an investigation?! That's just stupid!

OBI-WAN

Who cares. We will only watch PetMe's booty. Trust me, that's a full time job.

PETME

Perhaps with merely your presence, the mystery surrounding this plot will be revealed.

OBI-WAN

The mystery surrounding this plot has already been revealed. It's the answer to the mystery we're looking for.

PETME

Geez, I was only trying to sound 'epic'. Now if you'll excuse me, I'll retire.

OBI-WAN

You're retiring as Senator? Tired of the job already?

PETME

Shut up. I just meant I'm going to my bedroom with DoMe, so I can spank my frustration away on her booty.

EXT. METROPOLIS, BUILDING LEDGE - NIGHT

Night has fallen over this side of Metropolis. A lone speeder pulls up near a ledge high above the ground. A figure, Zam WeSellToys, walks out and approaches...Boba Fett from the Original Trilogy!!!

A FETT

No, I'm Jango Fett.

Yeah, right. He looks like Boba Fett from the Original Trilogy!

A FETT (cont'd)

Put these worms in a tube; put the tube in a flying droid; send the flying droid to PetMe's bedroom window; let the droid cut a hole in the window; let the droid release the worms from the tube; then the worms can crawl to PetMe's bed and kill her...if she's in her bedroom and in her bed.

ZAM WESELLTOYS

Can't we just shoot a missile into her bedroom and blow the bitch up? The blowing up bit worked on the landing platform.

A FETT

No! That would be too easy.

ZAM WESELLTOYS

Can't you do all this stuff yourself, you lazy bastard?

A FETT

No! That would be too easy.

INT. PETME'S APARTMENT, LIVINGROOM - NIGHT

Meanwhile, in PetMe's apartment, Obi-Wan checks on Anakid.

ANAKID

It's so quiet. I haven't heard her moan or scream in hours.

Obi-Wan checks a small viewing device. He can't get an image.

OBI-WAN

What's going on?

ANAKID

She covered the camera.

(CONTINUED)

OBI-WAN

Damn! We were just getting some sign-ups for our cam-sluts website!

ANAKID

I've been having these dreams about my mother again.

OBI-WAN

I don't want to hear it. It's sick and disturbing, Anakid.

ANAKID

I'd rather dream of PetMe. Oh, the things I do to her in my dreams! Bwahahaha!

OBI-WAN

Be mindful of your thoughts Anakid, they betray you, together with your words. Also be careful of Palpatine. I read somewhere in a novelization that he is really evil.

Anakid sniffs the air.

ANAKID

Did someone fart?

OBI-WAN

I sense it too...

They run into Padmé's bedroom!

INT. PETME'S APARTMENT, BEDROOM - CONTINUOUS

Obi-Wan and Anakid run inside PetMe's bedroom! SHOCK!

ANAKID

No! Don't do that! It's not natural!

For the sake of protecting the innocence of the younger readers I will refrain from telling just what kind of depraved fanboy's fantasy PetMe and Artoo-Detoo are living out in this scene, just be assured it's just not natural!

PETME

Oh, no! You smelled my fart!

Obi-Wan needs to throw up and jumps at the window!

Too bad there are blinds in front of the window, and the window itself is made from extra-strenght double glass.

BANG!

(CONTINUED)

OBI-WAN

Aarch!

ANAKID

What's that?!

PETME

It's called a nipple, Anakiddie.

ANAKID

No, that!

Anakid points outside. A flying droid flies away from another part of the building.

OBI-WAN

It could be a clue. We must follow it!

Obi-Wan pulls up the blinds, opens the window, jumps out, and hangs on to the flying droid, which takes him away into the traffic.

While Anakid runs away to get some transportation, DoME and Captain Pointless come running into the bedroom.

DOME

Help! Some ugly worm attacked me in my sleep!

PETME

Captain Pointless! I told you not to assault my handmaidens any more! Only I am allowed to do that!

DOME

No, it was a big worm!

PETME

Jar Jar Stinks! You bastard!

EXT. METROPOLIS, CITY - NIGHT

Obi-Wan hangs on to the flying droid, but then the droid is shot by Zam WeSellToys.

ZAM WESELLTOYS

I could have just shot that guy who was hanging underneath, but that would have been too easy.

Obi-Wan lands in an ugly, yellow, open speeder, piloted by Anakid!

OBI-WAN

What took you so long?

(CONTINUED)

ANAKID

I had to find a speeder I really liked, with the right speed capabilities, the right color, enough fuel, good insurance, a cd-player, surround stereo, one of those little computers that tell you where to go, etc. etc. etc.

OBI-WAN

Your wit is as lousy as Yoda's skills as a swordsman!

ANAKID

Yes, somebody should tell Yoda he looks really stupid when he bounces around waving his little saber. It's embarrassing!

They fly through a bunch of power-couplings.

OBI-WAN

Anakid! How many times have I told you to watch out for those power-couplings?!

ANAKID

Never!

OBI-WAN

Now we've lost him. Let's just go find a bar and get drunk.

INT. NIGHTCLUB - NIGHT

Obi-Wan and Anakid enter a nightclub.

Anakid checks out several video-games that are displayed on monitors.

ANAKID

Ah, the new podrace game is out!

OBI-WAN

The Force is tingling inside of me. The assassin might be in here.

ANAKID

I think he's a she, and a shapeshifter.

OBI-WAN

I doubt it. This isn't Star Trek. Go check out the hookers, I'm going to get a drink.

Anakid starts walking away.

(CONTINUED)

OBI-WAN (cont'd)

Wait. Your lightsaber, you won't need it.

Anakid thinks about this for a moment, then decides this isn't some Dark Side cave and walks on to check out some hookers.

Obi-Wan sighs and orders a drink.

GREEDO

Going somewhere, Solo?

OBI-WAN

Sorry, you have the wrong person.

GREEDO

Whoops, sorry.

Bored, Obi-Wan switches on his lightsaber and swings around.

OBI-WAN

Look everybody! I'm cool!

ZAM WESELLTOYS

Aaarch!

ANAKID

Wow! You've captured the assassin!

OBI-WAN

What a coincidence! Uhm, I mean, yeah, the Force guided me, and stuff.

They drag her outside.

EXT. NIGHTCLUB - NIGHT

Time for an expert Jedi interrogation.

ANAKID

Are you a shapeshifter?

ZAM WESELLTOYS

Yes.

OBI-WAN

Lame! The way you used and not used your shape-shifting capabilities was ridiculous! Only a completely idiotic shapeshifter would shapeshift and not shapeshift in the way you did in this episode!

(CONTINUED)

ZAM WESELLTOYS

No. It's symbolic for the dual identities and stuff.

ANAKID

Tell us who is responsible for this crap! Tell us now!!!

ZAM WESELLTOYS

It was just the writer of this crap...Aarch!

Zam has been shot by a poison dart!

OBI-WAN

Look over there! It's Boba Fett, from the Original Trilogy!

ANAKID

It could be someone else.

OBI-WAN

Oh, come on! He looked just like Boba Fett!

INT. JEDI TEMPLE, COUNCIL CHAMBER - THE NEXT DAY

Obi-Wan and Anakid consult with the Jedi Council.

YODA

The point of that whole Zam shapeshifting thing, what was, if she did not use it to change appearance to evade you, but did use it when she sent droid to do her job, so seen she expected not to be?

OBI-WAN

I suspect it was the work of someone called 'The Writer Of This Crap'. Anyway, we found a dart.

YODA

Playing darts, time for it we have not! Track down this killer you must, Obi-Wan!

OBI-WAN

So after the first assassination attempt, which caused the deaths of a bunch of people, you didn't feel the need for an investigation. But now suddenly you do?!

(CONTINUED)

SAMUEL L. JACKSON  
 Shut up. Anakid, use public transportation to take PetMe to her home planet and visit the Nabooty Royal Palace, and maybe even her parents. That way nobody will be able to find her.

ANAKID  
 That's just stupid.

SAMUEL L. JACKSON  
 Then go to Palpatine and be seduced to the Dark Side, damned! You disrespectful boy!

ANAKID  
 Okay.

INT. PALPATINE'S OFFICE - DAY

Anakid meets Palpatine in his office.

PALPATINE  
 You will go to PetMe's apartment and wait there. She will come with you.

ANAKID  
 She will come with me?

PALPATINE  
 I have foreseen it.

INT. JEDI TEMPLE, FAKE BACKGROUND - DAY

Obi-Wan meets with Yoda and Samuel.

OBI-WAN  
 Anakid is a danger to us all and must be terminated.

YODA  
 Anakid will do fine. You have trained him well.

OBI-WAN  
 Oh well, if he screws up at least I won't have to feel guilty.

SAMUEL L. JACKSON  
 He could be the Chosen One who will bring Balance to the Force.

OBI-WAN  
 Can't we just forget about that nonsense? It's so pointless.

(CONTINUED)

YODA  
Epic it is.

OBI-WAN  
Stupid it is.

INT. PETME'S APARTMENT, BEDROOM - LATER

While DoMe is packing, PetMe talks to Jar Jar, as Anakid watches.

PETME  
You will now replace me in the senate, Jar Jar. I'm sure you'll do the right thing should we find out just what is going on with all this separatist and army stuff.

JAR JAR  
Muy, muy! Mesa always wanted to form an empire! Now is mesa chance!

ANAKID  
What's with the chairs around your bed?

PETME  
Those are for my handmaidens, so that they can watch me, and assist me whenever I need some extra hands. Boy! You've certainly grown.

ANAKID  
No, it's just the way my trousers fold up! Really!

PETME  
Don't grow up too fast, Anakiddie.

ANAKID  
You just said that I had grown up! Make up your damn mind! And don't call me Anakiddie anymore, it's Anakid! Obi-Wan sucks, he does not let me move on, the bastard! It's not fair!

PETME  
Damn, you really need some booty-action.

EXT. METROPOLIS, AIRPORT - DAY

PetMe and Anakid and Artoo-Detoo are about to leave.

(CONTINUED)

DOME

I'm a bit worried that I'll get killed, now that I'm supposed to be your decoy double.

PETME

Perhaps the assassin has better things to do, like spending quality time with his identical normal-growth clone son, and will give up this killing job.

ANAKID

Don't worry, we have Artoo with us.

PETME

Yes, it's not like he's busy doing anything in this episode.

They depart for Nabooty!

INT. DINER - DAY

Obi-Wan visits his old CG friend Dex, who we've never seen before of course, in a diner from a galaxy not so far away.

DROID WAITRESS

Do you want some Jawa juice?

OBI-WAN

No, thanks. Us Jedi are not really allowed to have sex.

DEX

What do you want to know, you stupid Jedi?

OBI-WAN

I need to know where this dart came from. The droids in the temple didn't recognize it, and I'm not even going to ask some stupid experienced Jedi Master.

DEX

It's got no symbols on it, but I recognize these scratches, they're like symbols. This dart was bought in Hanks Sports And Leisure Store.

OBI-WAN

That's not very helpful.

(CONTINUED)

DEX

Perhaps you should go to Kamino to get some vacation and get your mind off things. They've got these cool weather effects and weird aliens.

INT. FREIGHTER

Anakid and PetMe are having lunch on board the freighter that will take them to Nabooty.

PETME

It must suck to be a Jedi. Traveling all over the galaxy, kicking booty, waving your glowing stick, levitating stuff...

ANAKID

And not getting any booty-action...

PETME

Are you allowed to have booty-action? I thought that was forbidden for a Jedi.

ANAKID

It's okay if you don't tell anyone. Really!

PETME

You've changed so much.

ANAKID

You are still the same as you have always been in my wet dreams, only with smaller boobies.

PETME

Sicko.

INT. JEDI TEMPLE, LIBRARY - DAY

Obi-Wan needs some help. Some old bitch approaches him.

OLD BITCH

You need help, Master Kenobi?  
(deleted scene)  
You need help, Master Kenobi?

OBI-WAN

I can't find Kamino on the star-map.

OLD BITCH

If it's not on our map, it doesn't exist.

(CONTINUED)

OBI-WAN

Can't we look on some other map?  
After all, this is the center of a  
galactic civilization. I'm sure  
there are many different star-maps  
to be found on this planet. It's  
got to be on some of them!

OLD BITCH

No. That's too complicated. Let's  
just pretend the planet doesn't  
exist.

INT. JEDI TEMPLE, TRAINING VERANDA - DAY

Obi-Wan does not give up this easily! He goes to ask Yoda,  
who's training some kids.

YODA

Yes, use the Force you must. Stand  
so close to each other you must  
not. Cut off each other's heads  
with lightsabers you could.

OBI-WAN

Wow! He's so wise! I wish Yoda had  
trained me.

YODA

Trained you I did.

OBI-WAN

No, Qui-Gon Jinn trained me.

YODA

Trained you as a little padawan I  
did, like train I do these  
children. All Jedi kids I train at  
some point, including you.

OBI-WAN

I didn't know that.

YODA

Obvious that is, from seeing me  
train these kids in this scene.

OBI-WAN

No, it's not. Anyway, I can't find  
a planet on this map.

YODA

Hmm, gravity scan indicates planet  
should be there, but planet is  
missing! Where could it be?

(CONTINUED)

KID

Where it should be, in order to effect everything else with its gravity?

YODA

Wow! Very good!

KID

It was pretty obvious.

YODA

Truly remarkable, the mind of a child is. Not so clouded as ours.

KID

Or so totally demented. Someone must have erased the planet.

YODA

Only a Jedi could have done that, but which one?

OBI-WAN

Back in the library there was this bust of Dooku, a former Jedi who now happens to be the leader of the separatists. It stood right behind me, and I even discussed him with that old bitch in a deleted scene. This could indicate that he deleted the planet.

YODA

No. That would be too easy. Dangerous and disturbing, this mystery is. Meditate on this I will. Investigation, I will not launch.

KID

Idiot.

EXT. NABOOTY, THONG CITY, ROYAL PALACE - DAY

Anakid, PetMe, and Artoo-Detoo have arrived on Nabooty and visit the Royal Palace in Thong City - the tightest and sexiest capital in the Galaxy.

PASSERS BY

Look! It's PetMe! Our famous former queen and now our senator!

PETME

Damn! I knew I should have used my Wookiee disguise.

INT. NABOOTY ROYAL PALACE, THRONE ROOM - DAY

They meet with the new queen of Nabooty, JamItInYa, and several other dignitaries, including Sio Biblical.

ANAKID

You look like a frigging clown!

JAMITINYA

Shut up! Or I will spank you silly!

SIO BIBLICAL

Have you figured out what all this stuff about separatists, armies, votes and all that is all about?

PETME

No. I fear the plot will forever remain hidden in deleted scenes and be clouded by poor writing.

JAMITINYA

Did you and this kid have some booty-action? If he needs some, just let me know! And if he gives you any trouble, we shall spank him senseless!

PETME

BangMe?! Is that you?

The queen is fake! It is PetMe's former double decoy, BangMe: the nastiest and most experienced handmaiden on Nabooty! \*

\* (See Episode 1: ***The Perils Of Queen ImADalek Of Nabooty***)

BANGME

Yes, it's me. The real queen JamItInYa is chained up in the dungeon. She required some more spanking lessons. She's so inexperienced!

PETME

Tell her I said hi.

BANGME

Will do, and then I'll spank her hard for not being here to meet you in person!

SIO BIBLICAL

So where are you going now?

ANAKID

Can't we visit your parents? \*

(CONTINUED)

*\*(See Episode 1: **The Perils Of Queen ImADalek Of Nabooty**)*

PETME

I'm afraid I still haven't found them. I suspect they live in a deleted scene.

ANAKID

Perhaps we'll find them in the next episode.

INT. KAMINO

Meanwhile Obi-Wan has arrived on Kamino for a well deserved vacation. Lama Su and Taun We, his hosts, welcome him and show him the accommodations.

OBI-WAN

I'm a bit disappointed with the sunny beaches that were advertised in the brochure.

LAMA SU

We're glad you're here. The clone army that was ordered by Sifo-Dyas is ready.

OBI-WAN

I think you have me confused with someone else. I have never heard of any Sifo-Dyas and nobody I know has ordered any clones.

LAMA SU

If you're a Jedi, then the clones are for you.

OBI-WAN

Oh well, never look a given horse in the mouth! Thanks!

LAMA SU

That will be five zillion Kaminoan Dollars, please.

OBI-WAN

What?! I only have Republic Credits!

LAMA SU

Republic Credits are no good out here. I need something more real.

OBI-WAN

(mindtricking)  
Republic Credits will do fine.

(CONTINUED)

LAMA SU  
No, they won't!

OBI-WAN  
(mindtricking)  
You should go home and rethink your  
direction in life.

LAMA SU  
I'm already home!

OBI-WAN  
(mindtricking)  
Move along!

LAMA SU  
We'll move along once you've paid  
us!

OBI-WAN  
Damn! Uhm...We can't pay for the  
clones right now because...the Dark  
Side of the Force is clouding the  
Financial Side, and is limiting our  
abilities to see into our bank  
account.

LAMA SU  
We're getting impatient!

Obi-Wan must think of something! This is going wrong!

OBI-WAN  
Are all the clones completed?

LAMA SU  
No, not all of them.

OBI-WAN  
Perhaps you can explain that to  
Yoda when he arrives.

LAMA SU  
Yoda is coming here?!

OBI-WAN  
Yes, prime minister, and he will be  
most displeased with your lack of  
progress when he arrives.

LAMA SU  
We will double our efforts!

OBI-WAN  
I hope so for your sake, prime  
minister. Yoda is not as forgiving  
as I am.

INT. KAMINO, CLONE CENTER

The Kaminoans show Obi-Wan the clones. They all look the same - like a tough and dangerous man.

LAMA SU

We thought we could clone a playmate or a super model, but Sifo-Dyas insisted on a rough, muscular, handsome man.

OBI-WAN

Hmmm, I like them!

LAMA SU

I knew it.

OBI-WAN

Who was the template?

LAMA SU

Some Fett guy. He wanted an unaltered, normal growth clone son as payment. Interesting, isn't it?

OBI-WAN

No. Why should that be interesting?

LAMA SU

The son's name is Boba Fett. Get it? Boba Fett from the Original Trilogy!

OBI-WAN

Is he going to do anything interesting?

LAMA SU

No.

OBI-WAN

Then who cares?

EXT. NABOOTY, SUMMER HOUSE - DAY

PetMe and Anakid arrive at PetMe's summer house in a little gondola, steered by some guy. They are welcomed by two servant girls.

PETME

Thanks mister. Damn, I forgot his name. I'll have to look it up in the Nabooty action-figure archives. And these will be our servant girls during our stay here: Xenophobia and AnalEntré.

(CONTINUED)

Xenophobia doesn't really like outsiders, and watch out for AnalEntré. She has a 'give', not 'take' philosophy.

ANAKID

It's beautiful here.

PETME

Yes. When I was jailbait we used to come here and skinny dip and lie in the sand and let the old guys from the village take pictures of us.

ANAKID

I don't like old guys. They're rough and they get everywhere. Unlike you, you're so smooth.

Anakid touches PetMe.

PETME

A little lower please. I've got this terrible rash and it's itching like crazy.

INT. KAMINO, A FETT APARTMENT

Taun We and Obi-Wan visit the Fett family. Little Boba opens the door.

OBI-WAN

You're Boba Fett? Aren't you a little young for a bounty hunter?

TAUN WE

When the time of the Original Trilogy arrives, he will be just the right age to be able to do all the athletic stuff he does in those episodes!

OBI-WAN

What athletic stuff?!

Jango walks in.

TAUN WE

Ah, Jango. Was your trip productive?

A FETT

No. I didn't get to kill the bitch. I got tired and gave up. I wanted to spend some quality time with my normal growth clone son instead. I hope my master won't mind.

(CONTINUED)

OBI-WAN  
Who's your master?

A FETT  
Some guy named Tyranus.

OBI-WAN  
Another bad guy?! This is getting  
too complicated. I must ask Yoda  
for help!

After Obi and Taun have left, A Fett turns to his identical,  
unaltered, normal growth, pointless son.

A FETT  
Pack our things. We must leave in a  
hurry.

EXT. KAMINO, LANDING PLATFORM

Obi-Wan is about to leave.

TAUN WE  
Thanks and goodbye. Come again!

OBI-WAN  
Next time I need to get a better  
travel agency. It has constantly  
rained!

INT. JEDI TEMPLE, YODA'S ROOM

Obi-Wan now asks Yoda and Sam for help with the help of his  
astromech droid that was cut in half and fixed to his  
fighter.

OBI-WAN  
(hologram)  
I still haven't figured out what  
all this business with separatists  
and stuff is about, and now we have  
these clones thrown into the mix!  
They look like Stormtroopers from  
the Original Trilogy!

SAMUEL L. JACKSON  
Are they real?

OBI-WAN  
(hologram)  
No, master. They are Computer  
Animated.

YODA  
Capture this Fett guy you must, Obi-  
Wan. Too unoriginal he is.

(CONTINUED)

SAMUEL L. JACKSON

We should inform the senate that our ability to use the Force has been diminished.

YODA

Huh? Never established it was that we could see everything everywhere all the time. Limited our abilities have not been!

SAMUEL L. JACKSON

But Yoda, what about this stuff about the Chosen One who will bring Balance to the Force one day, because the Dark Side has become more powerful than the Light Side and is clouding our abilities at this time, and may soon lead to our destruction?

YODA

What about it? Not an issue, in Original Trilogy all that stuff was.

SAMUEL L. JACKSON

Okay. Forget about it.

EXT. NABOOTY, SUMMER HOUSE, GRASS - DAY

Meanwhile Anakid and PetMe are having a picknick.

ANAKID

Did you ever have booty-action?

PETME

Yes. I was twelve and he was older. He was so nice and cute, and he gave me lots of presents. I went with him, but then he forced me into a life of vice. It took me months before I could escape that loverboy! I have been unable to be close with a man ever since. Only the warm, gentle touch of a woman has been able to comfort me.

ANAKID

When I'm older, I want to be a dictator and torture and disfigure my own children.

PETME

Oh, Anakiddie! You're making fun of me!

(CONTINUED)

ANAKID

Come here bitch! I want to roll  
around in the grass with you!

PETME

Don't touch me! You creep! Can't we  
just play 'The Sound Of Music'  
instead?

Yes, of course they can...

INT. SUMMER HOUSE, DINING ROOM OF DISASTER - EVENING

After the musical fun, it's time for diner.

ANAKID

And when that didn't work, we  
chopped them up with our  
lightsabers, bwahahaha!

PETME

Ugh. Psycho.

AnalEntré brings in desert: some fruit.

ANAKID

Thank you.

Anakid levitates a piece of fruit, cuts it, and levitates it  
straight into PetMe's mouth.

PetMe chokes on the piece!

PETME

Gargl..ugh..glll...

Anakid uses the awesome Force-Un-Choke trick to save PetMe's  
life!!

She recovers.

PETME (cont'd)

Arch! The terrible taste!  
AnalEntré, you bitch! Where did you  
stick that fruit in?! Ugh! Bleh!

INT. SUMMER HOUSE, LIVING ROOM, FIRE PLACE - NIGHT

After some toothbrushing, Anakid and PetMe get comfortable.  
PetMe has her dominatrix outfit on.

ANAKID

From the moment I met you, all  
these years ago, I wanted to have  
booty-action with you.

(CONTINUED)

And now that I'm older, we can finally do it, just like you promised me ten years ago. \*

\* (See Episode 1: *The Perils Of Queen ImADalek Of Nabooty*)

PETME

Stop it Anakid! If you follow your thoughts through to conclusion, you will see that it will take us to a place we cannot go!

ANAKID

Okay. We can just do it here, if the bedroom is not available.

PETME

No, I can't have booty-action with you. Remember my traumatic experience when I was twelve? I'm only comfortable with women!

ANAKID

Then what's with the whole sexy dominatrix outfit? You teasing bitch!

PETME

That's for the spanking sessions. I'm okay with spanking. I thought I could spank you in the traditional Nabooty manner.

ANAKID

I'm going to my bedroom now, before your spanking destroys my booty.

INT. ANAKID'S BEDROOM - NIGHT

Anakid has another dream. He's tossing and turning in his bed...

ANAKID

Oh, mom, no, mom, aah!

EXT. BALCONY - MORNING

PetMe finds Anakid on the balcony.

PETME

I heard you spanking it last night. You sick bastard! You were wet dreaming about your mother!

ANAKID

Jedi don't masturbate, they levitate.

(CONTINUED)

PETME

That's just disgusting.

ANAKID

I must go to Tatooine and visit my mother.

PETME

Tatooine again! It's such a boring place!

EXT. KAMINO, ANOTHER LANDING PLATFORM - DAY

Obi-Wan confronts the two Fetts!

A FETT

Hey! I thought you left yesterday!

OBI-WAN

Yes, I've been hiding outside in the rain all night, working up the courage to face you!

A FETT

Then I guess it's a good thing it took us all night to get our things packed to leave in a hurry!

They fight!

Thanks to his Jedi super powers Obi-Wan has soon defeated Fett.

A FETT (cont'd)

This is not fair. I don't have any Jedi powers.

OBI-WAN

Okay. We'll start over then, and this time I won't use Force-Push and Pull.

They fight again!

This time the Fetts escape.

OBI-WAN (cont'd)

Oh! Not good!

EXT. TATOOINE, TUNESIA - DAY

Anakid and PetMe and Artoo (he's back!) arrive on Tatooine, and visit Watto, Anakid's former slave master.

(CONTINUED)

ANAKID

I always dreamt about coming back here and free my mother and the other slaves.

PETME

Now's your chance, as a Jedi!

They meet Watto.

ANAKID

I'm looking for my mother, Shmut Skywalker.

WATTO

Oh yes, Shmut. I sold her and the guy freed her and married her and now they live in the homestead from the Original Trilogy!

ANAKID

That saved some screentime.

PETME

What about the other slaves? Are you going to free them?

ANAKID

Ah, screw them!

EXT. SPACE, ASTEROID FIELD

Obi-Wan chases the Fetts, who fly in their mighty unoriginal Slave-1!

OBI-WAN

Aha! An asteroid chase! I've seen how these are done in the Original Trilogy. This will be easy!

Indeed, Obi-Wan is able to evade the rocks and then hides on the backside of an asteroid. The Fetts think he's gone!

OBI-WAN (cont'd)

Just like Han Solo hid on the backside of a Star Destroyer in the Original Trilogy! I was wise to watch those movies, or else I might have been killed!

EXT. GEONOSIS - NIGHT

Obi-Wan flies his fighter straight over the Geonosian city, observing many spaceships parked at the site.

Of course Geonosian Air-Defense notices him! He is shot down! Oh No!

(CONTINUED)

OBI-WAN

This isn't how it's supposed to go!

EXT. TATOOINE, HOMESTEAD - DAY

Anakid and PetMe have found the Original Trilogy homestead.

C-3PO

Master Anakid! My creator! It is you! It is you!

ANAKID

My son. At last we are reunited.

UNCLE OWEN

Hi. I'm uncle Owen, and this is my girlfriend aunt Beru.

AUNT BERU

Hello.

PETME

I'd love to chat with you.

AUNT BERU

...

PETME

Whoops. All out of lines, huh?

CLIEGG

I'm Cliegg. I'm the bastard who bought your mother. The bitch told me she loved me, so I took off her shackles and I wanted to marry her, but then she ran away with all my money! She joined some Tusken biker gang!

ANAKID

Typical. I'll go look for her.

EXT. TATOOINE, TUSKEN BIKER GANG CAMP - NIGHT

After a search, Anakid has found his mother. She is tied up in a tent, beaten up.

ANAKID

Mom, what happened?!

SHMUT

I'm okay. It's just a bit of Sado Masochistic stuff. These bikers are wild!

ANAKID

Let's get out of here!

(CONTINUED)

SHMUT

No. I must die now. The pink monkeys command me to.

ANAKID

No, don't!

SHMUT

It's too late. The drugs...too much...overdose...  
I...have...earned...my...  
paycheck...

Shmut dies.

Anakid goes crazy and goes outside. He starts killing the Tusken bikers!

INT. JEDI TEMPLE, YODA'S ROOM

Yoda senses something.

FANBOY'S VOICE

No! Lucas! No, don't, noooo!!

YODA

Pain, I sense, terrible pain! In danger, the Original Editions of the Original Trilogy are. Something terrible has happened. Replaced with Special Editions, I fear they have been...

INT. GEONOSIS CITY, CONFERENCE ROOM

Obi-Wan, after successfully avoiding capture, has snuck into the city, and listens in on an important meeting.

COUNT DOOKU

Now we must join forces with more cartoon characters, then nothing in the universe will stop us from having our own merchandizing empire!

FAKE ALIEN #1

What about PetMe? Is she dead?

COUNT DOOKU

I had complete faith in the assassin I hired, too bad he turned out to be an idiot who just gave up and went home to spend quality time with his annoying clone son!

(CONTINUED)

## CARTOON CHARACTER

We will join you, as long as we get to have a spin-off cartoon series.

Obi-Wan has heard enough. He sneaks outside to send a message to his friends.

INT. PETME'S SHIP (TATOOINE) - MORNING

Artoo is inside PetMe's ship, which is parked close to the homestead. He receives Obi-Wan's message.

OBI-WAN

(hologram)

Give this message to Anakid!

Artoo stays where he is. If nobody is going to let him do anything cool in this episode, he's certainly not going to deliver any urgent messages on time!

INT. HOMESTEAD, GARAGE - DAY

Anakid has returned with his dead mother. In the garage he needs to get rid of his frustrations!

PETME

I brought my whip. Shall I whip and spank the frustration out of you?

ANAKID

Why did she have to die?!

PETME

Anakiddie, what's wrong?

ANAKID

What do you mean, 'what's wrong?' My mother is dead, you stupid bitch! What do you think is wrong?!

PETME

Oh, yeah, stupid question.

ANAKID

I killed them all. The bikers, and the fanboys, and the critics too! I hate them! They're like Ewoks, and I slaughtered them like Ewoks!

PETME

Okay... I'm going away now. You just stay here, and I'll be back soon with some nice people in uniform who are going to take you with them and ask you a few questions, okay?

(CONTINUED)

Oh no! PetMe is going to call the cops! Anakid is in trouble!  
He must do something! Only a mindtrick can save Anakid now!!

ANAKID  
(mindtricking)  
You will not call the cops.

PETME  
I will not call the cops.

ANAKID  
You feel sorry for me.

PETME  
I feel sorry for you.

ANAKID  
It's okay. I'm only human.

PETME  
It's okay. You're only human.

ANAKID  
Let me touch your booty and cop a  
feel for comfort.

PETME  
Here. Touch my booty and cop a feel  
for comfort.

ANAKID  
Oh, yeah. I'm good.

EXT. TATOOINE, HOMESTEAD - DAY

Everybody has gathered around Shmut's grave. PetMe is dressed in the traditional Nabooty funeral clothes: a tight white jumpsuit with matching scarf and a designer blaster strapped to her leg.

ANAKID  
I won't fail again, mom. I promise  
I will save the Original Editions  
of the Original Trilogy from  
destruction.

Then Artoo finally delivers the message.

PETME  
Artoo-Detoo! You lazy droid! We had  
our chat in the garage, dug Shmut's  
grave, carved a tombstone, buried  
her, and said are goodbyes, and  
only now do you deliver the super  
urgent message!

Anakid, PetMe, Artoo, and C-3PO get in the ship.

INT. PETME'S SHIP (TATOOINE)

The message is played.

OBI-WAN  
(hologram)  
Count Dooku is the bad guy...I  
think... He has joined forces with  
cartoon characters and is producing  
thousands of life-size action  
figures!

INT. PALPATINE'S OFFICE

The message is also played in Palpatine's office, where  
everybody important just happened to be.

PALPATINE  
No, no. This happens a bit later,  
but is simply shown simultaneously  
to save time.

YODA  
Inconsistent with rest of Saga this  
is. Always in correct chronological  
order, scenes have been.

JIMMY SMITS  
We must go to war. It's the coolest  
thing to do.

PALPATINE  
Yes. We need some action. But first  
we will need to establish a  
dictatorship to be able to use our  
CG army.

EXT. TATOOINE, HOMESTEAD - DAY

Cliegg, Owen, and Beru stand outside when they suddenly see  
PetMe's ship taking off!

CLIEGG  
They left without saying goodbye!

UNCLE OWEN  
They took C-3PO! Stop! Thieves!

INT. GEONOSIS, DUNGEON

Obi-Wan hangs in a blue special effect. Count Dooku pays him  
a visit...

COUNT DOOKU  
I explained the plot to the Jedi  
Council, but they wouldn't listen.

(CONTINUED)

OBI-WAN

Then explain it again in another conference room scene later in this episode.

COUNT DOOKU

No, I will have that scene deleted! It's a pity our paths have never crossed, despite the fact that your master, Qui-Gon Jinn, was once my apprentice.

OBI-WAN

I don't believe you.

COUNT DOOKU

It's true. We have a history, from a certain point of view.

OBI-WAN

The point of view that this is the first time I have heard this!

COUNT DOOKU

Join me Obi-Wan, and together we will destroy the Special Editions!

OBI-WAN

Sounds like a good idea. Okay.

COUNT DOOKU

Uhm, no. I was just speaking 'epic'. I didn't mean it.

OBI-WAN

Oh, okay.

INT. PETME'S SHIP (GEONOSIS)

Our friends have landed on Geonosis and have hidden their ship in a huge shaft on a conveniently placed landing platform.

PETME

Let me do the talking and stay calm. Perhaps we can find a diplomatic solution.

ANAKID

Okay.

They exit the ship and enter a building.

INT. GEONOSIS, CORRIDOR

Anakid and PetMe walk through a corridor. Behind them loads of CG Geonosians crawl and make silly noises!

(CONTINUED)

PETME  
What's that noise?

ANAKID  
I don't hear anything. I'll use my  
super sensitive Force senses to  
scan the area for trouble.

It works! Anakid notices the many Geonosians who stand right  
behind him making silly noises!

Anakid starts slashing the beings!

ANAKID (cont'd)  
You call this a diplomatic  
solution?

PETME  
We could have had a diplomatic  
solution if you hadn't started  
killing all these innocent people!

INT. GEONOSIS, ACTION FIGURE FACTORY

Anakid, PetMe, Artoo-Detoo, and C-3PO arrive in a giant  
action figure factory and get suckered into the production of  
a videogame.

Soon however, Anakid and PetMe are captured.

INT. METROPOLIS, SENATE

The moment of truth has arrived.

JAR JAR  
Mesa gonna help Palpatine form da  
Empire!

PALPATINE  
I promise you I will use my  
dictatorial powers to lower the  
taxes on booty-wax...

Everybody cheers!

PALPATINE (cont'd)  
...and form an evil Empire.

Everybody is still cheering, so nobody hears him.

SAMUEL L. JACKSON  
It is done then. I'll go to  
Geonosis and kick some ass. It's  
about time!

(CONTINUED)

YODA

Go to Kamino I will, and check out clones. Should have done this sooner, I suppose. Hope nobody else has picked them up in our name, I do. Also hope I can fly to Kamino, talk to Kaminoans, pay them, find transportation, load clones into transports, fly to Geonosis, form battle plan, and deploy troops in time to save your sorry ass I do!

INT. GEONOSIS, TUNNEL OF LOVE - DAY

Anakid and PetMe are on a cart in a tunnel.

ANAKID

Don't be afraid. They're only going to slaughter us in an entertaining way.

PETME

I'm not afraid. I've been dying a bit each day since we met again. You're so terrible! If only HurtMe was here! My favourite handmaiden! Oh HurtMe, HurtMe!

Anakid is annoyed with this lesbo stuff.

ANAKID

(mindtricking)  
You love me.

PETME

I love you.

ANAKID

(mindtricking)  
You want to be with me forever.

PETME

I want to be with you forever.

That won't be difficult, because they're about to die!!!

EXT. GEONOSIS, ARENA - DAY

Anakid and PetMe are chained to poles in the middle of an arena! Obi-Wan is also chained to a pole!

ANAKID

We can use the Force to open the chains!

OBI-WAN

No! That would be too easy.

(CONTINUED)

PETME

I'm sure they'll release us from the chains so we can try to run away from their big, hungry animals, so that the spectators get some enjoyment.

COUNT DOOKU

No! That would be too obvious. We'll just leave you chained up and let the animals come to you.

This happens, but of course our heroes manage to break free from their chains!

Like a good host, Dooku explains the action to his guests.

COUNT DOOKU (cont'd)

As you can see the Arena Beast Sequence is symbolic for the loss of innocence of the characters, especially PetMe's. She entered the arena through the vulva-shaped entrance and was chained to a phallic-shaped pole. She then climbed up to the top - or head if you will - and lost part of her virgin-white symbolic tight clothing by being attacked by a giant pussy. Her adult cravings got the best of her. The giant pussy was then slain by Anakid on a horned animal - symbol of his testosterone-laden masculinity. Urged on by the man, PetMe then jumped from the phallic-symbol in her white suit - ejaculating as you will - and landed crotch first on top of the man-symbol-beast and - as a sign of acceptance and submissiveness - sat behind her future husband and kissed him gently as a reward. Then they rode off together. All was well, until the other, more experienced man - the master - sat behind her and touched her booty, threatening to take control of the situation away from the young man. This whole symbolic thing will have its continuation later.

PETME

So that's why this turns me on.

(CONTINUED)

FAKE ALIEN #1  
I don't want her excited! I want  
her dead! A Fett, kill her!

A Fett moves forward... SLASH!!!

A Fett is dead! Samuel L. Jackson has killed him!

OBI-WAN  
Hey! I was supposed to kill him! I  
had this macho thing going on with  
him!

SAMUEL L. JACKSON  
Shut up! I'm cooler than you!

To demonstrate this point Sam also kills little Boba Fett!

SAMUEL L. JACKSON (cont'd)  
Die bitch!

COUNT DOOKU  
You can't do that! Boba is needed  
in the Original Trilogy!

SAMUEL L. JACKSON  
Just use another clone. They all  
look the same and besides, you  
never get to see Boba's face in the  
Original Trilogy anyway.

COUNT DOOKU  
Oh, yeah. Good point, master Windu.

SAMUEL L. JACKSON  
Windu? Who's Windu?

COUNT DOOKU  
You are. Your character's name is  
Mace Windu.

SAMUEL L. JACKSON  
Cool. Now this episode is over, you  
sad bunch of mofos!

A whole bunch of Jedi Knights enters the arena! They jump  
around and wave their glowing sticks! Our friends are saved!

COUNT DOOKU  
I don't think so.

Suddenly loads of CG droids enter the arena and start killing  
the Jedi!

CG Geonosians join the battle!

CG droids and Geonosians fight real and CG Jedi Knights!

(CONTINUED)

C-3PO and Artoo-Detoo are there too!

C-3PO  
Help me Artoo! Or else I'm going to  
make gay jokes!

It's too late, but in the end Artoo saves his friend. Well,  
at least he got to do something!

ANAKID  
You call this a diplomatic  
solution?

PETME  
No! I call this CG overkill!

Soon only a few Jedi, and Anakid, and PetMe survive. They  
will soon have their booties spanked for the very last  
time...

Then Yoda and the CG clones come flying in with CG  
helicopters!

They're saved again!

YODA  
Battle other CG army you must, my  
CG army!

CAPTAIN OBVIOUS  
And look! It's the Attack Of The  
Clones!

EXT. GEONOSIS, BATTLEFIELD - DAY

The CG army battles the CG army, while CG Jedi and other CG  
things also fight and do stuff!

CG CLONETROOPER  
The CG army has been surrounded and  
is in full retreat, Master Yoda.

YODA  
Damn! Lost, we have!

CG CLONETROOPER  
No, I mean the other CG army.

YODA  
Oh, good. Won, we have then!

INT. CG HELICOPTER

Meanwhile in their helicopter, Obi-Wan, Anakid, and PetMe  
follow Count Dooku, who flies a silly speederbike.

(CONTINUED)

Then the helicopter is hit!  
PetMe and a clonetrooper fall out!

PETME  
Aaaaaaaaaaaaaaaah!!!!

ANAKID  
PetMe!!!!

OBI-WAN  
Forget about her. Her booty is too  
distracting.

ANAKID  
No! I want booty-action with her!

OBI-WAN  
Come to your senses! What would she  
do in your place?!

ANAKID  
She would petition to have the  
Original Original Trilogy released  
on DVD.

They fly on.

EXT. GEONOSIS, DUNES - DAY

Luckily PetMe fell on some conveniently located sand dunes on  
this rocky planet. Sadly, she's in pain.

PETME  
Aarch! My back is broken!

CG CLONETROOPER  
Are you alright?

PetMe jumps up.

PETME  
Sure. No problem. Let's go to that  
hangar!

CG CLONETROOPER  
What hangar?

PETME  
The hangar Count Dooku and my  
friends are flying to.

CG CLONETROOPER  
I can't see it from here. Are you  
sure they're flying to a hangar?

(CONTINUED)

PETME

Where else would Dooku go to? A ship hidden in the desert, or under ground? No, he must have placed his ship in a secret hangar in some mountain, far away from the other hangars, so it's not too easy to reach.

CG CLONETROOPER

How do you know which hangar we need to go to?

PETME

Oh! We'll just pick one!

CG CLONETROOPER

So you don't really know which hangar they are in, or even if they're in a hangar at all?

PETME

Okay. You win. Now let's go looking for them.

INT. SECRET HANGAR

Dooku is about to enter his ship, when Anakid and Obi-Wan come running in.

ANAKID

You will pay for all the deleted scenes and initial intentions and ideas that never made it into this episode, Dooku!

COUNT DOOKU

Young fool. Only with the DVD and novelization and rationalizations will you be able to defeat the nonsense. Now back down. I'm better than you.

To demonstrate his superior skills Dooku injures Obi-Wan, then he fights Anakin.

ANAKID

You won't turn me to the Dark Side, no matter how much you tempt me! Even if I have tasted the power of the Dark Side before and slaughtered a bunch of people! You will not make me lose my mind now, no matter how hard you try!

COUNT DOOKU

Good. I won't try then.

(CONTINUED)

ANAKID

Huh? No dramatic fight?

Dooku takes advantage of Anakid's confusion and chops off one of his arms.

ANAKID (cont'd)

Ouch.

Anakid is down too!

COUNT DOOKU

This lack of drama involving the main character has made me tired. I will leave now.

YODA

So fast, you must not be, Dooku.

Yoda walks in!

COUNT DOOKU

Yoda. I hope you don't want to fight me with a lightsaber. That would look silly.

YODA

With the Force, we shall play then.

They play around with the Force a bit.

COUNT DOOKU

It is obvious that our fighting serves no purpose. The climactic fight scene should involve the main character in a dramatic way, so that he may be further developed.

YODA

Fight you, I will! Yaaaaah!!!!

Yoda whips out his little lightsaber, jumps up, flip flops, twirls, bounces and slashes!

Soon however, he gets tired.

YODA (cont'd)

Fought well you have, my old Padawan!

COUNT DOOKU

Fought insanely stupid and ridiculous you have, my old Master! Hey, hang on! I didn't know I was once your padawan!

(CONTINUED)

YODA

Say that to everyone I fight, for  
no good reason I do.

COUNT DOOKU

You disgrace me with your pointless  
presence, silly antics, and  
meaningless dialogue, Yoda. I will  
leave now.

YODA

Okay. Bye.

Dooku gets in his ship and flies away.

PetMe runs in.

PETME

Did I miss anything?

OBI-WAN

No. In fact, you're very lucky you  
didn't get to see that. Praise  
yourself lucky, girl!

INT. METROPOLIS, SECRET SITH PLACE - TWILIGHT

Count Dooku has arrived in the secret Sith place, where his  
master the ROTJ Emperor \* awaits him.

\* (See Episode 1: ***The Perils Of Queen ImADalek Of Nabooty***)

COUNT DOOKU

I bring good news, my master. The  
episode is almost over.

ROTJ EMPEROR

Well done, lord Tyranus. Everything  
is going as planned.

COUNT DOOKU

Well...everything except for the  
fact that the bounty hunter I hired  
to kill PetMe happened to use a  
dart that was recognized by some  
guy who happened to know Obi-Wan;  
and that Obi-Wan then discovered  
the clone army before you had the  
Military Creation Act passed in the  
Senate; and before my droid army  
was fully completed and spread out  
over the Galaxy; and that this army  
was discovered and part of it was  
destroyed, as well as many droid  
factories; and that I almost got  
killed in the process.

(CONTINUED)

But, yes, apart from all that everything went according to plan.

ROTJ EMPEROR

No. All those things were part of my plan. I had foreseen it all.

COUNT DOOKU

Oh, come on! That's just stupid!

ROTJ EMPEROR

Okay, so I just said a throw-away bad guy line! What do you want to hear? *'Everything is going according to plan, except for the things that didn't go according to plan, but we adapted our strategy and came out as the winners anyway'*?

COUNT DOOKU

Yeah, that would be fine with me.

ROTJ EMPEROR

You still have much to learn about throw-away lines, my evil apprentice.

INT. JEDI TEMPLE, COUNCIL CHAMBER - TWILIGHT

Obi-Wan meets with Samuel L. Jackson and Yoda.

SAMUEL L. JACKSON

Where is your apprentice?

OBI-WAN

He's taking PetMe back to Nabooty. I only hope they don't have any booty-action. He said something about that I think. Have you discovered what all this stuff about separatists, and armies and all that was all about?

SAMUEL L. JACKSON

The Prequels have become unreliable. It's best we just go with the flow.

YODA

Begun, this clone war, has.

OBI-WAN

Weren't there supposed to be Clone Wars? I remember saying something like that in an upcoming episode.

(CONTINUED)

YODA

Semantics, matter they do not  
anymore.

SAMUEL L. JACKSON

So it's called the clone war. Who  
came up with this? Did this person  
know there was going to be a war,  
and did he name it in advance, only  
so he could refer to it later and  
look cool?

YODA

No. Made it up just now, I did.  
Sounds cool, does it not? Clone  
war... Nice ring to it, it has.

Obi-Wan and Samuel L. Jackson agree.

EXT. METROPOLIS, MILITARY STAGING AREA - TWILIGHT

Palpatine, Jimmy Smits, and others look on as CG  
clonetroopers are loaded into CG ships. Jimmy balls his fist  
and bangs a railing in frustration.

JIMMY SMITS

No! No! I still don't know what my  
character's name is! Am I even on  
the right set?!

EXT. NABOOTY, SUMMER HOUSE, BALCONY - DAY

Anakid and PetMe get married.

PETME

Hang on! Where does this marriage  
come from? I don't remember  
planning a marriage, or falling in  
love, or anything like that!

ANAKID

(mindtricking)  
You love me.

PETME

I love you.

ANAKID

(mindtricking)  
You want to marry me.

PETME

I want to marry you.

ANAKID

(mindtricking)  
You want booty-action with me.

(CONTINUED)

PETME

I want booty-action with you.

ANAKID

(mindtricking)

You will always do the laundry, do the dishes, take out the garbage, clean the house, make dinner, get a boob-job, dress sexy, and invite your handmaidens and girlfriends over for some extra booty-fun.

PETME

I will always do the laundry, do the dishes, take out the garbage, clean the house, make dinner, get a boob-job, dress sexy, and invite my handmaidens and girlfriends over for some extra booty-fun.

AAAAARCH!!!!

Oh no! PetMe's peaceful and fragile Nabooty mind has SNAPPED under the constant and heavy pressure of Anakid's super-mindtrick!!!

She is now his slave! Doing everything he wants! Anakid has succeeded where BangMe had failed! PetMe might be lost forever!

Will we ever find out if PetMe will make it through in one piece? Will she ever escape the super-mindtrick and regain her senses?

What will happen next?!

QUI-GON JINN'S GHOST

Hey! What about me?!

FADE OUT.

A not so long time from now, in a galaxy we've lost interest in...

FADE IN:

EXT. SPACE

A vast sea of stars serves as the background to the title and a roll-up, which speeds away into infinity...

**STAR WARS**

**EPISODE III**

**A VERY BIG EXPLOSION  
(AVBE)**

The clone war has turned into clone wars, and those came to an end after Count Dooku was killed.

Palpatine quickly revealed himself as the evil Dark Lord of the Sith, and has killed a whole bunch of Jedi; has taken over the Republic; and has now formed an Evil Empire.

Anakid Skywalker turned to the Dark Side and then fell in lava. Needing a cybernetic suit to survive, he has turned into Darth Vader. Unknown to Vader, he is the father of the twins Luke and Leia, who were cloned from his DNA.

While Obi-Wan Kenobi and Yoda go into hiding, the brave Chewbacca The Wookiee has come up with a plan to erase the memories of the droids Artoo-Detoo and See-Threepio...

PAN DOWN

Through the vast sea of stars to reveal **A VERY BIG EXPLOSION!**

Out of the explosion come floating the famous droids Artoo-Detoo (R2-D2) and See-Threepio (C-3PO).

C-3PO

What the hell was that?

Artoo whistles. The poor little droid doesn't have a clue either.

A spaceship - a Blockade Runner - the Tantiv IV, flies towards the two droids and a tractor-beam is used to suck them inside.

Behind them, a lone Wookiee space-fighter from the Kashyyk Defense Force flies away.

INT. WOOKIEE SPACE-FIGHTER, COCKPIT

Chewbacca is at the controls. The brave Wookiee looks on as the droids are pulled inside the Tantiv IV.

Chewbacca growls, then pulls the hyperspace-lever towards him.

The stars outside the cockpit window turn into streaking lights as the small ship enters the alternate dimension of Hyperspace...

FADE OUT.
