

SCOUTS CANADA *Welcome to OTTAWA!*

For your children

New community...new school...new friends.
One of the most difficult things a family can do is move to a new neighbourhood, and leave behind those things we cherish most...

Or it can be exciting!

The Scouting program can help to minimise the worries that occur with new surroundings. From the start, the youth meet friends of the same age, in the same community, attending the same schools. With groups covering the Ottawa area, the program runs for the majority of the year teaching skills, self-esteem, teamwork and leadership.

For yourself and your new community

Scouting relies on its volunteers. We are always looking for good leaders. You may be surprised at the skills you possess that we can certainly use. Whether as a section leader, providing the program to the youth, or as a support person, who assists with only a particular activity (like special events or woodworking), your time would truly benefit the youth and your community.

If you've already been a Scouter, we encourage you to please continue with us. If not, we'll gladly provide you with the training to allow it to happen. We all started somewhere. We hope you will too.

We are very proud of our program. We hope that you and your family will consider being part of Scouting while in Ottawa. If you have any questions at all, including the nearest location of a Scout Group in your new surroundings, please feel free to call 1-888-Scouts-Now (1-888-726-8876). We'd love to hear from you!
