

### **Triumph of the Spirit :-**

**This is good stuff folks!! ☺.....this is precious!**

**Allow me to start with an excerpt from Pastor Benny's book, 'Good Morning, Holy Spirit' .....and its taken from page 52...here we go...☺**

*"But exactly who is He? The Holy Spirit is the Spirit of God the Father and the Spirit of God the Son. He is the power of the Godhead – the power of the Trinity.*

*What is His job? The task of the Spirit is to bring into being the commandment of the Father and the performance of the Son.*

*To understand the job of the Holy Spirit we need to understand the work of the Father and the Son. God the Father is the one who gives the command. He has always been the one who says, 'Let there be'. From the beginning, it has been God who gives the orders.*

*On the other hand, it is God the Son who performs the commands of the Father. When God the Father said, 'Let there be light,' God the Son came and performed it. Then, God the Holy Spirit brought the light.*

*Let me illustrate it this way. If I asked you, 'Please turn on the light,' three forces would be involved. First, I would be the one who gave the command. Second, you would be the one who walks to the switch and flips it. In other words, you are the performer of the command. But, finally who brings on the light? It is not me, and it is not you. It is the power – the electricity – that produces light.*

*The Holy Spirit is the power of God. He is the power of the Father and of the Son. He is the one who brings into action the performance of the Son. Yet He is a person. He has emotions which are expressed in a way unique among the Trinity.*

*I have been asked, 'Benny, aren't you forgetting the importance of Christ in all of this?' Never! How could I forget the one who loved and died for me? But some people are so focused on the Son that they forget the Father – the one who loved them and sent His Son. I can not forget the Father nor the Son. But I can not be in touch with the Father and the Son without the Holy Spirit (see Ephesians 2:18)"*

**That's were it ends for now ☺.....here is the scripture...**

Ephesians 2:18 says, "Now, all of us, both Jews and Gentiles, may come to the Father through the same Holy Spirit because of what Christ has done for us."

**I am going to continue with a small part of one of Pastor Benny's beautiful preaching about the Spirit, the Soul and the Body....and, how the Spirit should be**

**triumphant for a born-again believer....so keep reading and enjoy your life in the Spirit....by the way, this is what I could grab as fast as I could, from his “This Is Your Day” TV program as I was watching...enriching indeed!!...☺**

I Thessalonians 5:23 says, “Now may the God of peace make you holy in every way, and may your whole spirit and soul and body be kept blameless until that day when our Lord Jesus Christ comes again.”

Zechariah 12:1 says, “This message concerning the fate of Israel came from the Lord: ‘This message is from the Lord, who stretched out the heavens, laid the foundations of the earth, and formed the spirit within humans.’”

***The spirit of man is formed by God.***

Genesis 2:7 says, “And the Lord God formed a man’s body from the dust of the ground and breathed into it the breath of life. And the man became a living person.”

***The spirit of man can not rule the body unless the soul says ‘I will let you’. Soul stands in between both...body is formed out of dust...the spirit is breath into the body...the soul is the result of body and spirit coming together.....I need a spirit to know God....soul to know self...body to know the world around me....God is in the spirit...a new birth experience is in the spirit....self is in the soul....but sense is in the body...each has a function of its own...Adam was in his unfallen state when sin corrupted him.....we are in the imperfect state and therefore we are born into it.....spirit of man can not subdue the body without the soul....the spirit can not rule the body without the soul...and vice versa...the body can not touch nor corrupt the spirit without the soul....unless the soul allows it to draw the spirit into the world and bring it to death.....the soul is the result of God breathing into a house of mud...’became’ means ‘is the result of the Lord’s breathing’.....its amazing, the soul takes the character of the one to what it submits to...the spirit can not touch the world around you unless your soul allows it... the spirit of you dwelled by God can not touch your body nor the world around you unless your soul is submit to the spirit and if you choose your soul to submit to the body then you are lost....you are living in the dead.... when Adam fell, the noblest part of man, your spirit died.....when Adam fell, it ceased to exist....dead unto God...the soul makes decisions...the spirit rules the body through the soul...in the spirit there is order....in the flesh there is chaos....there is no order...because the lowest part, the body is in control and there is no head...there is no true image, no order that God has established....***

Hebrews 4:12 says, “For the word of God is full of living power. It is sharper than the sharpest knife, cutting deep into our innermost thoughts and desires. It exposes us for what we really are.”

***God revives the Spirit....death silences the Spirit....the soul takes the character of the body and God takes control of life and the God says start fresh, rebuild yourself...***

I Timothy 2:14 says, “*And it was the woman, not Adam, who was deceived by Satan, and sin was the result.*”

*Adam was not deceived...but the woman was deceived...he made the choice clearly...he understood what he was doing...amazingly the woman was not punished...Adam was...the man was judged, therefore his life was judged...he chose to disobey...he chose to sin...Adam fell because of affection...not because of deception...he fell because he loved his wife way more than he loved his God...he made the choice....That's when death came into his spirit...his soul became subject to the body and therefore death...then man became a soulish being...not a spiritual man...but a soulish man...but thank God, at salvation Lord begins a process of division....dividing the soul from the spirit....all divine works begins within...*

**Wow!! ☺...good stuff indeed!!**
