## *Making it Legal*

Hey, no reading the fine print!

Best Woman Lynne Wysynski and Best Man Paul Andrews ...

... and a few other witnesses!

# Intermission

## Time to Play

Children and adults alike played...

...while Doug Poruchny worked his magic...

...and guests signed the frame of a wedding picture by Sam Logan.

# The Reception

The tent was decorated with roses from the Heritage farm...

Kyle helped Caterer John Annear of Moonlight Catering bring the drinks...

There were drinks for the young...

...and the not-quite-so-young.

The reception featured the indispensable "3 F's": Food, Family and Friends...

...and, of course, the big "D": desserts provided by the Muffin Girl.
