

Update on Cardiac & Trauma Life Support

Dear Doctor,

Emergency medicine is a key avenue in the modern practice of Anesthesiology and offers tremendous opportunities and challenges.

This CME/Workshop presents information and skill training, needed for the management of serious cardiac emergencies and arrest as well as trauma life support in the adult patient. Workshop with small group teaching with hands on experience will be arranged.

The programme is expected to benefit the practicing Anesthesiologists and postgraduates in Anaesthesiology.

We invite you to make maximum use of this scientific programme and enhance your expertise in resuscitation.

Dr Ambareesha M
HOD, Anesthesiology

MANIPAL UNIVERSITY

in association with

INDIAN SOCIETY OF ANESTHESIOLOGISTS, ISA National

Guest faculty

- DR P F KOTUR
- DR TV RAMAKRISHNAN
- DR B K RAO
- DR VP CHANDRASEKARAN
- DR RAM RAJAGOPAL
- DR MANIMALA RAO
- DR TAMORISH KOLE
- DR D DASGUPTA
- DR PARAMESHWAR
- DR RAVEENDRA U S
- DR B RADHAKRISHNAN
- DR BALA VENKAT

WORKSHOPS

BLS, ARRHYTHMIAS,
ELECTRICAL THERAPY,
ALGORITHMS

CRICOTHYROIDOTOMY, CHEST
TUBE INSERTION, SPINE
IMMOBILISATION, FAST, RSI

DECEMBER 1

CARDIAC LIFE SUPPORT

- Universal Approach to a Seriously Ill and Injured Patient
- Update on 2005 AHA /ILCOR / ERC Guidelines: The science behind the changes
- Airway Management in Trauma & Resuscitation
- Post-resuscitation Care- Hypothermia
- Resuscitation in special situations (including Pregnancy)
- Pediatric Life Support – how does it differ from adult resuscitation?
- ECG Review
- Early goal directed therapy in Shock

DECEMBER 2

TRAUMA UPDATE

- Initial assessment of polytrauma
- Transfusion for Massive Blood Loss
- Chest Trauma
- Permissive Hypotension and Fluid Resuscitation in Trauma
- Focused Assessment with Sonography for Trauma (FAST)
- Trauma Neurological Resuscitation
- Pediatric Trauma
- End-points in trauma resuscitation

PANEL DISCUSSION

OPEN FORUM

Hurry!!!!

Limited registrations only..

Registration fee:

Rs 2000/-

For post graduates

Rs 1500/-

SATURDAY, 1 DECEMBER 2007
DAY -1 CARDIAC LIFE SUPPORT

Time	Topic	Speaker	Chair1	Chair2
8:00 – 8:15am	REGISTRATION			
8:15 – 9:00am	Universal Approach to a Seriously Ill and Injured Patient	Dr Ramakrishnan	Dr Padmanabhan	Dr N R Bhat
9:00 – 9:45am	Update on 2005 AHA /ILCOR / ERC Guidelines: The science behind the changes	Dr Ram Rajagopalan		
9:45 – 10:00am	TEA BREAK			
10:00 – 10:45am	Airway Management in Trauma & Resuscitation	Dr Raveendra U S	Dr Bhimeshwar	Dr Karunakar Adappa
10:45 – 11:30am	Post-resuscitation Care- Hypothermia	Dr Ram Rajagopalan		
11:30am – 12:15pm	Resuscitation in special situations	Dr Tamorish Kole	Dr Nalini	DR G K Bhat
12:15 – 1:00pm	ECG Review	Dr VP Chandrasekharan		
1:00 – 1:45pm	LUNCH BREAK			
1:45 – 2:30pm	Early goal directed therapy in Sepsis	Dr Ram Rajagopalan	Dr Mallikarjuna	Dr Sudheer Hegde
2:30 – 4:30pm	WORK SHOPS – Cardiac Life Support: BLS, Arrhythmias, Electrical therapy, Algorithms			
4:30 – 4:45pm	Tea Break			
4:45 – 5:45pm	Panel Discussion: <i>Controversies in training & execution of CPR + Open Forum for Discussions</i>	Moderators: Dr P F Kotur Dr Manimala Rao	Panelists: Dr Ram Rajagopalan; Dr T V Ramakrishna; Dr B Radhakrishnan; Dr B K Rao; Dr Dasgupta; Dr Harsoor; Dr Balakrishnan	
7:00pm	Inaugural Session			

Sunday, 2 December 2007

Day -2 **TRAUMA UPDATE**

Time	Topic	Speaker	Chair1	Chair2
8:00 – 8:35am	Initial assessment of polytrauma	Dr T V Ramakrishna	Dr Harsoor	Dr Madhusudan Upadya
8:35 – 9:10am	Transfusion for Massive Blood Loss	Dr Balavenkat		
9:10 – 9:25am	Tea Break			
9:25 – 10:00am	Chest Trauma	Dr Chandrasekharan	Dr Radha M K	Dr Saroja Sharma
10:00 – 10:35am	Permissive Hypotension and Fluid Resuscitation in Trauma	Dr Balavenkat		
10:35 – 11:10am	Focused Assessment with Sonography for Trauma (FAST)	Dr Santosh Rai	Dr Gurudas Kini	Dr Shripad Mehendale
11:10 – 11:45am	Trauma Neurological Resuscitation	Dr Tamorish Kole		
11:45am – 12:20 pm	Pediatric trauma	Dr Elsa / Dr Anitha Shenoy	Dr Venkatagiri	Dr Ambareesha M
12:20 – 12:55pm	End-points in trauma resuscitation	Dr Parameswaran		
12:55 – 1:30pm	LUNCH BREAK			
1:30 – 3:30pm	WORK SHOPS : Trauma Life Support: Cricothyroidotomy, Chest tube insertion, RSI with Spine immobilisation, FAST			
3:30 – 3:45pm	Tea Break			
3:45 – 4:45pm	Panel Discussion on Trauma; Open Forum	Moderator: Dr Balavenkat	Panelists: Dr TV Ramakrishna; Dr Tamorish Kole; Dr VP Chandrasekharan; Dr Parameswar
