## **Astrological implication & events**

### **Drekana implication.**

Mars retrogressions in the 2<sup>nd</sup> drekana of Mihthunam. The second drekana ruled by Venus.

According to Samhita Skanda

“A man in a garden wearing armor, holding a bow, intent on sport and with an aquiline face “

The second decanate of Gemini is ruled by Venus.

The Second Drekkana of Gemini represents a man, living in garden, well armored , with a bow, warlike, armed with weapons, face like that of a Bird and fond of play, children, ornamentation and wealth. This is a human decanate and and a Bird decanate.

Since retrogression of Mars begins at the second drekana of Gemini, Martian influence will trigger the following events, Warlike situation will create more subversive elements such as militant activity increase ,there will more arial attacks using missals like weapons, since bird drekana arises tendency using long range armaments are likely. Military leaders will take power into their hands, such as coup. Since it's a bird drekana and destructive constellation arises at the time of retrogression, mass destruction of birds, avian creature is indicated.

### **Aridra Star**

This constellation is ruled by rudra, it depict destruction, and thunder & storm, violent winds will arise. Criminal activities will increase and aridra is a constellation Rahu which depicts thieves, extremist and demonic in nature may indicate subversive elements, as Gemini ruled higher grounds, aerial sign, tall building destruction in form fire and explosion may be expected.

### **Double bodies sign /House of twins**

Peculiar Birth twins need medical attention, since Gemini is a signage dual in nature situation will put important international talks unfruitful outcome or pending results. Gemini is the sign of twins. Mars represent the co born. Gemini is known mythological as heroic deeds. Gemini the sign mercury and transit of Mars may indicate youth related sport events / stadium; places were torments are held violent could be anticipated.

### **Transit of Mars in Gemini:**

Positive aspect of Transit of Mars, receiving mutual aspect of Jupiter from Sagittarius from 23/11/2007 will bring good prospects to editors, journalist, writers and publisher, development in telecommunication and travel agencies including astrologers. Since decante of Libra rises at the

time of retrogression of Mars in the star of Rahu (which is very famous for low class characters) such as adultery, cruelty, murder, gossip about films stars and scandal will once again come to surface.

### Doubled retrogression effect ( 43 days 19/12/2007 to 31/01/2008

In mist of Mars in retrogression, Saturn will turn retrograde on 19/12/2007 in Leo 14:35, which will further aggravated the global situation, however the aspect Jupiter will sober “ugra” of both malefic planets.

### Conclusion

Prolong transit of Mars in a mutable sign will definitely influence the weather, as airy sign involvement enhanced by retrogression of Mars in Star ruled by Rudra foretells some of destruction in violence and disturbed peace will not augur well good communications between nations and indecisive situation will prevail. Lilly goes on to say that *mutable* signs are inherently "unstable, and of no resolution, and mutable, perverted, wavering [...] inconstant."
