

SATURN A SILENT BENEFACTOR FOR HILLARY CLINTON WILL LEAD HER TO THE ROAD OF SUCCESS AS THE NEXT PRESIDENT OF AMERICA.

The position and the transit of Saturn in Hillary Clinton horoscope are very encouraging. The planetary transit on the day she made announcement in her website and her natal chart transit of Saturn will ensure her success. An astronomerological analysis does support this preposition.

Some astrological findings

1. Transit of the Dasa Lord(as per natal horoscope) Sun 11th from the moon sign.
2. Announcing the presidential candidate on the commencement of Sun Dasa.
3. Sun posited in favorable tara from the Moon, 8th tara, maitra Thara in her Natal Chart
4. On the announcement came on when the Major Planets are in a favorable transit.

5. The declaration for the candidateship was made on Saturday, Ruled by Saturn, was the Janma Rasi Star, Utrabadra Natchaitram. The transit of Saturn was very close to the position occupied by her birth Chart.

1	Saturn in Natal Chart	28:13 in Cancer (Atmakaraka)
2	Saturn in Current transit on 21/1/2007	29:17 in Cancer (Atmakaraka)
	The quarter of Asleya Natchatira ,Saturn occupying Meenam Navamsa which happen to be her 10 th Rasi in Birth Lagna	

6. The transit of Saturn at the point of declaration is very interesting, because he becomes Atma Karaka, according to Jaimini the most influential planet in horoscope. He occupies Meenam Namava. In both the charts(Natal & Birth Chart) The Atma Karaka is Saturn which is a rare phenomena. Is Saturn a silent benefactor to Hillary Clinton?

Uchhe dharmanityata kaivalyam cha.

If the Atmakaraka occupies Meenamasa, the person will be fond of virtuous deeds and charities, and will take residence in Swargadi Lokas or will attain to the final bliss or what is called by the Sanskrit writers Moksha or final emancipation or freedom from rebirths.

Does this mean that Hillary will certainly adhere to the promises made during her declaration?

1) Hiliary Clinton Birth in Mithunam Lagnam, Sun Dasa started from 12/02/2006 to 1/12/2012. Her declaration to fight the post of the president was during Sun Dasa/ Sun Bukthi. The Transit of Sun was 11 from her natal Moon. This no doubt gives a positive sign with conjunction of four planets, as the eleventh house depict realization of ambitions.

2) The Current Dasa Lord Sun occupies Sagitarius Navamsa, whose lord is Jupiter which happens to be the 10th house in the natal horoscope. Jupiter has a significant role to play as he becomes the 10th Lord from her Janma Rasi currently transit a favorable 9th transit from

the moon sign and 2nd from the Dasa Lord. It is very interesting to note that Sun occupied the ruled by the constellation of Rahu (Swati), Rahu rules number 4 in numerology. Look at the **Natchatira parivarthama between Rahu & Sun (Rahu in Kartika and Sun in Swati) it is a beautiful combination.** Sun obtained neecha bangga with Venus occupying the own house.

3) Jupiter in the natal chart is aspecting her 10th house. On the day of Declaration Jupiter aspects her 10th house too. Analyzing the role of Jupiter in both chart Jupiter the transit of Jupiter was very favorable for the 10th house which is considered as zenith of the Horoscope

Natal Horoscope	Natal Moon Meenam	Jupiter 9 th Transit	Favorable
On The Day of Declaration for Candidateship	Moon in Magaram	Jupiter 11 th	Favorable

4) Saturn transit will very favorable for Hillary Clinton as Saturn will transit in a good position as per conventional transit Saturn transit will favour her from three lagans at the time of election 4-11-2008

1	Lagna	Transit
	Lagnam	3 rd transit
	Chandra Lagna	6 th transit
	Surya Lagna	11 th transit

Such a very favorable may happen once in life time only for some lucky people.

5) Numerological analysis gives some clue to favorable transit

Number 8 will have a significant influence on Hillary Clinton:-

Date of Birth of Hillary Clinton= 26-10-1947

Date of Birth=26=8 Number 8 ruled by Saturn.

Hillary Clinton= Chaldean Numerology

6. Numerology will certainly give some clues, even if you calculate for most common name as Hillary Rodham Clinton=chaldean numerology will a total of =67=13=4

She is contesting for the post of President of America number 44=8, If she wins, she will become the 44th president of America.

7. The date of Election given as 4-11-2008, which gives a combination of number as 4 and 7, where four become the ruling number too.

			Ke 19:55
Mo 2:11 Ra 19:55			Sa 24:59
As 17:33 Ju 23:25	Ve 26:28	Me 6:03 Su 18:39 Ma 27:45	

Planets on 4-11-2008

8. She will become the **44** president of America. The number 44=8 which she has as her birth number =26=8.

9. On the day of Election Sun will transit with Mars/Mercury in the 10th place from radical moon, Saturn will through third aspect on Sun/Mars/Mercury

It is very clear that the astro numerological analysis somewhat proving that she is the mostly likely candidate for next president of America when comparing the transit of Saturn and her ruling Dasa. Saturn for Mithuna Lagna as said in Bavatha Ratnakaraga : "*Sanisthu misra balaga*" Saturn will be mixed result. Further more Saturn & Mars will cause vipareta Rajayoga as 6&8 lord in conjunction, 9th and 11th lord in conjunction. The ruling dasa lord Sun (lord 3rd) Conjunction 1st, 4th, 5th lord will certainly give good media coverage for Hillary Clinton.
