

**CUT WASTE**

**NOT JOBS**

Why does Nottingham City Council have **ambitious** plans to slash over 600 jobs and cut front-line services?

Why is it **Proud** to keep wasting YOUR money:

- £28.3 million of YOUR money paid to private consultants (April 2005 to March 2008)
- £500,000 in pay-offs for Chief Executives
- 'Investing' £42million in Icelandic banks?

**Back our protest Monday 9 March  
1-2 pm in Old Market Square**
