* XX represents a state's two-letter postal abbreviation.

Note: The charges for using Locate or editing a search are the same as the database charge. Otherwise, Standard database charges (\$7.16/min.) apply for the entire session (e.g., browsing the Westlaw Directory or Scope). Browsing the Table of Contents service, Custom Digest, or KeySearch topic list is \$7.16/min., but you are billed at the applicable database rate when you retrieve a document from one of these services.

Per Minute Charges to Retrieve Documents

The charges for retrieving a document via the Find service or via the Previous Section/Next Section links are the same as the database charge.

Charges for Previewing Documents in the Link Viewer

When you click a hypertext link to view a document in the Link Viewer, you are charged the applicable database rate for the document displayed in the Link Viewer. When you close the Link Viewer and return to your original document, you are charged the applicable database rate for the original document.

Prices are effective March 1, 2006, for searches in westlaw.com® and are subject to change on 30-day notice. For current, database-specific prices, check the SUBSCRIBER database.
