Agent Orange Association of Canada

Dartmouth Sportsplex
Thistle Room
110 Wyse Rd
Dartmouth Nova Scotia

Saturday August 26, 2006
1:30 - 4:30 PM

You are invited to meet with members of the Agent Orange Association of Canada for an informal gathering for conversation and refreshments.

This gathering will be of interest to individuals who may be suffering ill health from the more than 1.3 million litres and 2 million lbs of dry deadly chemical defoliants containing dioxin and hexachlorobenzene sprayed at CFB Gagetown new Brunswick between 1956 to 1984.

We look forward to meeting you.
