There will also be some crossbred togg/alpine doe kids available out of yearlings.

Prices subject to change. Please contact me for availability.

Prices include transportation to Ontario (CA) International Airport (preferable) or John Wayne Airport in Orange. Prices do not include health certificate (about \$35 w/o any tests), shipping or crate. I prefer to ship kids by 8 weeks of age and they must be paid in full before shipping. A \$100 deposit will hold the kid of your choice if one is available. If I do not get a kid that I wish to sell, your deposit may be transferred to another kid or be refunded.
