

RSI Ema Strategy :-

Point A:

1) 9 Ema (red line) cross 26 Ema (green line) from below to above

Crossover formed as shown in below chart.

2) After crossover RSI is also cross 60 value & going up direction as shown below

At this point we will make entry buy decision.

Point B:-

1) 9 Ema (red line) Cross 26 Ema (green line) from above to below

2) RSI cross 60 value from above and RSI value going in down direction (dropping to 25).

This indicating for sell signal.
