- One-Time Fee: This fee is charged one time
- Monthly Service Fee: This is your monthly service charge
- Monthly Hardware Fee: Only applicable if you are purchasing a hardware with Promotional Payment

Upfront Purchase: If you cancel your order prior to installation, you will not be charged. If you cancel service in the first 30 days after activations, you may return the modem and outdoor transmitter to direcway; once all equipment is received back, you will be refunded \$400. You will not receive a refund for any installation charges, DIRECTV upgrade kits, or other fees. If you cancel service more than 30 days after activation and prior to the completion of the 15-month commitment, you will be charged a \$300. Service Termination Fee and are not eligible to receive any refunds.

NON-STANDARD INSTALLATION FEES

Installation or service work is NOT refundable!

The following is a list of prices for the most common custom work that might be necessary during the installation or service of your satellite dish products for DirecWay

All installations are different because all houses are different.

Additional work is payable directly to the installer at time of installation.

The dealer from whom you purchased your product includes a "standard installation" which is described above.

Basic .74m dish \$200 Included with installation

Basic .98m dish Installation \$400 Included with installation

Physical Site Survey \$50 Included with installation

Basic Service Call (up to 2 hours of labor) \$80/hr, 2 hour minimum

Additional Cost
