

W464 Praise & Worship

All about You

Hear our praises, hear Your people sing
Hear our hearts cry
Your love is everything

And all will hear this shout
As the nations turn to You
And this will be our anthem

Cause we're all about You
And the world You promised
And all we have will give You praise
Cause we're all about You
And the world can't stop us
Living Your way, always

Let our hearts break, as we praise Your name
Let the earth shake
This is the sound of faith

And the walls will fall down
And religion will break
And the nations will hear this shout
Can you hear the sound of faith

Cause we're all about You
Cause we're all about You
(repeat)

All the walls are falling down
As all the nations praise
And all the world will hear this shout
Can You hear the sound of faith
(repeat)

Jesus

Hands that hold the Heavens
Hold my heart tonight
Love pierce through my darkness
Glorious light
Words of life eternal
Heal my broken soul
To whom will i go
There's no one else but You alone

Jesus
Jesus
No other name
No one the same like You
The Truth, the Life, the Way
Jesus
Jesus
Glory and praise
Our voices we raise to You
The soon and coming King

You are the Christ
Son of the living God
The great i am
I'll follow You till the end
