February Shoot

There was quite a good turnout to the February shoot, with a couple of new faces as well – which is always good to see.

Everyone seemed to enjoy themselves – well they were smiling so either they were having fun or on a promise!

Not far away now...

There's not long now before the duck shooting season starts, and the clubs next shoot is our annual Duck Shooters Shoot.

This is a big fundraiser for the club, and due to the rain and flooding, we

missed out big time last year.

We need to make this year's event a really good one, both for the shooters and the clubs bank balance!

Please, please, please come along to the Duck shoot working bee – it doesn't just happen by magic.

Next shoot: 4th March
