

Merino Gold Skin Care Products have been extensively researched and formulated with pure 23-carat gold flakes from Italy to bring new energy, rejuvenation and age-control to you skin.

The softest of all metals, pure gold is hypoallergenic. When applied to the skin, it separates into ultra-fine, invisible particles and is absorbed easily. Gold influences the skin at a cellular level giving new energy, clarity and anti-ageing control. The skin feels fresh, glowing and revived.

Gold has been used for centuries as a remedy for various ailment and beauty therapies.

Gold – *au-aurum* (Latin) mean “glowing dawn”

Gold helps reverse the oxidation damage to the collagen fibers making the skin more resilient, youthful and allowing it to breathe more easily.

Most recently, gold-coated lasers are being used to rejuvenate skin tissue damaged by burns and injuries.

Gold positively affects the process that causes joint pain and swelling, according to the Arthritis Foundation. Gold has been used in the treatment of rheumatoid arthritis since the 1920’s. For many arthritis sufferers, it helps relieve joint pain, stiffness, reduces swelling and bone damage.

Gold foil has been applied to skin ulcers to promote healing. As gold is non-toxic and hypoallergenic, this application has been successful even on the most sensitive skin.

Gold surgical instruments are used to clear clogged arteries. Some forms of cancer are treated with colloidal gold.

Gold electrolysis needles are favoured by electrologists for beauty therapy clients with sensitive skin.

The addition of the genuine 23-carat gold flakes was an inspirational idea to add an undisputed level of luxury to the products and also had the added benefits of reversing oxidation to the collagen fibers in the skin and giving new energy and clarity to the skin complexion.

Merino Gold Placenta Serum 30ml/pump

Rejuvenating Serum

The Merino Gold Placenta Serum was developed in response to an ongoing request from our Asian customers for a Placenta Serum. From this we developed an idea of a luxury range that could be used separately, or in conjunction with, our existing Merino range.

It provides a wonderful, enriching and healing moisture to your skin and is a luxury alternative to our Merino Placenta Creme.

The pure 23-carat gold flakes in this concentrated Placenta serum formulation rejuvenate and revitalize delicate skin cells.

The ovine placenta extract actively firms and nourishes the skin.

Active enzymes, proteins, anti-oxidants and vitamins in this precious anti-ageing formula create a truly concentrated, luxury serum that is as effective as it is affordable.

Use morning and night to stimulate cell renewal and reduce the appearance of fine lines and wrinkles around the eyes and mouth.

Gently massage very small amounts into delicate skin for a younger looking skin, glowing with health.

Merino Gold Lanolin Omega 3 Crème **30g/pump**
Night Crème

This is a unique, active night crème with pure 23-carat gold flakes which penetrate deep into the skin to work against ageing and daily cell damage while your skin is at rest.

The natural oil extracted from sheep wool penetrates and moisturizes.

Omega 3 is rich in polyunsaturated fatty acids which feeds your skin giving it a fresh new radiance and glow.

The Antioxidant properties of Vitamin C and E help eliminate free radicals. Vitamin C stimulates cell renewal while Vitamin E aids the circulation.
