福 About us

We founded our restaurant to bring quality, style and the wish for good fortune to all of our guests.

We provide a high-end experience through Chinese cuisine. Whether the customer is interested in an appetizer or an entree, we promise to deliver the finest experience!

Not only do we want to bring the most authentic experience to our customers, but we also want each customer to feel like they are a part of the TOWN family.

福 Cuisine

We believe in using the highest quality ingredients for each of our dishes. We choose to import directly from local and Chinese farms in order to avoid GMOs and keep the ingredients organic.

We do not purchase pre-made or frozen ingredients to ensure that our dishes are made fresh. Not only that, but we believe that larger quantities will allow customers to take food home and enjoy it later and with that remember us!

福 Accommodations

A table for two, small get togethers, or large parties are all able to be accommodated; however, the larger the group the more notice we will need to have to ensure that we have space available.

We have rooms available for birthday parties and many seats available at our bar as well.
