The following text is for questions 14 and 17.

Once upon a time, Roro Anteng and Joko Seger lived on the foot of Mount Bromo. After six years of marriage, they had not had any children. They prayed, pleaded to Gods for children. Their prayer was granted in one condition. They should sacrifice their youngest son to the Bromo crater.

After sometimes, Roro Anteng gave birth to a child, and it happened every year until they had 25 children. They lived happily and forgot about the agreement. The mount Bromo erupted signaling that the Gods asked the couple to fulfill their promise. But they didn't want their youngest son, Raden Kusuma, to be sacrificed to the crater.

Raden Kusuma learned about the deal his parents had made. Meanwhile the lava from the crater had made the people living near the mountain suffered. Since Raden Kusuma was a kind and noble man, he didn't want his siblings and other people suffered because of him. Therefore he went to Mount Bromo and sacrificed himself to the crater. The eruption suddenly stopped.

After that day, the Tengger people have given offerings to the crater, as Raden Kusuma had sacrificed himself before.

The following text is for questions 39 to 42.

Gardenia plants are popular for the strong sweet scent of their flowers. Gardenia is the national flower in Pakistan. In Japan and China, the flower is called Kuchinashi (Japanese) and Zhi zi (Chinese).

Gardenia plants are evergreen shrubs. Their small trees can grow to 1–5 meters tall. The leaves are 5–50 centimeters long and 3–25 centimeters broad, dark green and glossy with a leathery texture. The flowers are in small groups, white, or pale yellow, with 5–12 lobes (petals) from 5–12 centimeters diameter. They usually bloom in mid-spring to mid-summer. Many species have strong aroma.

To cultivate gardenia as a house plant is not easy. This species can be difficult to grow because it originated in warm humid tropical areas. It demands high humidity and bright (not direct) light to thrive. It flourishes in acidic soil with good drainage and thrives on 20°–23°C during the day and 15°–16°C in the evening. Potting soils developed specifically for gardenias are available. It grows no larger than 18 inches in height and width when grown indoors. In climates where it can be grown outdoors, it can reach the height of 6 feet. If water hits the flowers, they will turn brown.

39. How tall is a gardenia tree?
- 3 – 25 cm
 - 5 – 12 cm
 - 5 – 50 cm
 - 1 – 5 m
40. What is the main idea of the last paragraph?
- It is easy to plant a gardenia tree.
 - A gardenia plant needs high humidity.
