

Hack-a-What?

The Problem

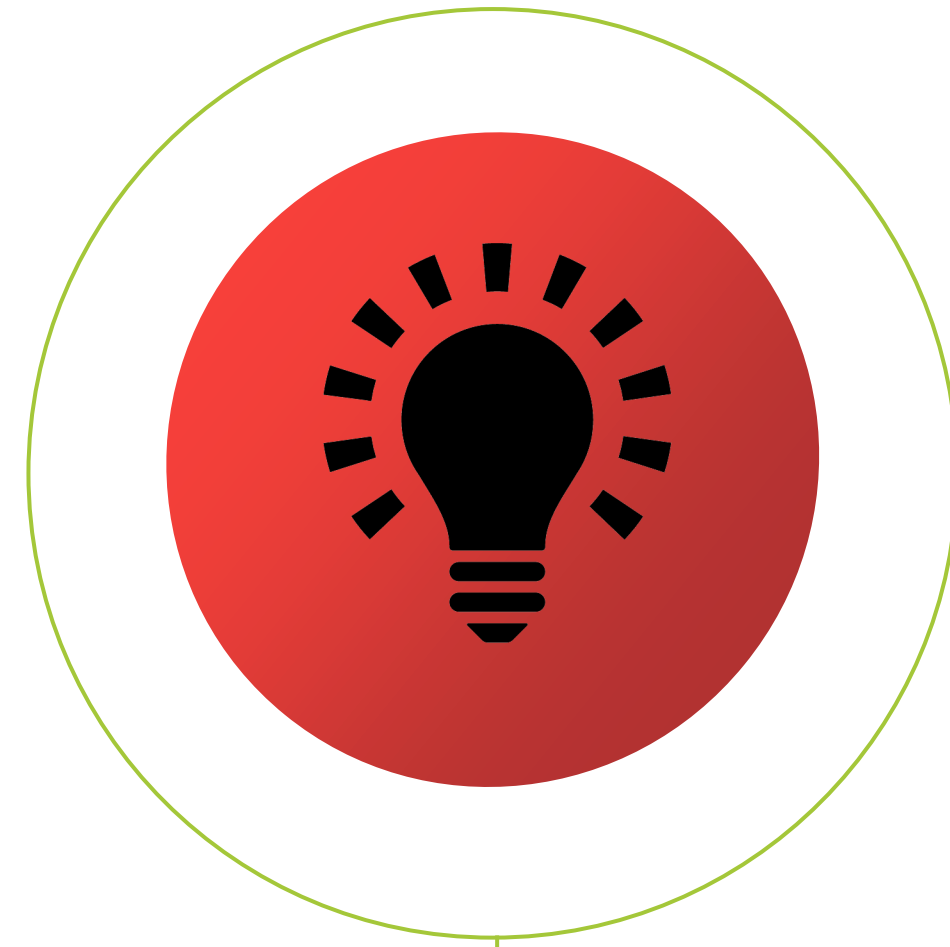

Where can I engage in civil discussions about issues that are important to me?

- Property taxes
- Build new school/renovate
- Dog park
- School budget

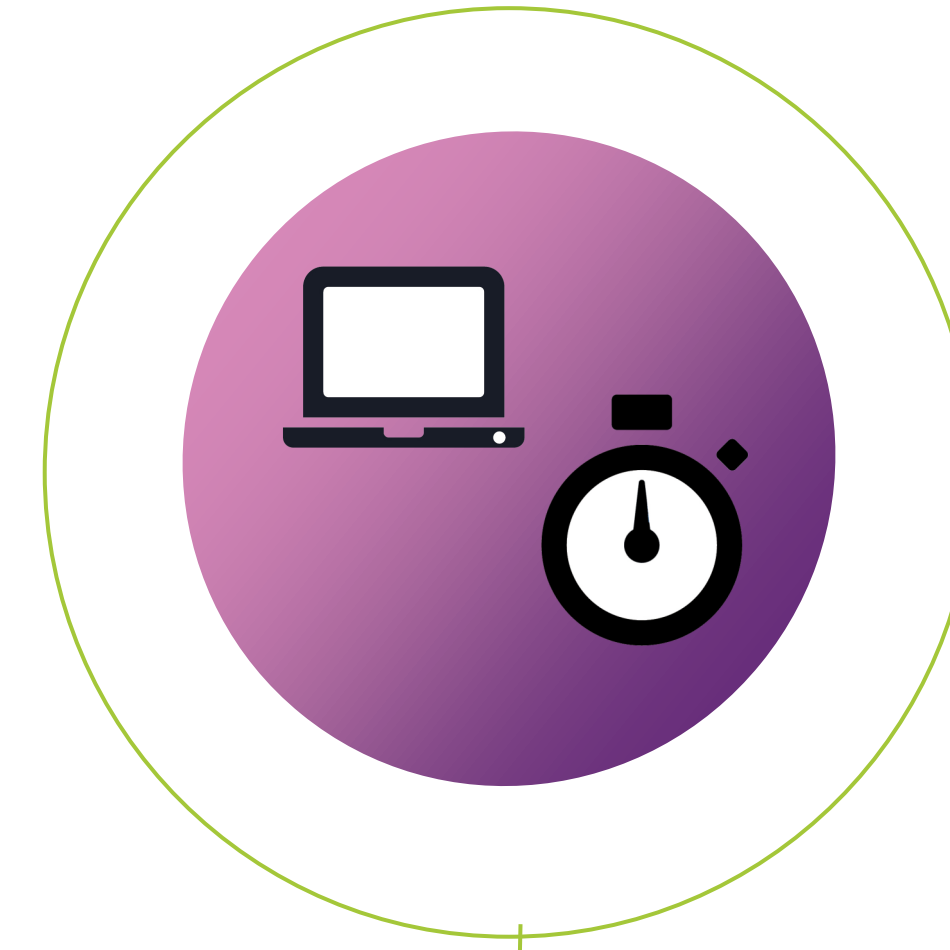

Our Solution

A safe, online place to discuss civic issues civilly.

Now What?

How to develop robust software on a small budget with limited time.

Mini Hack-a-Thon

- September 12
- Portland Public Library
- Bring in local tech experts

The Result

A website forum where people can engage in civil discussions about issues that are important to them!
