Dear Reader,

My name is Steven Boldbaatar, I will be telling you about my sneaker reselling business. In my website, I will inform people about what they need to know and the materials inside sneakers in the glossary to help out people that need to know about things about sneakers. Also, the most expensive sneakers to look out for, an essay about how my business got big over time.

I have been studying and trying to help out resellers for about two months now, I have read many articles, and books on sneakers in all aspects. My work will be shown in the other bars. I have observed some sneaker stores and look at them sell their sneakers to see how they do their job. Also, I had some fun and did some comic strips on people reselling sneakers face to face. Lastly, I have an important advertisement to buy sneakers from me.

From all my learnings about sneakers, I have learned very important things about sneakers. I am thankful to be able to help young resellers out there now because of all this knowledge I know now. I wasn't surprised about all the things I learned but proud. And I think this is enough for me to know, and I'm super grateful.

Sincerely,

Steven Boldbaatar
